ROLL AND PASTORAL RECORDS OF CONFERENCE MEMBERS IN FULL CONNECTION: 559 1974

Note: This was formerly the Chronological Roll and is now alphabetically arranged for greater convenience and to provide a listing of the service records of conference members in full connection, both effective and retired. Since the information came from records supplied by each man and includes only service in the North Carolina Conference, the Conference Secretary should be notified of any discrepancies or changes that the members wish to have made. Note that service years vary in value and the Conference Board of Pensions evaluates each year of service in terms of annuity credit. The figures in the right-hand column only indicate the number of years served under episcopal appointment of the North Carolina Conference. All questions concerning years applicable to annuity credits should be directed to the Board of Pensions *(Editor)*.

Ballance, Bernice, Deaconess, Church and Community Worker, Harnett County; Lillington CC, Fayetteville District

Ballance, Ethelynde, Deaconess, Director of Christian Education; Raeford: First CC, Fayetteville District

ALPHABETICAL ROLL—CONFERENCE DIRECTORY—1974-75

Note: Information for the Conference Directory derives principally from two sources: from the ministers themselves on the cards provided them and filed with the Conference Secretary, and from the District Directories furnished the Conference Secretary by the Superintendents. However, each minister is personally responsible for the correct reporting of his own address. Spouse's name (when provided) is given in parentheses after pastor's name. This is a new feature provided for the first time this year, as is the birthday list which follows this directory.

CONFERENCE CONVENED: The one hundred forty-ninth session of the North Carolina Annual Conference was called to order at 2:00 p.m. by Bishop Robert M. Blackburn, Resident Bishop of Raleigh area. Roger F. Searles, organist, accompanied the Conference in singing the traditional hymn for opening the Conference, "And Are We Yet Alive?" Organ prelude for the session was "Improvisations on Miles Lane" by Maurice C. Whitney. Seat of the Conference was Reeves Auditorium, Methodist College, Fayetteville, North Carolina. This was the second session over which Bishop Blackburn presided as Resident Bishop of the Raleigh Area.

INVOCATION: The invocation was given by Bishop Blackburn.

WELCOME: Bishop Blackburn presented Dr. Richard W. Pearce, president of Methodist College, for words of welcome from the college. Pearce recognized Bill Lowdermilk, Mike Safley, and Ray Gooch for their invaluable help in making preparations for the Conference.

Dr. N. W. Grant, serving as host district superintendent, brought words of greetings.

BAR OF CONFERENCE: Kimsey King moved that the main floor of Reeves Auditorium and the stage be the bar of the Conference. It was approved.

RESOLUTION: Charles Mercer offered the following Resolution of Appreciation for Quick which was adopted by the Conference:

A RESOLUTION OF APPRECIATION
TO
THE REVEREND DR. WILLIAM KELLON QUICK

For 20 years William K. Quick has been a progressive and able leader in the North Carolina Annual Conference. He has served with equal effectiveness as the Pastor of some of our largest and smallest churches.

His aggressive and wise leadership has been a potent force in Conference activities. His efforts in providing news coverage and good public relations for our Conference are unmatched.

As a member of the Conference Council on Ministries, where he served as secretary, and chairman of the Council's Budget Committee, as well as a member of the Executive Committee, his influence on our Conference program has been strong and valuable.

We, the members of the 1974 Session of the North Carolina Annual Conference, meeting at Methodist College in Fayetteville, acknowledge with appreciation the distinguished and able service which he has rendered to our Conference. We affirm our esteem for him and our confidence in him as he assumes his new responsibilities as pastor of the Metropolitan United Methodist Church in Detroit.

Charles H. Mercer, Director
Conference Council on Ministries
Robert M. Blackburn,
Presiding Bishop
Kimsey King,
Conference Secretary

COMPOSITE REPORT OF THE DISTRICT SUPERINTENDENTS: Paul Carruth, Cabinet President, brought the composite report of the District Superintendent as follows:

COMPOSITE REPORT OF DISTRICT SUPERINTENDENTS

Conference Year 1973-1974

For the fourth time, the report of the District Superintendents is being presented in summary form. This procedure probably is a response to the pressure to reduce reporting to its barest essential. The members of the Annual Conference, clerical and lay alike, are understandably impatient with any detailed listing of activities This applies whether those activities be of earth-shaking importance or only trivial in nature.

I would not begin this presentation without at least a mild expression of regret that this brief composite report is all that remains of what was once a great feature of every Annual Conference Session, namely, the oral report of every pastor on the work of his Charge. No longer does the Conference listen to the boasts of the circuit pastor as he affirmed the mighty work of the Lord in the Charge where he labored.

These reports of the pastor and the individual superintendents may have appeared to be no more than exaggerations and boasting. Still, they represented the very heart of the work of our Conference. I, for one, believe that even in our abbreviated Conference session such information merits the close attention of the members of the Conference. Let me invite your attention to the following significant achievements of 1973-74.

1. Membership: By the Confirmation of their faith, 3,254 souls have been added to the rolls of the churches of our Conference during the Conference Year. Nine of the twelve districts report a net increase in members. Those districts with the net increases are: Burlington 77, Durham 89, Goldsboro 186, New Bern 332, Raleigh 759, Rockingham 153, Rocky Mount 22, Sanford 82, and Wilmington 231. *The net increase for the North Carolina Conference for 1973-1974 is 1,597.* Our Conference is one of less than a half dozen in Methodism who can report a net gain.

2. Stewardship: During the first seven months of the Conference year, $10,625,742 were contributed for all the causes of the Church. Since January 1, 1974, our people have given over a million dollars for the benevolent causes of our Church. Of this $15,000 has been paid into the Ten Dollar Club for aid to new church construction. Stewardship Workshops were conducted in the districts with an increase in the number of churches which conducted Every Member Visitation programs.

3. Leadership Development: Reports from the Conference Coordinator of Leadership Development indicate that 6,630 persons were involved in leadership development opportunities. Participation in workshops in every district in the Conference has been good, with expressions of appreciation for help received coming from local church leaders. This achievement in leadership development is most gratifying. In this Year of the Sunday School, teacher-training workshops have been held in every district across the Conference. This emphasis is of major importance as we move to impart to our people the necessary information relating to our holy religion. The reports of the first seven months of the Conference Year indicate a decrease in average attendance in the Church

School. Still, it is no little matter that 70,000 eastern North Carolina Methodist came together each Sunday morning to study their faith. Ten districts report a total of 4,096 new members added to the Church School during the year. If Sunday School time can be effectively used, this agency of our church can be restored to its prominence in the life of Methodist families. Certainly, the quality of leadership will be a major factor in this process.

4. Lay Activities: The attendance at the District Lay Rallies continues to be remarkable with the Durham District leading in the number present with 1,241. Recognition for work done by Methodist Men has been given in the districts through the Conference Division of Lay Life and Work.

5. United Methodist Women: This was the year when local units of the Women's Society of Christian Service and the Wesleyan Service Guild united to become the United Methodist Women. One district president wrote, "It has been an exciting year of change, study, evaluation, and fellowship — a time of trying new ideas and discarding programs which no longer serve a useful purpose."

6. Building, Improvements and Other Items of Note in the Districts: For 300 years, the church existed and grew without buildings at all. Today, beautiful church buildings serve to house the worship and program of the church. Equally important, they are a sign of the importance of our faith. The rapid increase in the cost of construction has not prevented a continued affirmation of the importance of the buildings of the Church as our people continue to construct and pay for beautiful and useful churches and parsonages, education and fellowship halls. Many programs that reach into the communities have been undertaken. By districts, a brief survey of this work notes the following:

Special Ministries like the following must not go unmentioned: The beginning of a Fayetteville Urban Ministries directed by 17 Methodist Churches in Fayetteville; the continuance of the Robeson County Community Center; the work of Contact Teleministries in areas like Fayetteville, Rocky Mount and elsewhere. The continuance of the beach ministries at Kitty Hawk, Atlantic Beach, Carolina Beach, and Youpon Beach. The Seamen's Ministry at Wilmington and Morehead City port facilities. The support and participation in the Mental Health Program that prompted the recognition of Saint Luke Church, Goldsboro, as Wayne County Mental Health Associations' Church of the Year. The Nutrition Program for the Elderly in the Rocky Mount and Wilson Areas.

Time fails us to mention all the regular work that sustains and furthers the life of the Church. We cannot name all the classes that have been taught, the hymns and anthems sung, the church suppers served, the sick visited, the sermons preached, the committee, board and council meetings held. But in such activities, the church is kept in the love and concern of the divine Father, and finds renewal in the Holy Faith that sustains the world.

What has been done in the churches may seem to count for very little in the eyes of the world. Measured by what we might have done, it may not seem outstanding. Certainly, we cannot become proud of our own achievement. What merit there is belongs to God who prompted us and strengthened us in our labors.

By His grace, we would be bold to desire that, in the end, what we in the North Carolina Conference have done might be associated with that done by those who, in the words of the Epistle to the Hebrews, "through faith conquered kingdoms, enforced justice, received promised, stopped the mouths of lions, quenched raging fire, escaped the edge of the sword, won strength out of weakness, became mighty in war, put foreign armies to flight."

One final word and this report is finished. We thank our pastoral bishop and Mrs. Blackburn for their deep involvement in the everyday affairs of our churches. Their presence with us has inspired a greater effort and we believe a greater achievement than could ever have been accomplished without them.

NEW APPOINTMENTS: Bishop Blackburn announced the appointment of four new District Superintendents: H. Langill Watson, Durham; Norwood L. Jones, Elizabeth City; J. Paul Edwards, Goldsboro; and John M. Cline to the Rocky Mount District. The four leaving the Cabinet are: Chancie D. Barclift of Durham; Paul Carruth, Rocky Mount; Al Fisher, Goldsboro; and Bob McKenzie, Elizabeth City District. The Bishop announced the appointment of Al Fisher as Assistant Director of Rural Church Affairs of the Duke Endowment.

THE DUKE ENDOWMENT: Wilson Nesbitt explained the new position to be filled by Fisher. The Duke Edowment report on page 44 of the *Book of Recommendations* was adopted.

THE STATE OF THE CHURCH: Bishop Blackburn brought a message on "The State of the Church" to the Conference. His message follows:

THE STATE OF THE CHURCH — Message to the 1974 session of the North Carolina Conference of The United Methodist Church by Bishop Robert M. Blackburn. Monday, June 3, 1974. His message follows.

This is a great time to be in the Church! The reason? -because the church has certain answers in an uncertain world. Everywhere there is a hunger for truth and stability. Kipling's familiar lines may be quite applicable to our day: "If you can keep your head when all about you are losing theirs - you just don't understand the situation." Indeed the church must understand and respond to the present situation.

Now, as always, the church has been worthy of people's trust. Sometimes that trust has been only in a remnant, but throughout centuries God's people have kept that trust alive. A mid-summer Gallup Poll in 1973 indicated that many Americans have a serious lack of confidence in key institutions of our nation. The church received the highest vote of confidence among eight

institutions that were ranked in the poll with 66% of the public giving them a high rating. "Big Business" ranked the lowest with only 26% of the public giving them a high rating. Labor Unions fared little better receiving only a 30% endorsement of trust. Between the high-ranked churches and the low-ranked business and labor segments of American society come, in this descending order: the public schools, the Supreme Court, Congress Newspapers and television."

This is a sacred trust that American people place in their churches. It behooves us at conference sessions such as this to evaluate carefully our mission in today's world.

This is also a great time to live in North Carolina. It is a state blessed with beauty and rich resources. Its rolling hills, plush farm lands, thriving industry and invigorating beaches make it a delightful place in which to live. It is "Variety Vacation Land." It is the basketball capital of the world! It is many things.

Located within the 56 eastern counties is the North Carolina Conference of The United Methodist Church. This is one of the most progressive and exciting sections of the nation. It is growing and experiencing major changes. In the decade ending in 1970 the following counties experienced the following percentage growth: Brunswick 19.5, Carteret 15.2, Dare 17.9, New Hanover 15.7, Onslow 19.6, Pasquotank 4.7, Pitt 5.7. Some of the changes in town and city population were: Ahoskie 11.4, Atlantic Beach 294.7, Ayden 11.0, Beaufort 15.3, Enfield 9.9, Farmville 10.7, Greenville 27.1, Havelock 117.1, Jacksonville 18.8, Murfreesboro 32.7, Nashville 17.4, Snow Hill 30.3, Tarboro 12.1, Wallace 27.1, Warsaw 21.6, Weldon 6.4, Windsor 21.3. (These statistics came from The Institute of Government, UNC, Chapel Hill.) You will note that these figures do not even include the flourishing Triangle Area, nor bustling Burlington, nor the fabulous growth of the Fayetteville area.

Take the Church, then, with its redemptive message and its creative service to a community, and put it in the exciting environs of Eastern North Carolina and you will have some promising results.

The statistics from the composite report of the District Superintendents reveal some encouraging facts. Also, Dr. Allan Waltz of the research department of our church's General Council on Ministers pointed out to me that the North Carolina Conference is one of the few in United Methodism to show a net gain in membership over the past five years.

In my travels throughout the conference I discover a marvelous vitality and strength among our congregations. The people are warm-hearted and genuine in their Christian commitment. They love God and the church. The churches are beautiful, worshipful and well kept. There is an eagerness "to be the church" in each community and a desire to share in the outreach of the Church as well. In this cradle of American Methodism there is a continuing, strong loyalty to the Methodist Church. Our laity furnish us valuable leadership in every phase of our conference life. Thank God for the people called "Methodists."

North Carolina Methodism is predominantly rural. The Rural Church office of The Duke Endowment informs us that 75% of our churches are in communities of 1,500 people or less, thus defined as rural. And in many ways this rural Methodism is the "heart" of our North Carolina Conference. Of the 855 churches in the conference 31.1% of them have fewer than 100 members. 62.8 percent have less than 200 members, and 78.7 have less than 300 members.

So much for the membership of our churches! What about its ministry? Indeed, we have a dedicated, well-trained ministeral force. A study made by Kimsey King, our Conference Secretary, reveals that we have 559 ministers in Full Connection. There are 97 Probationary and Associate Members and 147 lay pastors, for a total of 803 ministers. Of the 559 in Full Connection, only 279 are serving pastorate; 122 in Full Connection are serving "Special Appointments." Those in special appointments are in no less important work than the pastors for they include District Superintendents, Conference and Institutional staff, Seminary Professors, College Presidents and Professors, Chaplains, etc. The others in Full Connection are in the retired relationship. Thirteen of these retired brethren are serving churches as Retired Supplies.

It is important to note that 135 of our lay and interim pastors serve 390 of our churches and 297 in Full Connection serve 323 of our churches. It is our hope that more and more of our Lay Pastors are going to proceed toward Full Connection status. The presence of Duke Divinity School and Southeastern Seminary within the bounds of our conference affords us excellent opportunity for complete preparation for the ministry. Also, many opportunities of Continuing Education are available for any who desire it.

The North Carolina Conference has made commendable strides in becoming a racially inclusive fellowship. Later in this session the Bishop and Cabinet at the request of the Commission on

Religion and Race, will present a "Position Paper on Race" that will deal with this subject in more detail. Our tri-racial composition makes this one of the interesting conferences in Methodism. Much effort should be extended to see that our Black and Indian members are not merely "absorbed" into a predominantly white conference, but that we maintain a genuine blending of previously segregated groups. We must develop a vital, aggressive Black and Indian Affairs program to improve their status in society and their place in the life of the Church.

This is the "year of the Sunday School" in our Conference priorities. It is our hope that the emphasis being placed upon Christian Education will turn the tide of decline in Sunday School attendance to one of increase. Since 1969 Sunday School enrollment has decreased 12.1% and average attendance has declined 10.1%. The Sunday School is the training ground for Christian living and church membership. All of us need to give careful attention to this urgent need in our local churches!

There is a new evangelistic fervor manifest among us! The fruits of Key 73 have been evident in some areas of our Conference. The impact of the Billy Graham Crusade last September was most significant. The Convocation on Evangelism in March of this year brought more than 400 of our ministers together in a heart-warming experience of preaching, thinking and planning for evangelism. The Lenten season brought forth a very productive period of Confirmation in which hundreds of our youth and adults made initial commitments to Christ.

Surely one of the most thrilling and gratifying areas of our growth in the past year has been in the area of missions. Our increase in giving to Advance Mission Specials was 162%, the second highest increase in the nation! We moved from 67th place among the 72 conferences of the nation to 44th place. We now have 220 churches who established Advance Missions Specials. This is an increase from 22 churches to 220, or a 1,000% growth! Our thanks go to the outstanding leadership of our Division of Missions. Let us pledge to them our increased enthusiasm and support. Even with this remarkable growth, we have moved from only 13¢ per member to 76¢ per member for mission specials, and from 67th place to 44th place in the United Methodism. I believe the coming year will reveal a continuation of this significant growth in mission support.

Our stewardship of tithes and offerings reflects loyalty on the part of many of our members. Total giving for 1973 was $18,215,661, an increase of 7.95%. We were one of 19 conferences in the nation that paid 100% on World Service Apportionments. We were third in the Southeastern Jurisdiction in remittances to the Lake Junaluska Improvement Fund. I have already referred to our increased giving to Advance Mission Specials. But, having said all these good thing, we must acknowledge that our giving is only $86.24 per member, which figures out at $1.64 per week per member. Remember, this represents our total giving for local expenses, pastor's salaries, world service, figure,missions,etc. It is far from representing a tithe,and in no way represents a sacrificial giving on the part of Methodist people. What a mighty force for good we could become if we really had a tithing church! In the realm of Higher Education we have our three colleges and our campus ministry programs on state university campuses. The impact of this work is inestimable! What a powerful potential we have for Christian influence of our youth on these campuses! Yet, our needs in each case are crucial! The next year or so will be decisive ones. In some respects we are at the cross-roads of serious and basic decisions about Christian Higher Education in the North Carolina Conference! The leadership in our church colleges and in campus ministries is superb. Our students served by these ministries are deserving of our best. Let us rally to the great needs in this vital area of Christian witness.

The Bishops' Call To Peace And Self-Development of Peoples is a challenging plea for Christian compassion and concern. We will hear much about this at this session. Surely we will want to respond with sensitive, compassionate action.

Where do we go from here? All of us are a part of the answer. Our Lord has called us to serve Him in this present age. Let us respond with gladness and with an exciting commitment to the Christ in whose name we are gathered here today!

POSITION PAPER ON RACIAL INCLUSIVENESS: A position paper on racial inclusiveness, prepared by the Cabinet and Bishop Blackburn, was distributed to the delegates, for information.

POSITION STATEMENTS OF RACIAL INCLUSIVENESS IN THE NORTH CAROLINA CONFERENCE

In 1966 the North Carolina-Virginia Conference of the former Central Jurisdiction and the North Carolina Conference of the Southeastern Jurisdiction adopted resolutions that created the merger of

the Eastern District of the North Carolina-Virginia Conference and the North Carolina Conference, now known as the North Carolina Conference of the Southeastern Jurisdiction. This merger was created to "achieve racial inclusiveness at all levels of the church."

Since that time significant progress has been made to achieve this, such as:
(1) The inclusion of all congregations of both conferences into the new one.
(2) The inclusion of all ministerial members of both conferences into one.
(a) This includes coverage of all ministers under the same minimum salary provisions.
(b) It also includes coverage of all ministers under the same pension provisions.
(3) The inclusion of members of both former conferences on almost all boards and agencies of the conference. The limited number of Black Methodists makes it extremely difficult to have Black membership on *every* board or agency.
(4) Special concern has been given to providing places of leadership for Black members, lay and clerical, in the merged conference. This has not always been easy to accomplish because of the relatively small number of Black members (3,459 Blacks and 208,216 Whites).
(5) We now have a Black District Superintendent, James H. McCallum, serving in the Sanford District, and he is rendering excellent service.

We are grateful for the progress made in achieving racial inclusiveness in our Conference, but we acknowledge that additional efforts should be made and we encourage all concerned in leadership and decision-making positions to make every effort possible to do so. Motivated by love and mutual trust, we should take definite steps to improve our tri-racial involvement. We suggest such steps as the following:
(1) Foster and encourage racial inclusiveness on the local church level. Nearly every other area of our society has become inclusive, and we feel that our local congregations should become so. It has often been said that "eleven o'clock on Sunday morning is the most segregated hour of the week in most communities." We should strive toward having racially inclusive congregations just as we have achieved this on the conference and district level, as well as in secular society (schools, government, etc.)
(2) This leads us to suggest that our itinerant plan of ministry should be more inclusive to afford as wide range for appointments of Black and Indian ministers as well for White ministers.
(3) Steps should be considered for the establishment of a Black Affairs Program within the North Carolina Conference which will be related to all Black Churches and to a program of economic development and evangelism among Blacks in Eastern North Carolina. The staffing and funding of such a program should receive major consideration in the 1974-75 year.
(4) Let us urge that the conference Committee on Enlistment have Black and Indian representation on it. Careful and sincere attention needs to be given to recruitment of ministers and full-time Christian workers among the ethnic minorities of our conference.
(5) Special attention should be given inclusion of ethnic minorities (Black, Indian, Asian) in the urban planning of our conference as we seek to minister to the inner city, to transitional areas, and to specialized ministries in such cities as Fayetteville, Wilmington, Durham, etc.
(6) It is our hope that greater inclusiveness will be created in the management and working staffs of our institutions, such as The Retirement Homes, The Children's Homes, the Colleges and Youth Camps.
(7) Parish reorganization should be considered in such localities as Goldsboro, Wilmington, Red Springs, Fayetteville, and other locales, and particularly rural areas, where we now have our work among the ethnic groups, to achieve a greater degree of racial inclusiveness.
(8) We call upon the Council on Ministries to give prior consideration to the employment of a Black, Indian or Asian, person at the time the next vacancy occurs in a staff or secretarial position.
In the light of our Christian conscience, and with much prayer and determination, we can move toward the fulfillment of our professed goal of greater racial inclusiveness.
(9) We call upon our congregations to involve themselves in systematic evangelism among the Black segment of the population.

He called for additional support for the Advancement Program to upgrade facilities at Lake Junaluska.

Blair asked Keith Glover to come forward and presented to him a plaque of appreciation for his service to camping. He also welcomed Gerald Peterson as the new staff person for Children's Ministries and Camping. White asked J. C. P. Brown to bring a resolution. Brown's resolution was a commendation for Belton Joyner for his work on the Conference staff.

A RESOLUTION OF APPRECIATION OF F. BELTON JOYNER, JR.

For nearly six years now, Belton Joyner has served the North Carolina Conference as a leader in its educational ministries. He has worked with leaders of children, youth, and adults, with youth themselves and the Conference UMYF, with young adults and with staff members of our camping program. He has guided and stimulated directors of Christian education and directors of music. His most recent specific "Job" title has been Coordinator of Leadership Development and Adult Work with the Conference Council on Ministries. The truth of the matter is that. Belton has made himself available wherever needed, often taking on added duties and new responsibilities in order that our Conference staffing might continue to cover the broad range of concerns of Christian education.

Most of us know Belton, and we hold him in highest esteem. His work has been creative, his spirit uplifting, his wit refreshing. He is an exceedingly wholesome individual who has made an indelible impression upon the lives of children, youth, and adults across the Conference. In his work he has not been afraid to try something new. He has sometimes made the outlandish to praise Gold! He has appealed to the eye as well as to the ear, to the sense of touch, to all our powers as perceiving beings created in the image of God. To borrow a phrase from a familiar hymn, his meetings have been full "of marvel and surprise." But in all his doings, Belton has continued to be a modest person, standing in the background insofar as possible, seeking to further not himself but the Master's own Kingdom. It is evident to us that from this same Master he has accepted a calling to be both servant and friend.

Now as Belton comes to the close of his period of service at the Methodist Building and returns to a pastorate, the Division of Education wishes to call attention to the remarkable service he has rendered as a leader in the educational ministries of the Conference and to express our profound gratitude to him. We also wish for him and his family a long and continuing success in the work of God.

PROPOSED PROPOSITION DESCRIPTION: Rufus Stark offered the following for the Conference to consider tomorrow:

PROPOSED POSITION DESCRIPTION
BY
A Committee of the Economic Development Task Force
North Carolina Annual Conference
The United Methodist Church
April 17, 1974

TITLE: Coordinator/Enabler for Special Ministries and Economic Development

PROVISION: That the North Carolina Conference here assembled, do authorize the Council on Ministries to appoint an additional staff person to be known as the Coordinator/Enabler for Special Ministries and Economic Development, to be effective immediately following the Annual Conference session in 1975. To implement this resolution, funding shall be arranged by the Council on Finance and Administration.

BACKGROUND:

During this current 1973-74 appointment year, urgent focus has been given to wholistic ministry to and with the whole man in his whole environment. Special attention is being given to economic developement and inclusive outreach ministries to and with all the people of our Conference area. An Economic Development Task Force has been formed this appointment year and this proposal is an outgrowth of activities of that Task Force.

RESPONSIBILITY OVERVIEW:

In keeping with Luke 4: 18-19, the Coordinator/Enabler would help the United Methodist Church and the Church Interdonominational at the parish, community, county, Conference, and State level to become involved in socio-economic ministry, alleviating causes of privation and fostering programs for the full development of persons, peoples, and communities. The Coordinator/Enabler would also provide special leadership in the developement and extension of the United Methodist Church among low-income persons and ethnic minorities.

SPECIFIC RESPONSIBILITIES:

1. *SPECIAL MINISTRIES:*

The United Methodist Church is not effectively ministering to a large segment of our Eastern North Carolina population, and especially economic and ethnic minorities. For example, there has been only limited racial inclusiveness in the appointive system of our Conference, very limited recruitment of Black or Indian ministers, and negligible extension of the United Methodist Church into the Black population and life in the North Carolina. Therefore, the Coordinator/Enabler must do the following:

a. Interpret, communicate, and mediate the practical mission of the United Methodist Church from local churches to the Conference Council on Ministries and beyond, and from the Conference Council on Ministries and beyond to the local churches with appropriate perspective.

b. Help determine specific geographic and population areas unreached by the United Methodist Church and with limited non-United Methodist ministry. Help set goals and establish means for practical and effective church extension.

c. Help set goals and engage effective means for recruitment of persons into church vocations, and especially into the pastoral ministry.

d. Help set goals and effect a growing inclusive itineracy and lay participation in the full local church and institutional life of the North Carolina Conference.

e. Help make available suitable training for local church leadership development with ethnic minority perspective where vital to such development.

f. Help provide the churches of our Conference practical understanding of and a commitment to ministry to and with all the people of our Conference area by personal presence and other means.

g. Help mobilize and coordinate the resources of our total Conference constituency, organization and program for special ministries to special needs.

2. *ECONOMIC DEVELOPMENT:*

The Church of Jesus Christ in general and the United Methodist Church in particular, have ministered in adequate and exciting ways to the spiritual needs of our constituency. It is a fact, however, that we have often failed to remember that salvation includes a vital concern for the whole person; his spiritual and physical health, the quality of his environment, and his freedom and ability to reach his full potential as a human being. It is important that we direct the love power we have in

Christ to break us out of temptations to become internal, ingrown, exclusive, and fenced-in. It is important that we use the love power we have in Christ to effect social change that will enable the afflicted to become whole. Therefore, the Coordinator/Enabler should do the following:

a. Be an interpreter to United Methodists in Eastern North Carolina of the mandate of the Gospel that we care and be involved in ministry to and with the whole man in his whole relationship to life, now, as well as, hereafter.

b. Help persons, parishes, communities, counties, Conference and State to be aware of socio-economic problems and opportunities for ministry, e.g., to assess employment opportunities and quality of employment at given spheres and to set goals to alter and improve existing employment and /or to set goals and policy for establishment of new employment opportunities; further to assess adult education needs and the affect on pull personhood, as well as employment, and set goals and policy to reduce illiteracy and to improve the adult educational and funcational level for personhood and employment

c. Help identify and communicate to the awakened and committed Christian Action groups for resources of church, private sector, and government, that relate to specific problems and voids in people, services or programs.

d. Enable persons, peoples, parishes, to be better engaged in programs and ministry to the socio-economic problems, privation and injustice at every level from community to state, mobilizing for Christian Solutions to social ills.

MEMORIAL SERVICE: Bishop Blackburn presided over the Memorial Service at 11:00 a.m. The Prelude was "Praise to the Lord" by Walther. After the congregation sang "Crown Him With Many Crowns," O. M. Graham led in prayer. Mrs. Beth Marshburn Bell, Soprano, sang "I Know That My Redeemer Liveth" by Handel.

Kimsey King read the roll call of our honored dead to answer Question No. 40, "What ministers have died during the past Conference year?" The list was as follows: Jakie Locklear, Harris Freo Surratt, Louis DeMaro Hayman, Hersey Everett Spence, Roland S. Murphy, Horace Greeley Ridaught, E. C. Durham, Etheridge M. Rhiner, Mack Donald McLamb, Ralph Dillingham Wellons, and Lester Archie Tilley. In answer to the Question, "What minister's wives have died during the past Conference year?" Kimsey King read these names: Mrs. Hilda Amick Whitehead, Mrs. Martha E. Hendrix Nettles, Mrs. Clara Powell Lee, Mrs. Bessie Octavia Whitted Spence, Mrs. Emma Wood Nicks, Mrs. Hattie M. Olson, Mrs. Hattie Florence Gibson McLeod, Mrs. Elizabeth L. Brookshire Harris, Mrs. Katrina Kern Ormond, Mrs. Edna Laws Petteway, and Mrs. Clara Craven

Dr. Joyce Earp gave the Memorial Address, "The Faith They Proclaimed." His scripture was Hebrews 11:1-10.

The congregation sang "I Love Thy Kingdom, Lord."

Announcements were made by Kimsey King.

Following the Benediction the service was closed with the postlude, "Rigaudon."

SECOND DAY, AFTERNOON SESSION
Tuesday, June 4, 1974

The afternoon session began at 2:00 p.m. with the singing of "Glorious Things of Thee Are Spoken." Bishop Blackburn gave the invocation.

HEALTH AND WELFARE MINISTRIES: Paul Edwards called on J. W. Lineberger to make a report on the Methodist Home for Children.

TRUSTEES OF THE METHODIST HOME FOR CHILDREN, INC.

Since the Annual Conference has changed the Conference fiscal year to correspond with the calendar year, the Trustees decided to change the fiscal year for the Methodist home to correspond with the Annual Conference year, beginning January 1, 1974. This has required a number of adjustments in record keeping and reporting. Hereafter the fiscal year will be the calendar year ending December 31.

Services—The Home serves children who need to live in its residential program. At the same time every effort is made to maintain the strongest possible ties between the children and their relatives.

This family involvement is essential to the child's mental health and general happiness. One cottage is temporarily closed. Nine cottages on campus and one off-campus cottage are presently operated, with a capacity of 113 children in residence. In addition, a few children can be cared for in Mother's Aid and in Foster Homes. Usually four to six students are in some form of Post-High School Education.

General Operation—More than a year ago the Superintendent made known his desire to retire. He had already reached the age for voluntary retirement in the Annual Conference. The Board acceded to his request and appointed a Search Committee to nominate a successor. In view of the impending change in administration, an effort has been made to maintain a stable "status quo" situation during this period. It is anticipated that the new Superintendent will be elected in April and will take over the administrative responsibility after the Annual Conference in June.

Finances—During the period of fifteen months ending December 31, 1973 the Home has operated within its income, in spite of the rapidly increasing cost of everything which had to be purchased. The adjustments in records and procedures made necessary by the change-over in fiscal years makes a financial statement very complicated. For that reason this report does not contain a financial statement. The Auditor's Report gives the details and indicates that the records of the Home are proper and in order.

In adopting a Budget for the year 1974 it has been necessary to reduce total expenditures somewhat below the figure which was estimated as necessary to maintain the level of services. The Trustees felt that it was necessary to live within the limits of our income, even at the cost of reducing services. The increasing-cost of everything has advanced more rapidly than our income. The Operating Budget for the year 1974 was set at $554,128.

Seventy-fifth Anniversary—The period 1974-75 marks the Seventy-fifth Anniversary of the founding of the Methodist Home for Children. The Home was chartered in March 1899 as the "Methodist Orphanage." The first child was admitted in 1900. The name was changed to "Methodist Home for Children" in 1955. Plans for the appropriate recognition of this Anniversary are in the making but have not been completed at this time.

Signed,

L. Merritt Jones, *President, Board of Trustees*
J. W. Lineberger, *Superintendent*

Paul Edwards called for approval of Section IV, page 80, *Book of Recommendations,* and it was done. L. Merritt Jones, President of the Board of Trustees for the Home presented Lineberger with a plaque of appreciation. Marvin Vick, as the newly appointed Administrator of the Home, asked for the continued prayer and support of the Conference for the Home. Lineberger asked the Conference members to examine the 75th anniversary brochure for the Home given to the delegates at the beginning of the afternoon session. Lineberger highlighted the history of the Home since its founding in 1899. Benjie Minton spoke about his experiences as a resident of the Home for the past ten years and the opportunities it provided for him. Bobby Simpson spoke as President of the Alumni Association of the Home. Cliff Shoaf brought words of appreciation from the trustees of the Home. Will Chadwick of New Bern was recognized as the oldest living trustee of the Home. Bishop Blackburn expressed appreciation for the Home and those who worked with the Home.

Vassar Jones introduced a group of youth from the Murdoch Center, Butner, N. C., who presented a Celebration, "Dance, Dance, Wherever You May Be." Staff members who led the group included Mrs. Pat Willis, Mrs. Virginia Cooper, Chaplain Jim McSwain, Chaplain Harley Cecil and Student Chaplain Charlie Bullock. Harley Cecil expressed appreciation to the Conference for the time on the program for the celebration. Dr. Robert Pitzer brought greetings as executive director of SEMAR.

Edwards spoke of the need for the church to work in the area of Mental Retardation and moved the adoption of Sections I, II, and III of the report, pages 79 and 80, *Book of Recommendations.* These three sections were adopted.

Edwards recognized Joe Coble for a report on the Methodist Retirement Homes, Inc. Edwards moved passage of Section V, page 80, *Book of Recommendations.* Reginald Ponder asked questions

Edwards recognized Joe Coble for a report on the Methodist Retirement Homes, Inc., Edwards said Dr. Kimsey King's name should have been included in Section III, paragraph 1. Bishop Blackburn said this could be included when the report as a whole is voted upon. Edwards moved passage of Section V, page 80, *Book of Recommendations*, Reginald Ponder asked questions

concerning financial arrangements for Methodist Retirement Homes, Inc: 1) "How many persons are on the waiting list for the home in Durham and the home planned for Lumberton?" Answer: about 65. 2) "What is the combined capacity of the two homes and new Health Care Center?" Answer: 400. 3)"What will be the cost of the Lumberton home to the Conference?" Answer: "We have $400,000 from Lumberton, and the remainder will be borrowed." 4)"Will the additional home require any additional operating funds from the North Carolina Conference?" Answer: "Nothing, if they do not choose to do so." 5) "Is it reasonable to venture into expansion without knowing where capital funds are coming from?" Answer: The Methodist Retirement Homes, Inc., according to Coble, only he wants the opportunity to ask for funds, and the Home will only be built when funds are available. Mrs. Joseph Bryant spoke in favor of the motion saying: "Nothing ventured. Nothing gained. We have a home in Durham and one is being built in Lumberton. Facilities are needed in the eastern part of the Conference as well!" Section V was approved. The report was adopted in full, with the inclusion of the name of Dr. Kimsey King as Assistant Administrator in Section III.

DIVISION OF MINISTRY: E. M. Thompson called for Questions 28, 37, 38, 39, 41 and 42. (See Condensed Minutes) They were approved.

MOTION: Walter McDonald offered a motion to establish a Committee to Study the Costs of Travel Relating to Parish Programs. The motion was laid on the table for 24 hours, as the Conference Rules require.

A MOTION TO ESTABLISH A COMMITTEE TO STUDY THE COSTS OF TRAVEL

RELATING TO PARISH PROGRAMS

Whereas travel is an expense necessary for effective programs in each and every parish;

Whereas in the 1973 North Carolina Conference it was reported that in over 51% of the charges no portion of travel expenses was borne by the parish, thereby causing the full travel expense to have been borne by the pastor;

Whereas bearing 100% of parish travel expense creates an inordinate hardship upon low-income pastors;

Whereas there is in the North Carolina Annual Conference no systematic procedure or process by which those charges paying travel allowances derive the amount paid, thus creating situations in which travel allowances may be given in lieu of salary, and

Whereas recent increases of nearly 100% in the cost of gasoline and increases in the purchase price of automobiles have caused sharp rises in parish travel costs;

We, therefore move that there be established, a COST OF PARISH TRAVEL That the said committee shall:

1. A representative from each of the following bodies (elected by each of them respectively): the Cabinet, the Town and Country Committee, the Commission on Equitable Salaries; the Methodist Ministers' Credit Union, the Division of Stewardship, the Division of Lay Life and Work, and the Council on Finance and Administration.
2. Three lay members and three clerical members appointed by the Bishop.

THAT THE SAID COMMITTEE SHALL:

1. Make a study of all policies and programs relating to parish travel operative within the annual conferences of the United Methodist Church.
2. Investigate the travel costs necessary for the effective implementation of parish programs in North Carolina.
3. Present to the 1975 session of the North Carolina Annual Conference for its consideration such policies and procedures as may eventuate in a consistent, equitable, and effective assumption by each parish of full responsibility for the travel necessary to the program of each parish.

RESOLUTIONS: Andy Ringler, youth delegate of the New Bern District, brought resolutions concerning Southeast Asia, Plight of the Farmworker, and Amnesty. These resolutions were laid on the table for 24 hours. (text follows)

SOUTHEAST ASIA

Whereas the United States has been involved with the affairs of Southeast Asia since it superseded the European counties as a major military force in trying to police the world; and
Whereas the tactics have gone so far as illegal warfare in order to prevent self-determination;
Therefore, be it resolved by this Annual Conference that we call for the immediate halt to American participation in hostilities in Southeast Asia and the withdrawal of American military, economic, and political support of military regimes in Southeast Asia.
This resolution is to be sent by the N. C. Conference Secretary to President Richard M. Nixon and the North Carolina Congressional Delegation.

PLIGHT OF THE FARMWORKER

Whereas the farmworkers of today are in a struggle against their exploitation, and
Whereas (From the Social Principles of The United Methodist Church). "We advocate the right to, and applaud their efforts toward responsible self organization and self determination.
Whereas the farmworkers have united for the cause of self organization and self determination, in a union named the United Farm Workers;
Whereas (from The United Methodist Social Creed), "We b elieve in the right and duty of persons to work for the good of themselves and others, and in the protection of their welfare in so doing, in the rights to property as a trust from God, collective bargaining, and in the responsible consumption; and in the elimination of economic and social distress;"
Therefore be it resolved that we support and urge others to support the United Farm Workers by:

1. Joining in the grape and lettuce boycott of non-United Farm Workers produce, including not patronizing stores not using U. F. W. produce.
2. Advocating and disseminating information about the plight of the farmworkers.
3. Participating in United Farm Workers activities: supporting the boycott and directing aid to the farmworkers.

AMNESTY

Whereas the Social Principles of The United Methodist Church states: "We support those individuals who conscientiously oppose all war, or any particular war and who therefore refuse to serve in the armed forces;" and
Whereas. "We believe that war is incompatible with the teachings and example of Christ ... that human values must outweigh military claims as governments determine their priorities," and
Whereas we recognize the right of the individual to answer to the call of his government according to the dictates of his Christian conscience; and
Whereas we recognize that non-violent resistence can be a valid form of Christian witness; and
Whereas war and bloodshed are contrary to the Christian concept of human welfare;" Therefore be it resolved that we support those individuals who conscientiously oppose all war, and therefore

refuse to serve in the armed forces. We thus support amnesty for all draft and war resistors (including those who resisted after induction) and call The United Methodist Church to work on all levels to support amnesty by:

1. Studies of the amnesty question in the light of the United Methodist Church's Social Principles and Christian Doctrine of Brotherhood.
2. Support conscientious resistors with information, prayer, and aid.
3. Sending letters as individual persons, local churches, and as an Annual Conference to President Richard M. Nixon and our Congressional Representatives to show our support of amnesty.
4. Supporting the Bishop's Call to Peace and the Self-Development of Peoples.

RULES: Don Lee Harris brought the report of the committee, pages 67, 68, 69 and 70, *Book of Recommendations.* James Coile, secretary, pointed out changes in the rules.

AMENDMENT: Rufus Stark offered an amendment to Secion III of the Report of the Committee on Rules, page 67, *Book of Recommendations.* (text follows)

A PROPOSAL

Pertaining to election procedures for choosing Delegates for General and Jurisdictional Conference, The North Carolina Conference of the United Methodist Church.

Whereas, the election of lay and clergy delegates to General and Jurisdictional Conference of the Church is a matter of singular importance to the health of the United Methodist Church as people of God; and

Whereas, our present method of balloting was designed for a day when the Annual Conference was small and members knew each other well; and

Whereas, our present method of balloting is extremely time consuming;

Therefore, we propose that the Section III of the Rules of Order and Procedure be amended to read:

Election of delegates to General and Jurisdictional Conferences:

a. Only clerical members in full connection and elected and registered lay delegates may vote. (Alternate lay delegates may not vote except in the absence of the delegates and then only if they are duly registered in lieu of the delegate.)

*b. A preferential nominating ballot in which each member will nominate 10 persons in the order of preference will be taken by mail. (Preferential balloting means that the one nominated in first place gets ten points, the one nominated in second place gets nine points, etc., and the one nominated in tenth place gets one point.)
A letter containing the ballot and instruction for using it shall be mailed out to each member of the Annual Conference by the Conference Secretary on March 1. This ballot will be returned by April 1.

*c. There shall be no election declared on this nominating ballot, but the results of the first ballot will be distributed to each member of the Conference by May 1. The voting, however, would not be restricted to those so nominated.

*d. For every person--who has received 50 points, nominating speeches may be made for no longer than 5 minutes.

*e. Written biographical materials may be distributed to the Conference members.

*f. All *other* votes must be cast in the bar of the conference as determined by the conference; votes must be cast upon the official ballots authorized by the conference; ballots shall be placed by individual delegates in ballot boxes; whereupon the bishop shall declare the balloting closed.

g. The official ballots furnished to the delegates shall be numbered consecutively and no vote shall be valid unless cast upon the ballot bearing the number designated by the presiding officer for such particular balloting. In the event a ballot is defaced, it may

be exchanged at the secretary's desk for another ballot bearing the same number. Ballots furnished to lay delegates shall be different in color from those furnished to clerical delegates.

*These five items are the proposed additions to the present provision.

Norwood Jones asked a question about tenure, paragraph 4, page 68, *Book of Recommendations.* Grier Garrick asked a question about tenures of less than eight years. Charles Myers asked about 7.c.1., page 68, *Book of Recommendations.* Myers wanted "other institutions" inserted here. The Committee accepted the amendment. Robert Cushman moved that Section II, paragraph 1., page 67, *Book of Recommendations* be changed to delete "yes or no" for voting, thus limiting voting to either a show of hands or by standing. Russell Stott spoke against the Cushman motion. The Cushman motion failed to carry. The vote by standing count was 176 against, 145 for.

Action on the report of the committee on rules was delayed until the next day.

A RESOLUTION FROM DIVISION OF MISSIONS

WHEREAS, 43% of the membership of the North Carolina Annual Conference is in churches of 300 or less which comprise 79% of all churches in the North Carolina Conference; and

WHEREAS, traditionally and historically, most of these churches, by virtue of small size and relatively weak financial strength, have been grouped into multi-church charges, sometimes without due regard to the efficiency of available resources; and

WHEREAS, there has been in the minds of many clergy and laity a stigma attached to ministerial appointments and to the status of multi-church charges and small membership churches; and

WHEREAS, congregations of small membership are often apprehensive about their self determination and therefore threatened and defensive; and

WHEREAS, it has been demonstrated that inter-congregational cooperation has been successful in providing stronger leadership, membership, finances, and program; and

WHEREAS, The Bishop, Cabinet Members, and other Conference Leadership have expressed interest in and commitment to inter-congregational cooperation:

THEREFORE BE IT RESOLVED:

1. That the North Carolina Conference commit itself to provide a richer Christian experience for every individual and family through participation in a fully programmed church life. One of the ways this goal may be achieved is through inter-congregational cooperation. This inter-congregational cooperation may be carried out in multiple patterns. These multiple patterns must be determined by the participating congregations on the basis of the need of their members and community. When congregations respond in this manner and participate in cooperative programs in this way, they are taking on characteristics of Parish as described in the **Discipline* 106.3.* (See below).

2. That the small membership churches be assured of their value and strength in the total ministry of our Conference.

3. That it be understood that inter-congregational cooperative activities cannot be restricted to the small membership church, in the realization that larger churches will benefit through cooperative and/or extended ministries.

4. That one of the goals of the North Carolina Conference be that the inter-congregational cooperative parish compare favorably with the larger station parish appointments. Realizing that it will take time for this goal to be achieved the Annual Conference must commit itself to provide enabling resources.

5. That an inter-congregational cooperation training experience be held annually for laity and clergy.

6. That an inter-board committee be appointed to serve as a trained and enabling group to assist in the developement of inter-congregational cooperation. This committee will be amenable to the Town and Country Sub-committee of the Division of Mission and will consist of the following:

A Cabinet representative, Clergy and Laity with expertise in parish developement, Outreach staff person, Town and Country Chairperson representative of the Parish Fellowship, representative of Equitable Salaries, representative of UMW, representative of UMYF, Chairperson of the Division of Mission.

*A parish may be identified as one or more local churches who, because of geographic location or particular needs, coordinate program and organization to fulfill a ministry directed to all the people in the general geographic area. It may include local churches of other denominations. However, those United Methodist Churches involved in the composition of the parish shall be amenable to a Charge Conference, organized according to the Discipline of The United Methodist Church to which minister(s) may be duly appointed or appointable as pastor in charge and associate pastor(s). Some forms of the parish structure include: parish/staff type, extended ministry, enlarged charge, group ministry, yoked field, and federated church."

It becames the responsibility of the Parsonage Committee to work closely with the Board of Trustees in providing an adequate and comfortable residence for the pastor and his famil· More specifically, the parsonage committee should be responsible for parsonage furnish' and generally the inside of the home. The trustees should be responsible for all paintir .d repairs to the house itself and generally repairs to appliances and utility services (wiring, heating, air-conditioning, plumbing, etc.); also, the upkeep of driveways and provision for an adequate lawn mower for the pastor and his family to maintain lawn. Toward these ends, the Parsonage Committee and Trustees should meet regularly and as needed."

"At this point, it should be noted that more and more parsonage families are accumulating furniture of their own, particularly bedroom furniture, and local church committees should be sympathetic to this desire to make a parsonage feel like "home" instead of borrowed quarters."
3. "I move that on p. 86, under the section entitled "THE FURNISHINGS", that the next line should be made to read in this fashion:
"The pastoral charge, or the church owning the parsonage, should be willing to provide:"

Ponder clarified his motion to say it was only for this quadrennium, but it could be a permanent position if the Conference so wished. Ralph Fleming raised a point of order and moved that the rules be suspended in order to consider the Ponder motion. The rules were suspended and the Ponder motion passed. James Auman was nominated but asked to have his name withdrawn. Kimsey King was nominated. King again expressed appreciation, but reiterated that he could not fulfill the responsibilities of the

Secretary and his new appointment. King moved that James Coile be elected by acclamation. It was done. The amendment lost. Reginald Ponder made an amendment to the paragraph headed "Delinquent Premium Payments" delete: "immediately" add: "The minister of the charge and the District Superintendent must be notified 10 days prior to the termination of the policy by first-class mail, as to the payment delinquency of the charge and/or the minister." THE COMMITTEE ON DISTRICT CONFERENCE RECORDS

The committee has examined the district records for ten of the twelve districts and we find most of them to be in order.

We would like to remind those who are responsible for the district conference records that all minutes should be in the binder, the most current reports be placed at the front of the binder, that inside tabs be used to designate years, and that no more than six years of reports be in the binders.

Since no guidelines have been set for district Conference records, we recommend that the Annual Conference adopt the following guidelines for reports to be included in the district conference record books:

1. The minutes for the district conference.
2. The district superintendent's annual report.

3. The attendance records by churches.
4. The book of reports.
5. That all district conference records beyond six years be placed in the repository of the Conference Committee on Archives and History.

The report of the committee on District Conference Records was adopted.

COMMITTEE ON ENTERTAINMENT: Tom Collins gave the report and encouraged advance planning for the joint session at Duke University in 1976, with preliminary reports to be brought before the Annual Conference in 1975. Mrs. Richard Pearce and Mrs. Blackburn were given a special round of applause.

RESOLUTION
COMMITTEE ON RESOLUTIONS AND REFERENCES

On behalf of the North Carolina Conference of the United Methodist Church the Committee on Resolutions and References expresses sincere appreciation to Methodist College for hosting our one hundred and forty-ninth session. We have been especially aware of the beautiful grounds and clean lovely buildings. We felt on the very first day the warm song of welcome sung by the well-known trio of Dr. Richard W. Pearce, President of The College; The Honorable Jackson F. Lee, Mayor of the City of Fayetteville; Dr. N.W. Grant, Host Superintendent.

We took note of the fact that The Welcome of the Burlington District was not diluted by distance but was even more fervent. We join our voices as one to say: "Thank You, Bill Lowdermilk, and Your Committee on Entertainment for serving us so well and with such graciousness."

We say to those who helped in the Cafeteria: "You have served us well." The meals were outstanding. We commend the various agencies for displays that added to our understanding of their work.

We gratefully acknowledge the use of the Allen 600 Series Computer Organ furnished by The Allen Organ Company, Rocky Mount.

To The North Carolina Conference Chapter of the Fellowship of the United Methodist Musicians, Roger Searles, Chairperson, we say, you have achieved a new mark of excellence in providing music for the services of our Annual Conference. We are most appreciative. We express gratitude to The Planning Committee for continuing the practice of evening worship services.

We commend the reporters of the *Durham Morning-Herald,* The Raleigh *News and Observer,* and The *Fayetteville Observer,* who effectively shared the work of our Conference.

We thank the youth of this Conference for their presence and keen participation in this Conference. We urge them, "Right on! Right on!"

We thank from the bottom, the very bottom of our hearts the staff and workers of The Murdoch Center at Butner for sharing with us their beautiful children and young persons. It was a dance of beauty and will be to us a joy forever.

We must mention with thanks those who planned and carried out the Memorial Service, done with honesty and integrity. Dr. J.V. Early preached a splendid sermon. But in all fairness, we must say Reverend Willis Stevens made the best speech of his life.

We thank that scientist and philosopher, Dr. George Schweitzer, for showing all of us what it means to swing from star to star in preaching the resurrection of Jesus Christ.

We give thanks to Almighty God for our Bishop, who has presided over our Conference in such a brotherly and fair manner. We thank him for his excellent and positive State of the Church Address and we express the hope that this practice will continue. Your Committee has done some research on Bishop Blackburn's middle initial "M." The latest poll reveals that his name should read Bishop Robert "Move'em" Blackburn. We give heartfelt and deep thanks to our bishop for inspiring our

hearts and for strengthening us by his love.

To Mary Jeanne Blackburn we say: "Thank you for knowing so many of us and calling us by name. Your presence has added a dimension of joy, warmth, and blessedness to our Conference."

We cannot conclude this without saying to Reverend Kimsey King and his staff, "Well done, good and faithful servants."

We give thanks for each minister and each layperson who has attended this Conference because one of our greatest blessings has been each other.

To all who have contributed to this 149th session, we hereby express appreciation and for all of the high favors and blessings we have mentioned and for all of those known only to each person, we accept these blessings with Thanksgiving from our Lord and Savior Jesus Christ who is the source of every good gift. Amen.

Herman Winberry, *Chairperson*
E.M. Thompson, *Secretary*

The Conference was now back to the Bunn amendment. HAROLD DEFORREST MINOR
1925-1972

Harold D. Minor was born in Lake City, Iowa November 16, 1925. He died studdenly and unexpectedly of a heart attack on November 21, 1972 in Parkview Hospital, Nashville, Tennessee. Memorial services were held at the United Methodist Publishing House, Adams Presbyterian Church and Belmont Methodist Church all in Nashville.

The Reverend Mr. Minor's last gift to his fellowman was the gift of his body to the Vanderbilt Medical School, Vanderbilt University for medical research. His library was given to the Divinity School of Vanderbilt University.

Following his decision for the ministry, Harold entered Morningside College, Sioux City, Iowa from which he graduated *Cum Laude* in 1947 whereupon he begun his training at Garrett Theological Seminary, Evanston, Illinois. At Garrett he sang in the choir and was a director of the Inter-Seminary Movement. He served for two years as pastor of the Methodist Church in South Elgin, Illinois. He graduated from Garrett in 1951.

Mr. Minor is survived by his widow, the former Mary Ruth Thompson of North Carolina and three sons, Michael S. of Washington D.C., Sterling A. of Durham, N.C., and Gary B. of Franklin, Tennessee.

Harold was received in the North Carolina Conference by transfer from the North Iowa Conference, November 1, 1953, and appointed to the Faison Charge. He was appointed the first full-time Director of Adult Education for the North Carolina Conference in 1956, and to the General Board of Education, Curriculum Division, Nashville, Tennessee in 1961 as assistant Editor of Adult Publications.

Harold's concern for genuine *Christian* education of adults was best expressed in his book *New Ways For A New Day* (1965 Graded Press): "If our hearts are hardened and our minds closed, we will fail our personal vocation, our church's mission, and our Lord's commission: 'Go therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all that I have commanded you; and lo, I am with you always, to the close of the age' (Matthew 28:19-20). But if our hearts are committed to God's mission and our minds are open to the leading of the Holy Spirit, one can hardly imagine the Christian revolution that may occur."

In addition to *New Ways for A New Day*, he edited two other books, *Creative Procedures for Adult Groups,* which he dedicated "To Mary Ruth and our three sons, Mike, Sterling, and Gary", and *Techniques and Resources for Guiding Adult Groups.* Numerous articles by him appeared in several church periodicals, and he was always in demand across the church for leadership events, interpreting the role of adult education and resources for learning.

A warm, thoughtful, dedicated Christian educator, he was editor of *Adult Leader* for ten years. Through these vignette quotations, we see his gentle spirit: "We grow through struggle and overcoming, by being stretched and resisted and surrounded. To overcome, we need a dream big enough to lift our sights beyond the barriers. And we need reliance upon a Creator who is making us in His image. Fear paralyzes. When we are afraid of rejection or ridicule, our words and actions, even our thoughts, are blocked, freedom of expression is impossible. Creativity is lost. Tension rules and inhibits us. But love, expressed in words of appreciation or caressing touch, frees our life forces. One who can communicate love can truly give new life to another ... (*The Christian Home,* March, 1973). His last article appeared in *The Church School* May, 1973.

A short time prior to his death, Harold had asked Dr. Thomas A. Langford, Dean of the Divinity School, Duke University to write an article on the resurrection. After talking with Harold, Dean Langford wrote: "What I had known was reinforced: Harold was a religious man,

a man who struggled to live, and a man who tried to serve others. He was rather self-effacing, sometimes wrong, but resilient and determined. Now he is dead, but before he died he had asked that I write about the resurrection.–Harold has died. The loss is real, but his death also bears witness to the resurrection life we have in Christ." JAKIE LOCKLEAR, JR.
1912-1973

The Reverend Jakie Locklear, Jr. was born on December 11, 1912, in the Prospect Community, Robeson County.

He was married to Miss Mary Alice Harris of Route 3, Maxton, North Carolina. Two daughters were born to this marriage, Mrs. Herbert Roberts and Mrs. Eugene Buckner. Both are living near their mother in the Prospect community. The life span of Reverend Locklear was 61 years. He died in Atlanta, Georgia while attending a Conference on Evangelism. He suffered a fatal heart attack at the evening service held in the Stadium.

Funeral services were conducted on Friday afternoon, June 22, 1973 at the Prospect United Methodist Church by The Reverend Simeon F. Cummings, assisted by The Reverend Harvey Lowry, The Reverend Robert L. Mangum and Dr. Joyce V. Early. Interment took place in the New Prospect Community Cemetery. His funeral was well attended by many of his friends.

He was graduated from the Prospect High School. He attended Pembroke State University. In addition he attended the Pastors School at Duke University Divinity School for five summers. He received his Local Preacher's License in 1953, his Deacon's Orders in 1957 and was admitted into Associate Membership in 1969.

Reverend Locklear served and worked faithfully at the Branch Street-Philadelphus Charge. Other Charges he served in the North Carolina Conference are: Sandy Plains, Ashpole-Pleasant Grove, Fairview-Hickory Grove and Collins Chapel.

It has been my privilege and pleasure to know Reverend Jakie Locklear and to be closely associated with him in the pastoral ministry. During all these years I found him to be a man called to preach. He was a man of genuine sincerity, loyal devotion, strong faith and deep spiritual insight. He was a good preacher, a compassionate pastor and an evangelist. He was a devoted husband and a loving father. He knew, loved and served the Lord with joy and gladness. Best of all he loved to sing the gospel into the hearts of his audience.

He was faithful to the end, he fought a good fight, he kept the faith and he finished the course in this world. Jesus said, "Be thou faithful unto death and I will give thee a Crown of Life." Our Brother in Christ was faithful. We have faith to believe that he will receive the Crown of Life.

"Servant of God, well done. Thy glorious warfare's past;
The battle's fought, the race is won and thou are crowned at last."

HARRIS FREO SURRATT
1890-1973

The Reverend Harris Freo Surratt was born in Davidson County, near Jackson Hill, North Carolina, July 16, 1890, a son of Cicero Harris Surratt and Rosalie Bischerer Surratt. He graduated from Western Maryland College and Westminster Theological Seminary, Westminster, Maryland. The Westminster Theological Seminary is now Wesley Theological Seminary, Washington, D.C.

On November 15, 1922 in Grace Methodist Protestant Church, Greensboro, North Carolina, he married Miss Herati Coe. She died on June 6, 1962 in Durham, North Carolina, where they had lived since Brother Surratt retired in 1957. After a long period of failing health, he died at Memorial Hospital, Lexington, North Carolina, June 26, 1973. His funeral service was held at Central United Methodist Church, Denton, North Carolina, June 27, 1973, by the Reverend Gilbert Miller, pastor of the church. Interment was in Mountain View Memorial Gardens Cemetery, Denton, with Masonic graveside rites. (A few days thereafter the body of Mrs. Surratt was moved from the New Annex of Maplewood Cemetery, Durham, and re-interred beside him).

He is survived by one brother, Cone Theo Surratt, who lives in Denton.

He joined the North Carolina Conference of the former Methodist Protestant Church in 1917 at Mebane, North Carolina, and was ordained an elder in 1918. He served the following appointments in that conference: 1917-1919–Orange Circuit, 1920-1922–Whitakers, 1923-1927–Charlotte, First Church, 1928-1929–Winston, First Church, 1930–Student, Yale University, 1931–Enfield-Whitakers, 1932-1934–Thomasville Central Church, 1935-1938–Graham, First Church. With unification in 1939 he became a member of the North Carolina Conference of The Methodist Church, and served the following appointments in that conference: 1939-1942–Windsor, 1943-1946–Edenton-Windsor, 1947-1948–Tabor City, 1949-1950–Rich Square, 1951-1952–Kenly, 1953-1955–Rocky Mount, Clark Street, 1956–Four Oaks, 1957–Retired; After retirement he served as Pastor of Visitation at Asbury Methodist Church, Durham.

Thus, one sees that Brother Surratt served for forty years in the active ministry. They were years of faithful labors and his ministry was effective in all the areas of the Church's mission. He was a good gospel preacher and his sermon illustrations were centered in the scriptures, magnifying the love of God and the redeeming grace of Christ. His delivery was of a mild manner and the substance of his messages was inspiring and challenging.

He was a devoted shepherd to his people, ever mindful of all their needs. He and his good wife worked as a team and the people loved them for their attentive ministrations. They found a special delight in working with the children and youth.

Brother Surratt had a quiet dignity about him and walked unassumingly along the pathway of privilege and duty. He performed his daily work with a calm assurance that he was always about his Father's business, ever seeking to know and to do His will. His life was characterized by simplicity and sincerity, which are attributes at the heart of integrity.

Though dead, he still lives through the good deeds he did, the transforming gospel he preached, and the godly influence he exerted.

Doubtless, he could have spoken of his Home-going in these words of Studdert Kennedy:

"So I looked up to God,
And while I held my breath
I saw Him slowly nod,
And knew—as I had never known aught else,
With certainty sublime and passionate,
Shot through and through
With sheer unutterable bliss,
I knew
There was no death but this,
God's kiss,
And then the waking to an Everlasting Love."

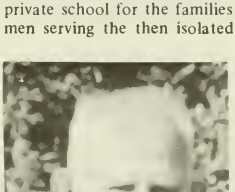
LOUIS DEMARO HAYMAN II
1885-1973

Louis Demaro Hayman II, the son of Daniel William Hayman II and Mary Elizabeth Perry Hayman, was born at Kitty Hawk, North Carolina, on January 8, 1885. His first school was a private school for the families of coastguardsmen afforded to his father and the other guardsmen serving the then isolated area known as the Outer Banks of North Carolina. The public schools of Dare County were the prelude to his college work at Trinity College, Durham, where he won his A.B. (1913) and B.S. (1919) degrees.



Louis was truly a "son of John Wesley." His first church relationship was in the Kitty Hawk Methodist, a church which had been organized by an Irish immigrant, Eliza Murphy Hobbs and Daniel W. Hayman II, as the first Methodist Sunday School and then the first Methodist church on the outer banks.

Apparently Louis felt the call to preach at a very tender age, for when he was about five years old he was gathering the local children in order to preach them a sermon. Sometimes, in lieu of a warmer congregation, he would align sticks of stovewood and facing this attentive audience he would again take his text and open it. No conversions were noted here.

He was admitted to the membership in the North Carolina Conference at Elizabeth City in 1910. He was ordained as deacon in 1911 and elder in 1914. For more than forty years he was faithful to his calling and ministry. Those pastorates he served were Windsor (1913), Calvary, Durham (1917), Weldon (1919), Washington (1923), Trinity, Wilmington (1925), Troy (1926), West Front Street, Burlington (1929), Steele Street, Sanford (1931), Nashville (1933), Ann Street, Beaufort (1937), Atlantic (1939), Whiteville (1943), Southport (1947), and Carolina Beach (1950). He retired in 1953.

Following retirement, Louis and his wife Bess built and christened "Dunmoving" and moved for the next to the last time into their little home at Southport. But Brother Hayman was called out of retirement in the 1957-58 Conference year to organize a new congregation at the promising sea-side resort of Yaupon Village. The church was orgainzed and a building completed. This church, now called Ocean View United Methodist Church, is a thriving congregation, numbering 348 souls in 1973.

From his first appointment until his last; from Lakewood, Durham, to Ocean View, Yaupon Beach, Louis was a building preacher. From Troy to the sea, several congregations are now worshipping in churches organized and built under the leadership of Louis D. Hayman II.

While a student at Trinity College, Louis met the lovely young lady who was to be his parsonage partner for life, Bessie Lucretia Widenhouse. They were married at Concord on August 18, 1915, by Brother W. T. Albright, a brother-in-law to Mrs. Hayman, and a Methodist preacher of the Western North Carolina Conference. Of this union there were two children, a duaghter, Beryl, (now deceased) and a son, Dr. Louis Demaro Hayman III of Jacksonville, North Carolina. Brother Louis' widow Bess is presently at the Methodist Retirement Home in Durham. The other surviving members of his family are two sisters, Mrs. Cynthia Aguire and Mrs. Rosalind Swain, both of Kitty Hawk.

Next to his Lord, his Bess and family, and his Methodist church, Louis loved the sea with its moods, climates, and attendant interests. He was a builder of boats and a fisherman of no mean ability. Folks who fished with him came to appreciate the art and labor of the fisherman. To fish a day with Mr. Hayman was at one and the same time an anguish and a joy. The labor of the first "haul" and the promise of the next were indicators of these emotions. His boats were creations in themselves. He had the uncanny know-how of building a boat so that she was as seaworthy and useful as a boat should be.

In 1970, the Haymans moved to our retirement home in Durham where until his death on August 22, 1973, Brother Hayman lived in a state of declining health and activity.

Funeral services were conducted in the Hall-Wynn Mortuary in Durham on August 23, by the Reverends Joseph Coble, Superintendent of the Retirement Home, and Russell Knowles, pastor of New Sharon Church in the Burlington District. Interment followed on the same day in the Ocean View Cemetery on Yaupon Street in Beaufort. The Reverend R. L. Nicks, pastor of the Ann Street Methodist Church in Beaufort joined The Reverends Mr. Coble and Knowles for the interment service.

In the light of the creative activity of God and the Resurrection of our Lord Jesus Christ, it is difficult to write "finished" to such a life. In his own words drawn from a letter written by Brother Hayman concerning his "prospects" he pens,

> "I shall not return again to the sea for commercial purposes . . . and once in a while I will trek thitherward for renewal of the urge and fire that never will go out until I close on the beautiful scenery of this fishing world to reopen in a land beyond, where the nets are better, fish are bigger, goldenribbed boats to let, and angels to wait on you while you revel in what is now a 'shadow of things to come.' "

In an effort to express my estimate of this life now joined with heaven, I offer this tribute:

L'ENVOI

A barque has weighed its anchor
It's compass course is Home.
The sails are set for Heaven,
The tiller grip is strong.
No loss to clear this haven
For that yet-out-of-sight
For faith has caught the Vision
Of the Port of Sheer Delight.

And though at time of parting
Those left behind are sad,
Other friends have made the Westing
And the mooring will be glad.
For the Master will be waiting
At this last Port-O-Call;
He'll grant to him snug harbor
And a joy-filled "Welcome Home."

HERSEY EVERETT SPENCE
1882-1973

Hersey Everett Spence was born June 12, 1882, near South Mills, North Carolina–the son of a farmer, Joseph Newton Spence and mother, Lucy Indiana Spence. According to his own testimony, Hersey spent his childhood fishing, trapping, hunting and reading. He was the youngest of five children, with two older brothers, and with them he did not escape the rugged chores of farm life. Indeed, he surprises us with the word that he worked on the farm until he was twenty-one years of age; nor did the challenge of the soil or his horticultural know-how ever leave him!

Even by contemporary standards his primary schooling was meager. Not till the age of ten did the farm boy attend the country school and, then, only for the annual three months term. He had but one year of high school training, yet in those years he studied in "spare hours" and "recited to Mr. E. T. Burgess on Saturday afternoons at South Mills." With this tutoring he was, nonetheless, able to matriculate at Trinity College in 1903 and to graduate in four years, in 1907, with the B.A. degree, with honors in Classics and English, and with the coveted Phi Beta Kappa–thenceforth to be worn by chain on his lapel. Enrolling as candidate for the M.A. degree in English, he was awarded that degree in 1908. Such was his remarkable progress and evident promise that he was immediately appointed by President John Carlisle Kilgo as instructor in English (1908-10), and in 1910 he was promoted to the rank of Assistant Professor of English Literature, serving until 1913. Thus, he

was a staff member at the time of the famous Bassett Case and Kilgo's eloquent defense of academic freedom.

Such, in barest outline, are the academic beginnings of the professor who was to play a large and influential role in the formative years of Trinity College and Duke University and whose memoirs of the period, published in 1954 under the title *I Remember* (Seeman, Durham, N.C.), will remain an intimately colorful account of the era from Kilgo, through W. P. Few, to the maturation of Duke University in the fifties.

Yet Hersey Spence was ambidextrous and quite as much a churchman and minister as an academic. Indeed, from the year he became a member of McBryde's Methodist Church, near South Mills in 1895, he mated Christian commitment with aspiring learning and helped to formulate the presiding motto of Duke University. In 1902 he was licensed as a local preacher, and preached; and did so weekly over the next sixty years.

Coincident with the year of his graduation from college, he was admitted to membership in the North Carolina Annual Conference (1907). During the same year he studied for his Master's degree he was regularly appointed pastor of Epworth Church, Raleigh (1907-08). Helpfully to him, he became minister-in-charge at Mangum Street, Durham (now Calvary United Methodist Church) for the years 1908-10 and while instructor at Trinity College. As assistant professor (1910-13), he was without appointment. Apparently, having resigned his teaching duties at Trinity, in the years 1913-16 he was appointed minister of Steele Street Methodist Church, Sanford, N.C. During the war years 1916-18, Hersey Spence served as Executive Secretary of the Board of Education of the North Carolina Conference and acquired an interest and competence which was to become the focus of his academic contribution of subsequent years. For twenty-five of thirty-five years membership on the Board, he served as chairman and helped to lay foundations for the educational concerns that have since characterized Conference planning and effort.

In 1918, by invitation of William Preston Few, Spence accepted reappointment to Trinity College as Professor of Religious Education and Biblical Literature. With the establishment of Duke University by the Indenture of James B. Duke, he was appointed to the faculty of the recently opened Divinity School (1926) in the year 1928 as Professor of Religious Education. Thereafter, he served in that position until his retirement, with the lasting esteem of colleagues, in June of 1952 and in the deanship of James Cannon III. So he completed thirty-nine years as beloved teacher in Trinity College and Duke University.

Upon retirement Dr. and Mrs. Spence were actively engaged in the summer ministry of the Blowing Rock Methodist Church and continued in that ministry throughout the fifties. In the early sixties their home on Hope Valley Road, Durham, was destroyed by fire. They took up residence at the new Methodist Retirement Home where Dr. Spence informally continued his ministry of unfailing cheer until his death September 30, 1973. A few days later, Mrs. Spence, who for many months had been in poor health, followed her husband to "the Land that is fairer than day." Dr. Spence had been wedded to Bessie Octavia Whitted of Durham, N.C., October 4, 1913, as he assumed his Sanford ministry. Mrs. Spence was an alumna of Trinity College and held three degrees from Trinity and Duke, including a B.D. from the Divinity School. For many years she was a teacher in the Department of Religion of Duke University and retired in 1952 with her husband. The Spences had no children save the legion of young lives their teaching had touched. During his academic career Dr. Spence received two honorary degrees, from Asbury and from High Point College in deserved recognition of the vast range of his influence as a Christian writer and teacher.

Such in briefest sketch is the bare pattern of an ebullient Christian and dedicated life. Rare was Dr. Spence's joyous consciousness of the goodness of God and of God's creation into the riches of which he probed all his lifelong with thanksgiving. Above all, perhaps, he was known for his compassion–a mindfulness of the needs but, also, of the worth of others. For him life was God's gift for worshipful celebration.

Finally, "the *memory* of the righteous is blessed."

And so is the recollection of his life-long companion Bessie Whitted Spence: retired teacher of religion in Trinity College, gracious homemaker, and friend of hundreds. Solicitous always, Dr. Spence watched her slow decline and, anticipating the end, wrote this sonnet last spring and gave me a final corrected copy.

At Parting

So you must go! What fit phrase can I use
At parting? Since such loveliness I lose.
I cannot, will not, speak the word farewell;
'Tis loveless, lifeless as funeral knell,
Nor aurevoir, nor yet auf Widershehen
Since your fair face I shall not see again.
Good bye means God be with you, 'tis a prayer
Consigning you to heaven's unfailing care.
Dear One, God shield you from the shades of night,
Temper day's glare lest it should prove too bright;
Make gains and losses blend in your release;
Lead you in paths of everlasting peace.
That is my prayer, Dear Heart, and that is why
I whisper as we part, Sweet Girl, Good bye.

Although he preceeded *her* a week in death their mortal remains rest near each other in the old section of Maplewood Cemetery in Durham, North Carolina.

ROLAND STANLEY MURPHY
1935-1974

Roland Stanley Murphy was born October 20, 1935, in Pitt County. He is survived by his wife, Mrs. Huldah Irene Grant Murphy, and a son, Scott, of the home.

Brother Murphy died January 29, 1974, in a Kinston hospital, at the age of 38. Funeral services were conducted by the writer, assisted by The Reverend D. W. Charlton, a former pastor who had had much influence on Brother Murphy's call to the ministry. Interment was in the cemetery of his home town of Farmville.

The large funeral attendance attested the esteem with which he was held.

Although he lived only 38 years and had only 42 months in the ministry, he lived a full and witnessing life. His ministry was about the length of our Lord's earthly ministry.

Brother Murphy received his first appointment in 1970 and was appointed to the Kinston Circuit which he served faithfully and effectively for three years. At the time of sudden and untimely death, he was in his first year as pastor of the Vanceboro Circuit.

Before Brother Murphy answered the call to the ministry he had had an outstanding experience and training as a salesman. He gave up business and home to preach Christ and the Gospel and win souls. He loved being a preacher, a proclaimer of Christ and the Gospel. He was an articulate preacher. He was a good pastor. His people responded to his dedicated life and leadership.

There is nothing so warm and thrilling as a heart committed to Jesus Christ as one's personal Saviour and Lord. Roland was a committed man. He knew the joy of the "great salvation." He has gone to be with the Lord he loved. Many people are better and the world is better because he lived and served. We rise up to call him blessed. We ask God's continued presence and blessings to be with his family.

—H. M. McLamb

HORACE GREELY RIDAUGHT
1903-1974

Horace Greely Ridaught ended his earthly ministry to God and his people by the angel of God "whose I am, and who I served". It was in such faith and spirit that served his people.

Horace was born in Putnam County, Johnson, Florida, March 18, 1903. His father was John Ridaught, his mother Tabitha Elizabeth Stokes Ridaught. He has three brothers deceased and one living in Palatka, Florida.

At the age of eleven years he knew he wanted to be a minister, a servant for God. At the age of sixteen he was officiating in several Baptist churches. He was pastor of the Orange Springs, Florida Baptist church. A hint as to how he qualified for this church may be found in one of the interesting anecdotes in his book, *Hell's Branch Office*, which tells how he won a coveted prize of a Bible and a twenty dollar gold piece in Sunday School at a local Presbyterian church, when he was twelve years old, by memorizing the twenty-eight page Catechism in five hours. As a result, he received letters of commendation from all over the South and a scholarship which enabled him to go to college.

Horace attended the public schools of the County and Norman Park Junior College, graduating in 1925, after which he attended Mercer Univeristy, also the University of Gainesville, Florida and Duke University. On finishing his schooling at Norman Junior College and Mercer University, his first job was teaching grades one through eight at Turner Farm, Citra, Florida for two years.

In 1941 he bought eight acres of land at Citra, Florida which he increased to 185 acres. In 1943 he married Addie Jessie Dixon, and in 1944-1945 he built his ranch style home at Citra, Florida. He was a man of many talents. He was a cattleman, a vegetable farmer, a salesman, a meat cutter, a teacher, and minister, the last two being what he loved.

In 1949 and 1950 he was employed by Bankers Life & Casualty Company and led the state in the sale of Health & Accident Insurance.

In December 1962, Horace, his wife and daughter (now Mrs. Virginia Ridaught Strickland) united with the Methodist church in Pembroke. In March of 1963 he and his family moved to Clinton. The Mission Board purchased five acres of land on Highway 421 and soon a Mission church was erected where he served up until his death, February 1, 1974. All who knew Horace will long remember his love for others and especially his love for the Church. His quick wit made it a joy to be in his presence. His faith, encouraging words and persistent love and trust in humanity was monumental. Yet, the simplicity of his trust and faith in God was almost mystic. "He lived more in his seventy years than many will live in one hundred years." It would be impossible to evaluate his life or to estimate his influence for good or to measure the help he furnished friends, his family, and the Church.

He is survived by his wife Addie Dixon Ridaught, one daughter, Virginia Ridaught Strickland, and one grandson.

We shall miss Horace very much, but let us not mourn too deeply, rather let us give thanks to God for Horace and his good work: for his love and guidance and the fellowship he shared with his church and fellowman.

During his illness he fought bravely and cheerfully. He never lost his faith or hope and his great desire to live until December, 1974, when he would have given the Lord 55 years of service, the past eleven years being with the Methodist Church.

The funeral service was conducted by pastors and long time friends, Robert Mangum of Pembroke and Mike Cummings of Clinton. He was buried in New Bethel Church Memorial Gardens.

"Then sings my soul, My savior God to Thee
How Great thou art, how great thou art."

—A. D. Ridaught

ERNEST CREASY DURHAM
1888-1974

Brother Ernest Creasy Durham was born June 2, 1888 the son of Isaac W. and Sarah Durham of Chatham County, N.C. Quite early in life he felt his hea.. strangely warmed through a call to the ministry. He answered the call by attending Trinity College where he graduated in 1914. On July 23 of that year he married Roberta Womble of Lee County. They were privileged to share a wonderful companionship for the next sixty years.

Their ministry during the next thirty years was shared with the people of the following charges: Mebane, Vandemere, Stonewall, Goldsboro, Vanceboro, Cedar Grove, Burlington, Clinton, Warrenton, Carthage, Creedmoor, Fuquay and Tarboro. During this ministry four children came to share and bless their home. First, there was Ralph Kilgo, who shared with them for only 17 months. Dwight Womble was the second son, now employed by DuPont in Wilmington, Delaware. Daughters surviving are Mrs. Edwin Green (Ruth Arden) of Raleigh; and Mrs. Martin Lyles (Nell Marie) of Rocky Mount. In 1944, after a long illness, Brother Durham decided to retire, and they moved to 1316 Mordecai Drive, Raleigh, N.C.

For many years he had been a prolific writer and his poems had appeared in the News And Observer, the Raleigh Times and the Christian Advocate. In 1948 he compiled many of his best known poems in a volume titled *Poems Of A Lifetime.* Bishop W. W. Peele wrote in the "Words Of Introduction": "I have known Ernest C. Durham through the years and have been greatly impressed with the perfect blending of his warm heart and intellectual insight, two qualifications of a real poet." Brother Durham also found time to serve as Chaplain of the Senate of the North Carolina Legislature for 16 years. He was a gifted artist and shared his talents with many people.

Brother Durham and the writer lived in the same block of Mordecai Drive, and we saw each other almost daily. He preached his last sermon in Trinity United Methodist Church on June 2, 1968, his eightieth birthday. Because of an injury, suffered in a fall, he and Mrs. Durham sold their home and moved to the Kinton Rest Home in Fuquay-Varina in February, 1973. He was a patient at Wake Memorial Hospital in Raleigh when he quietly passed away on Sunday, February 3, 1974.

Funeral Services were held at Trinity United Methodist Church at 10 o'clock on Tuesday, February 5th with the Reverend Jack Page, the Reverend Claude Chaffin, the Reverend Jesse Bone and the Reverend John R. Poe conducting the service. Interment was in Montlawn Memorial Park in Raleigh. From the closing poem in his book we quote:

Sunset! and all across the west
Are broken clouds and light;
The stroms are gone, and now comes rest;
I do not fear the night.

'Tis not the end of perfect day:
Storms came and brought me fear;
But in the dark I learned to pray,
And found the Father near.

And now that all life's storms have passed,
And I see sunset's glow,
I've found a perfect peace at last;
I'm not afraid to go.

–John R. Poe

ETHERIDGE MERRELL RHINER
1922-1974

It seems significant that on Valentine's Day, February 14, 1954, Etheridge Merrell Rhiner should hear and heed God's call to the ministry and "give heart and mind and soul and strength to serve the King of kings." There is little doubt that his heart, kept pliable by the beautiful influence of his dedicated Christian mother, had for some time struggled over the tender, persistent call of God. But on Valentine's Day, as he assisted other Christian laymen in a special service of worship, the call was again heard and the decision was made. Though Etheridge was already thirty-one years old, the decision to become a preacher of the Gospel was firm because the calling was sure. Certainly these lines from Gerhard Tersteegen, the great hymn-writer of the Reformed Church in Germany, are appropriate in his memoirs:

"God calling yet! Shall I not rise?
Can I His loving voice despise,
And basely His kind care repay?
He calls me still; can I delay?
God calling yet! I cannot stay;
My heart I yield without delay;
Vain world, farewell, from thee I part;
The voice of God hath reached my heart."

Etheridge Merrell Rhiner was born in Godwin, North Carolina, December 6, 1922. Before completing high school, he was encouraged and persuaded by his ability, interest, and friends to pursue a career in baseball and for several years played in the semi-pro leagues. Prior to entering the ministry he was employed by Sears, Roebuck and Company.

On October 7, 1945, he was married to Verna Turlington of Coats, North Carolina, and to this happy union were born two sons: Wayne and Gregory, and one daughter: Brenda. Brother Rhiner was a good and devoted husband and father and consequently the family developed and possessed a deep and abiding love.

At the age of thirty-two, Etheridge resumed studies to complete the requirements for a high school diploma and during the period of the next nine years, while supporting a wife and three children, received the A.A. degree from Campbell College, graduated from Atlantic Christian College with an A.B. degree and from Duke University Divinity School with a B.D. degree.

Etheridge grew up in the Baptist Church and served three pastorates in that denomination before coming to The Methodist Church in 1960. He was admitted on trial in the North Carolina Conference in 1960 and ordained a deacon. Three years later he was ordained an elder. His first appointment, while attending Duke Divinity School, was City Road at Henderson. Thereafter he served as pastor of the following Charges: Princeton, Cokesbury at Raleigh, Hawkins-Tabor, and Four Oaks.

Brother Rhiner, in his fourth year at Four Oaks, suffered a severe heart attack at his home on Christmas Eve, 1973. After several weeks of hospitaliztion and several more weeks of convalescence at home, under the loving care of his faithful and devoted wife, he was permitted to preach again on March 17, 1974. On Saturday afternoon, March 23, as he and Verna were about to take one of their regular afternoon strolls, his weakened heart was struck again and he died before reaching the Johnston Memorial Hospital at Smithfield.

Funeral services were conducted on Monday, March 25, 1974, from the Four Oaks United Methodist Church by his District Superintendent, Reverend Albert F. Fisher. Burial was in The Devotional Gardens at Dunn, North Carolina.

In addition to his wife and three children, he is survived by one sister, Mrs. Randall Baker of Baltimore, Maryland; one brother, Hugh S. Rhiner of Godwin, North Carolina; his mother, Mrs. Estalene Cook Rhiner of Godwin, North Carolina; and his father, Weldon Rhiner of Wachula, Florida.

Brother Rhiner was a good and faithful minister of the gospel of Our Lord, Jesus Christ. Lost souls were saved through his evangelistic preaching and the church was edified through

every aspect of his ministry. The conclusion of his earthly life and ministry at this Lenten Season prompts the use of a stanza from one of the great poems by William C. Doane:

"(His) Lent is over, and (his) Easter won,
Waiting till over paradise the sun
Shall rise in majesty, and life begun
Shall grow in glory, as the perfect day
Moves on, to hold its endless, deathless sway."

MACK DONALD MCLAMB
1886–1974

Reverend M.D. McLamb was born September 1, 1886 in Brunswick County, North Carolina. He was the son of Lewis Joseph McLamb and Mary Katherine Stanley McLamb.

In his early years he was a school teacher. In 1920 he entered the Methodist ministry at Kitty Hawk, N.C. He served many pastorates in Eastern North Carolina. After retiring from the ministry in 1960 from churches in Robbins, N.C., he served two years at Community Church in Rockingham. He was married to Fanny Galloway in his early ministry, and to this union was born one son, Edwin D. McLamb who survives. He was married to Mrs. Katie Henry McLamb in 1962, and she gave him her constant care and attention until his death in Lee County Hospital in Sanford, N.C. April 12, 1974.

His funeral was conducted from East Rockingham United Methodist Church on Easter afternoon, April 14, by The Reverend Dr. J.V. Early, Superintendent of the Rockingham District, and the writer of this memoir. I served as his pastor for almost seven years.

Brother McLamb was a gentle man and "the law of kindness was in his mouth." He was a great supporter of his pastors after his retirement. Every retired minister could take a leaf from Brother McLamb's book; he never interfered in any way with the work in this pastorate where he lived, although he had served here once for four years as its pastor. He only knew how to give praise and encouragement to his pastor.

He was a faithful minister of the Gospel of our Lord and Savior, Jesus Christ for more than 43 years. He was well-loved by the people that he served. He served one charge for four years, went to another for one year and then was reassigned to that same charge for another four years. He was a life-long student of the Bible, and he read the Bible through twice in the last year of his life. Dr. Early read his favorite Scripture from Isaiah 40 in the funeral service. The last verse in that chapter was his motto: "But they that wait upon the Lord shall renew their strength; they shall mount up with wings as eagles; they shall run, and not be weary; and they shall walk, and not faint." Truly he waited upon the Lord until his strength had utterly failed. God satisfied him, who loved life so well, with a long and fruitful life. He does now rest from his labors, and his works do follow him.

"And friends, dear friend, – when it shall be
That this low breath is gone from me,
And round my bier ye come to weep,
Let One, most loving of ye all,
Say, 'Not a tear must o'er him fall!
He giveth his beloved, sleep.' " – *Elizabeth Barrett Browning*

MRS. HILDA AMICK WHITEHEAD
1909-1973

Hilda Amick Whitehead, daughter of Thomas Adolphus Amick and the late Maude Lednum Amick, was born January 22, 1909 in Burlington, North Carolina. After completing her high school education in the town of her birth she entered High Point College from which she received her Bachelor of Arts Degree in 1930.

During her college days she met Talton Johnson Whitehead, a young minister in the Methodist Protestant Church whom she married in 1934. For nearly 40 years she lived as a devoted wife and was a tireless servant of her Heavenly Father and His church, loyal to all good causes as a pastor's wife and loved companion. During the first six years of their life together they served the following Methodist Protestant Charges: West End, Mount Hermon, and Christ Church in Henderson. After the union of the three branches of Methodism in 1939 they served: North Gates, Fayetteville Circuit, Aberdeen-Vass, Carr Church in Durham, First Church in Graham, First Church in Washington, Whiteville, and Faith Church in Burlington.

Wherever they went Hilda was conspicuous by the quiet, unassuming, selfless service she rendered to those who needed her most. Never was there the slightest evidence of a desire to receive credit for her ministry, but always the consuming desire for others to know that there was one nearby who cared. She was a friend to all and was loved by all who knew her.

Though Hilda knew no bounds as she reached out in her thoughtfulness of others, those who were near and dear to her were always the recipients of her deepest concern. Her companion, her son, her father, all of her home looked forward to her daily ministry in which she cared for the spiritual as well as the physical. She was a good witness for her Christ in her home, her church, and her community. She loved people and they loved her.

Death came to Hilda Whitehead in Memorial Hospital, Burlington, North Carolina on July 27, 1973. She is survived by her husband, The Reverend T. J. Whitehead; her son, Edwin H. Whitehead; her father, T. A. Amick; and one brother, T. Lednum Amick.

A memorial service was held in Faith United Methodist Church, Burlington on Sunday afternoon, July 29, 1973 by her pastor, The Reverend C. F. Hirschi, assisted by N. W. Grant. Interment was in the cemetery of Center United Methodist Church of Alamance County.

MRS. MARTHA ESTELLE HENDRIX NETTLES
1890-1973

The earthly death of Mrs. Martha Estelle Hendrix Nettles on August 12, 1973, ended a long life of faithful, effective, and loving service. The widow of the Reverend Stephen Nettles of the North Carolina Conference, she died in Manor Care Nursing Home, Columbia, South Carolina, following a stroke and an illness of three weeks.

Memorial services were held on August 14, 1973, at Dunbar Funeral Home, Devine Street Chapel, with Dr. Bryan Crenshaw officiating. She was buried in Greenlawn Memorial Park, Columbia, South Carolina.

Mrs. Nettles was the oldest of nine children born to Dr. Elisha Barnwell Hendrix and Lula Willimon Hendrix, and was born in Greenville County on September 19, 1890. She attended Greenville County School and Greenville Woman's College.

She served as Secretary to the Editor of the Southern Christian Advocate (now the South Carolina Methodist Advocate). On October 12, 1916 she married The Reverend Stephen A. Nettles who had served as editor of the Advocate from 1906-1914. Following this service he re-entered the regular pastoral ministry in North Carolina, and served until his retirement in 1922. At this time the Nettles moved back to Columbia.

Mrs. Nettles was widowed when her five children were relatively young, and her life centered in faithful, loving care toward her children. They are Hendrix Nettles, Mrs. Fred H. (Elizabeth) Medlin, and Miss Sarah L. Nettles, of Columbia, Mrs. Willie W. (Marjorie) Waddell of Lexington, S.C., and Dr. John B. Nettles of Tulsa, Oklahoma.

Mrs. Nettles is survived by her children, thirteen grandchildren, two great-grandchildren, two sisters, Misses Anne and Marguerite Hendrix of Greenville, S.C., and two brothers, Robert C. Hendrix of Greenville, S.C., and Carroll L. Hendrix of Dillon, S.C.

Mrs. Nettles was an active, serving, and devoted member of the Shandon United Methodist Church in Columbia. She rendered special service to the Frances Powell Sunday School Class, and was a Life Member of the Women's Society of Christian Service.

She took particular joy in God's created world, flowers, gardens, and all living things.

Mrs. Nettles has left to her children and friends the high heritage of a dedicated life, nobly and fully lived to its very end.

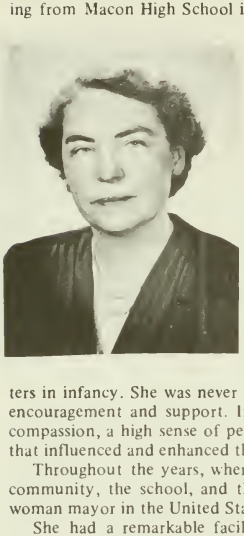
MRS. CLARA POWELL LEE
1895-1973

Clara Morton Powell Lee was born on August 5, 1895, in Warren County, North Carolina, the daughter of Clara Morton Bobbitt and Thomas Edward Powell.

She received her elementary and high school education in Warren County schools, graduating from Macon High School in 1912. Following this, she taught for a year, then went on to Woman's College, now the University of North Carolina at Greensboro; there in 1917, she gained her Bachelor of Arts degree with honors, having carried a double major in French and English and a minor in Latin.



While serving as the principal of the high school in Pollocksville, North Carolina, she met Thomas Williams Lee, the Methodist minister in the adjoining town, whose wife had died some time before. She went on for a year of study at Louisville Theological Seminary; and then in August, 1922, they were married in Macon Methodist Church. In the years immediately following marriage, she taught school during the winters and continued her studies at Duke University during the summers. There, working under Dr. Hersey E. Spence, she received her Master of Arts degree in Religious Education in 1925.

Throughout the years, conference assignments carried the family from Rose Hill to Williamston, Trenton, Windsor, Garland, Roxboro, Middleburg, and Efland. Clara Lee's family was her great joy; her deep sorrow was the loss of two daughters in infancy. She was never too busy to listen to her children, never too tired to give them encouragement and support. In her years of love and devotion to them, she communicated a compassion, a high sense of personal integrity, and a striving for mental spiritual understanding that influenced and enhanced their lives.

Throughout the years, wherever she lived her time was filled with dedicated service to the community, the school, and the church. In 1925, while at Rose Hill, she served as the first woman mayor in the United States.

She had a remarkable facility for teaching. Her tireless devotion and attention to detail served her well, as she counseled her students, produced junior and senior plays, coached debate teams and public speaking contests, and directed graduation exercises. Her ability to maintain an orderly and motivated classroom won her the love and admiration of her students. Indeed, as the family moved from one place to another, those whom she had taught would often write or visit, recounting how she had inspired them and influenced their lives.

Throughout her active life, she organized and took part in the Woman's Society of Christian Service, led churchwide study courses, played the piano where needed, taught Sunday School and Vacation Church School, worked with young people in the Methodist Youth Fellowship, and was active in prayer groups, spiritual life work, and Camps Farthest Out.

As a hobby, she liked to write, and from time to time had poems and stories in papers and magazines. She published several of her plays, which she often put on in communities where the family lived, to raise money for the school or church. She had some talent in cooking and sewing, and over the years was always willing to contribute these abilities in community endeavors of various kinds.

Upon her husband's retirement in 1948, the family moved to Durham, where they became members of Duke Memorial Methodist Church. It was while she was W.S.C.S. Secretary of Christian Social Concerns for the Durham District in 1954-1956, that she experienced the onset of complications from diabetes, from which she had suffered for over twenty-five years.

Over the next years her health gradually declined and finally, eight years after her husband's death, she became a member of The Methodist Retirement Home in Durham, in September of 1971. There, though weak, she was largely able to be up and about until one week before her death. Spiritually aware to the end, two of her favorite Bible passages were John 14 and Psalm

91. These she asked to be read to her on the last day of her life. Having attained the age of seventy-eight years, she died on September 17, 1973, and was buried from Duke Memorial Methodist Church. Charles S. Hubbard, pastor of the church, conducted the funeral service, assisted by LaFon C. Vereen who had been her father's last pastor, and William M. Jeffries, her son-in-law. She was buried in Maplewood Cemetery in Durham.

She is survived by three daughters, Clara Elizabeth Lee (Mrs. John) Harvey, Jr., of Wilmington, Delaware; Josephine Anne Lee (Mrs. William M.) Jeffries, of Greensboro, North Carolina; Carolyn Powell Lee (Mrs. Eugene G.) Wollaston, of Chicago, Illinois; one stepdaughter, Susie Berdette Lee (Mrs. Hiram J.) Casebolt, of Raleigh, North Carolina; one granddaughter; six grandsons; two stepgrandsons; two sisters, Mary Powell Brantley and Caroline Powell, of Elon College; and her brother, Dr. Thomas Edward Powell, Jr., of Burlington.

MRS. BESSIE OCTAVIA WHITTED SPENCE
1885-1973

Mrs. Bessie Octavia Whitted Spence, daughter of Julius Monroe Whitted and Ella Howerton Whitted, was born January 26, 1885, in Durham, North Carolina. She was educated in the public schools of Durham and received her Bachelor of Arts Degree from Trinity College. Following her graduation she taught in Durham High School and served as Dean of Girls. During this time she met, and came to love, Hersey Everett Spence, a promising young assistant professor of English at Trinity College. But God was calling Hersey Spence to His service. So Bessie married the young preacher-professor on October 8, 1913, and they went to Sanford where her husband served as pastor of Steele Street Church until 1916.

Believing Christian Education was to be their true calling, the young couple moved back to Durham, and Hersey Spence served as Executive Secretary of the Sunday School Board of the North Carolina Conference for several years. But both felt the need of more education, so they went together to the University of Chicago. There, Bessie Spence earned her Bachelor of Divinity degree. They returned to Durham—it was to be home the rest of their lives—and to the new Duke University where her husband was to become a distinguished professor in the Divinity School, and where Bessie Spence was to earn a Master's degree in Biblical Literature and become assistant professor in the same University.

Bessie Spence was a great woman-scholar in her generation. Her husband wrote inspired prose and poetry. She lovingly edited every line he published. While he gained renown as teacher of the Men's Bible Class of Duke Memorial Methodist Church, she gained equal stature as a great teacher of children in the same Church.

Bessie Spence possessed many talents. She was an accomplished artist and pianist, and was a gourmet cook. But her greatest attribute was her ability to love. Next to her Christian faith she loved and supported her husband. Her first thoughts and efforts were always directed toward him and his happiness. And his love for her was just as complete. Together, they loved and influenced hundreds to find the peace and assurance only God can give to those who love Him and each other. The world is a better place because Bessie Spence has lived in it. There are many of us who shall always call her blessed.

Shortly after the death of her beloved husband, Bessie Spence peacefully died October 7, 1973 in the Methodist Retirement Home in Durham. Her body rests in the old section of Maplewood Cemetery. Her spirit lives!

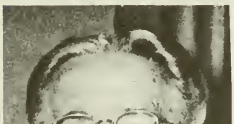
MRS. EMMA WOODS NICKS
1876-1974

When I first met Mother Nicks, she was the Durham district secretary of spiritual life for the Woman's Society of Christian Service and she was teaching a Sunday school class at Hillsborough Methodist Church. She was also serving as a "hearer" for some of the children of the church as they memorized passages from the Bible. This busy life of service to others for the glory of Jesus Christ was the story of her life.



The ninety-seven years on this earth began for Emma Currie Woods Nicks on September 20, 1876, in Orange County and ended in the same county on January 2, 1974. Having been given the middle name, Currie, in honor of a minister who was serving Little River Presbyterian Church, Emma Nicks was one of eight children born to Emeline Hall and William Doak Woods, faithful members of this congregation. One sister, Mrs. Cora Woods McKay, a devoted member of Mount Sylvan United Methodist Church, survives.

The Christian heritage that began here was continued in the Methodist Episcopal Church, South, when Emma felt God's call to give her life as a devoted wife and helpmate to the Reverend Samuel Freeman Nicks on December 24, 1903. Sam and Emma had both been students at Caldwell Institute and when Sam entered Trinity College, Emma entered the Southern Conservatory of Music, and their vow to each other made on April 25, 1900, provided them with the inspiration they needed to continue their education before marriage. Emma taught in the North Carolina public schools system while waiting patiently for Sam to finish his education.

Sam and Emma served 42 years within the bounds of the Durham district of The North Carolina Conference, having lived in nine parsonages and having made lifetime friends everywhere they went. Sam was known as a beloved builder of rural churches. The charges they served included Burlington Circuit, Pelham-Shady Grove, Milton, Yanceyville, Leasburg, Hillsborough, Brooksdale, Cedar Grove, and Hillsborough again.

Six children were born to this union, four of whom are surviving. The two children who preceded them in death were S. F. Nicks, Jr., and Mariana Nicks Wilson. Those surviving are John R. Nicks, Graham; Stella Nicks Bartlett, Hillsborough; Kathrine Nicks McDade, Cedar Grove; and the Reverend Robert L. Nicks, Beaufort. Also surviving are nine grandchildren and fifteen great grandchildren.

Not only were Emma and Sam faithful leaders of their "people" and the whole community wherever they lived, but they worked together in making sacrifices that their children could also be leaders. All six children received training in schools of higher education, four having been graduated from Duke University. One son, Robert, is now serving the North Carolina Conference.

Mother Nicks will be remembered by all who knew her for her great strength of Christian character and her dependence upon the teachings of the Bible. Even until her death she loved to hear her children read the Bible to her, and she rejoiced in hearing her favorite hymns.

Before a large crowd of family and friends, her funeral service was conducted at Cedar Grove United Methodist Church by her pastor, the Reverend Herman N. Ward, at 11:00 A.M. on Friday, January 4. Her grandsons carried her body to its final resting place, while God carried her beautiful spirit to be with Him forever. As Mr. Ward said, it was "only natural for Mrs. Nicks to go home after she has journeyed toward it for 97 years." It also seems only natural that memorial gifts were designated for the Methodist Home for Children, since she was a lover of all children. We rejoice in her victory.

–Lou P. Nicks

MRS. HATTIE FLORENCE GIBSON MCLEOD
1880-1974

Mrs. Hattie Florence Gibson McLeod, daughter of the late Charles and Mahalia Gibson was born in Richmond County, North Carolina. She attended the public schools of Richmond County. At an early age she professed faith in Christ and united with the Beaver Dam Methodist Episcopal Church.

She was united in holy wedlock with the Reverend Edward M. McLeod who preceded her in death three years ago. To this union one daughter was born. As a minister's wife, Mrs. McLeod spent most of her life in the North Carolina Conference. She was a great help to her husband in his work for she was diplomatic, genteel, and always interested in helping him to advance the Kingdom of God.

Capable of instant affection for all with whom she came into contact, Mrs. McLeod was one of the old school of genuine graciousness and selflessness that made one happy to be in her presence. Sparkling and effervescent, a delight and a joy, devoted and selfless, tenacious and constant, loving and beloved; these are the qualities that come to mind as I think of Mrs. McLeod.

January 11, 1974, was home-going day for Mrs. Hattie. After a few days of sickness, she slipped away to be with her Lord and loved ones who had gone before.

She is survived by one daughter, Mrs. Edna Gleaves, of the home, four grandchildren, seven great-grandchildren, and a company of relatives and friends.

Funeral services were conducted at the Cool Springs United Methodist Church, with the pastor, The Reverend W. F. Elliott, officiating; S. L. Townsend brought the sermon. She was laid to rest in Cedar Grove Cemetery in Laurinburg, North Carolina.

MRS. ELIZABETH LASSITER BROOKSHIRE HARRIS
1902-1974

Mrs. Elizabeth Lassiter Brookshire Harris, the daughter of Charles E. and Florence Brookshire, was born February 1, 1902, in the Charles E. Brookshire residence near Pekin, Montgomery County, North Carolina. From childhood she was blessed by the influence of a happy Christian home and church-going parents. In her early youth she became active in the program of her church and school.

After her graduation from Mt. Gilead High School in 1922, she began to prepare herself for a life of service. She attended Guilford College one year and taught next year in The Pee Dee Consolidated School near her home. Then she made a decision that made her life a blessing for years to come. On June 30, 1924, Elizabeth Brookshire was united in Holy Matrimony to Loy Vernon Harris, a young Methodist minister, starting his first pastorate that year. For seventeen years this young couple brought renewed hope and strength to every congregation on the Charges to which they were appointed by the North Carolina Methodist Conference—seven of them: Webb Avenue, Burlington Circuit, Scotland Neck, High Point, Conway, Ahoskie and Whiteville. Moreover, the seven parsonages in which they lived for seventeen years became ever filled with happiness as the laughter of their children: Vernon, Jerry, Marvin, Harold, and Betty Carol, filled the home.

Mr. Harris, having been a member of the Reserve Chaplain's Commission for several years, was called in 1942 to serve as a Chaplain with the U.S. Army overseas during World War II. He returned home in the summer of 1945 apparently in good health; yet he died unexpectedly June 13, 1946, after suffering a heart attack about 1:30 that afternoon which some doctors thought had developed from the results of a prolonged attack of pneumonia he suffered while in England in 1944. Before going overseas in 1942 Mr. Harris made ample provision for a house for his family in Mt. Gilead, their home community, so that the family could be among close friends and relatives during his absence. That was her home for the rest of her life.

After the death of Mr. Harris, Mrs. Harris, fortified by courage, faith, and love, based upon the promises of her comforting Lord, did a marvelous work in rebuilding a happy home for her family. With well-made plans she provided for the needs of her family. She supervised the education of all her children to the extent that she was glad to do part-time work to supplement her income when needed at intervals between 1945-1955, until the boys were old enough to secure employment. Along with all this she found time to do much work for her church and community. Her interest in others is revealed in the amount of volunteer work she did through the Mothers' Club, Women's Society of Christian Service, Red Cross, Hospital Aid, and Church and Sunday School work.

Her funeral was held in The Mt. Gilead Methodist Church, conducted by the pastor, The Rev. Lawrence E. Lugar, assisted by The Rev. S. D. McMillian and The Rev. E. C. Crawford. She was buried in The Mt. Gilead Cemetery by the side of her husband, The Rev. L. V. Harris.

Written words are empty compared to the words she spoke to us as we talked with her along the way. For several weeks she had checked in and out of several hospitals, ready to co-operate with all the power that moves toward life more abundant. On January 29, 1974, she died in Montgomery County Hospital. Or shall we say she was "checked out" to enter a better life beyond? This was the faith by which she lived; and this is the faith that will bring hope and comfort to those that remain.

"Let us think of her not as cold beneath the grass,
Nor shut within the Tomb;
But rather living in her Father's house,
In a larger and brighter room"

—E. C. Crawford

MRS. KATRINA KERN ORMOND
1884-1974

Katrina Kern Ormond was born December 26, 1884, in Alexandria, Virginia, the daughter of Dr. and Mrs. John Adam Kern. From the time of her birth she was joyfully Methodist. She inherited a tradition of a grandfather, Dr. A. A. Eskridge, and a father who were Methodist ministers. She grew up with a brother, Paul B. Kern, who became a Bishop in the Methodist Church. She married Jessie Marvin Ormond, a Methodist minister. They had one son, John Kern Ormond, who is a Methodist minister and one of their four daughters married a Methodist minister, Eliot Wannamaker Hardin. Two of their seventeen grandchildren, John K. Ormond, Jr. and E. W. Hardin, Jr., have become Methodist ministers and with nine great-grandchildren already on the scene, the line may yet be incomplete.

Born in Virginia, where she attended Ashland, Virginia schools and graduated from Randolph Macon Women's College, in Lynchburg, Virginia, she moved to Nashville, Tennessee with her family while her father was at Vanderbilt University. It was there that she met and married Jessie Marvin Ormond, a young divinity student from rural Green County, North Carolina. She returned with him to North Carolina where they shared most of their ministry together in the North Carolina Conference, until his death in 1954. They are survived by five children: Rev. J. Kern Ormond, now of Elizabeth City, Mrs. Janet Lide of Winston Salem, Mrs. Margaret Hardin of Columbia, South Carolina, Mrs. Jessie Pyne of Burlington, and Mrs. Elizabeth Byrum of Virginia Beach, Virginia.

Her life always centered on people and much of her life centered on the Church, with its joys, its fellowship and its love and so it was natural that with her death she would bring her people together–her family and her friends–to Lakewood United Methodist Church, where she had shared in Christian community for some thirty years, for a time of celebration and thanksgiving.

Still, Katrina Kern Ormond was more than a Methodist and she was more than a relative of Methodist ministers. She was "my darling daughter," "Kate," "Katrina," "Mother," "Mrs. Ormond," "Grandmother," "Grannie." She was friend and family and beloved. She was a person who cared and loved and gave of herself, celebrating the gift of life until she was no longer able either to give or to joyfully receive and then she was ready to rest. She died on February 14, 1974 after a brief illness.

She left a heritage of joy and faith and love.

–John K. Ormond, Jr.

MRS. EDNA LAWS PETTEWAY
1918-1974

Edna Laws Petteway was born on the 19th day of October 1918, the daughter of Henry Lee and Lucie Tilley Laws in Rougemont, North Carolina. She was educated in the schools of Durham County and the University of North Carolina at Greensboro. For a time, she taught in the public schools of Pitt and Durham Counties.

On Christmas Eve of 1944, Edna was married to Warren Bernard Petteway. Into the family was born one son, Warren Bernard Petteway, Junior. On the 21st of February 1974 in Wilson Memorial Hospital, Wilson, she claimed Christ's promise of eternal life. Funeral services were conducted at First Church, Wilson by Linwood E. Blackburn and Paul Carruth. Burial was in Maplewood Cemetery, Durham.

These words, bare though they seem, will perhaps suffice as boundary marks for the life of this good and generous person. But more, much more, needs to be said if we are to tell of the richness and beauty of her life. For Edna was surely a person of remarkable gifts and talents. She had the ability to create an atmosphere of creativity and expectancy in areas where she was involved, an ability that brought out the best in other people. She gave herself with devotion and skill to her family and the Church. Her husband and son looked to her as a tower of strength. Edna's service to the Church included faithful work in teaching in the Church School and in various capacities in the United Methodist Women.

Her personal magnetism attracted a host of friends. Their deep concern and appreciation for her was made evident in many ways. The crowded church at the time of the funeral and the throng of mourners who covered the hillside at the burial can only suggest the void left in many a life by her passing.

We address that seeming emptiness with those mighty words which begin the Apostle's Creed: "I believe in God the Father Almighty." We believe that they speak to life's mysteries and distresses. We pronounce them in the hope that they point to the Reality that will translate present sorrow into ultimate joy and reunion. We can bear with sore distress of this time because borne out of our trust in the divine Father, we sense that those who await us on the other side are very close indeed.

GROUP A: AGENCY ANNUAL REPORTS FOR 1973-1974

THE COMMITTEE ON CHURCH ARCHITECTURE

The Committee on Church Architecture calls attention to the fact that building needs in order to carry out the mission of the Church are just as great at this time as they have ever been. Because of increased costs and changing conditions, it is much more important for a congregation to make long-range plans both for building and for financing. Counseling services provided by conference agencies and by professional architects are available to local congregations on invitation through the district superintendent.

During the seven months' period the Conference Committee has been involved in the following:

1. The fall meeting held in Raleigh on December 3, 1973, at which time Mr. John S. MacRae, III, an architect from Greensboro, presented an illustrated lecture on designing churches. He used two churches in particular to illustrate the procedures for developing church programs and designing space to carry out the programs.

2. A cooperative venture with the Western North Carolina Conference Committee, The J. M. Ormond Center, and The Duke Endowment Office of Rural Church Affairs in the development of *Guidelines, A Building Project for a United Methodist Church.* These guidelines are based upon the Disciplinary requirements and the recommendations made by conference and national agencies related to church building programs.

3. The work of the Review Committee which continues to be a very significant service available to all churches within the Annual Conference. Congregations wishing to apply for loans or grants from conference or other agencies must submit for evaluation their preliminary architectural plans and financial programs. The committee attempts to evaluate the plans on the basis of the proposed program and to make recommendations concerning possibilities for financial undergirding of the project.

4. The planning and execution of the program for the annual joint meeting with the Western North Carolina Conference Committee on Church Architecture to be held in March. An invitation was issued to Mr. Harold E. Wagoner, F.A.I.A., requesting that he deal with the trends, developments, and the future possibilities in the field of religious architecture.

THE COMMISSION ON ARCHIVES AND HISTORY

The Commission on Archives and History is composed of one layman and one clergyman from each of the districts comprising the North Carolina Annual Conference. Members of this Commission are dedicated toward the preservation of our rich ecclesiastical heritage while striving to make themselves and their fellow Methodists worthy heirs of this heritage.

Members of theCommission met on September 8, 1973, at the Prospect United Methodist Church in Robeson County, which is the largest Indian congregation in the United States. Dr. Adolph Dial, a member of the Commission, spoke on the history of the Indian Methodist development in North Carolina. At this meeting, Dr. Ralph Hardee Rives of Enfield and Greenville was chosen to succeed the Reverend C. Franklin Grill of Raleigh as chairman. The Reverend Lawrence E. Lugar of Mount Gilead was chosen to serve as vice chairman of the Committee.

The Commission members have expressed continued concern about locating a place for the safe repository of conference archives. A resolution has been offered to be presented to the members of the Annual Conference concerning this desire and the need for such a repository, to be located preferably in The Methodist Building in Raleigh.

The Southeastern Jurisdictional Commission on Archives and History met in July, 1973, at St. Simon's Island, near Brunswick, Georgia, a place with many unique associations with the early history of Methodism in the New World. The North Carolina Conference had one of the largest delegations present at the meeting which included lectures on John Wesley's association with the early Georgia colony, his ill-fated romance in Savannah, tours to points of historical interest adjacent to Epworth-By-The-Sea, and, on the last day, a visit to Methodist points of interest in Savannah.

During the period from June 1 to December 31, 1973, several historic celebrations were observed in local churches throughout the Conference, including the Historic Zion United Methodist Church near Mount Gilead, which is one of the oldest Methodist Churches in that area of North Carolina. A historical highway marker has been erected near this church by the Department of Archives and History of North Carolina.

Several additional local church histories were added to the Commission's permenent records. Local churches are urged to prepare church histories which should be deposited with the Commission's files for future researchers. Histories of Methodist churches no longer in existence should also be compiled for preservation.

Joseph W. Watson, a member of the Commission from Rocky Mount, is to be commended for the collection of extracts of church deeds in Nash County which he has recently compiled. Such collections from each of the counties within the Conference would make a valuable addition to the Commission's permanent records.

Members of the Commission are assisting in the preliminary planning for the celebration of the 200th Anniversary of the Carolina Circuit, the first Methodist circuit in North Carolina, in 1976. The Commission plans to cooperate with the Commission on Archives and History of the Western North Carolina United Methodist Conference and the Duke University Divinity School in this special Bicentennial Celebration of North Carolina Methodism.

The Commission has continued to support the monthly preaching services and special celebrations held at Whitaker's Chapel, near Enfield, and Rehoboth Church, near Roper and Creswell. The Reverend Carl W. Barbee, retired member of the Conference, spoke at the Annual "Homecoming" at Whitaker's Chapel in June. The Reverend Roy L. Matthews, Jr., Student Supply Pastor of the West Halifax Charge, near Enfield, agreed in the summer of 1973 to serve as "Host Pastor" at Whitaker's Chapel for the monthly services there. Dr. A. L. Whitehurst, lay speaker from Plymouth, continues to contribute a worthwhile service to the Conference in holding monthly services at the Historic Rehoboth Church which has recently been renovated by the Washington County Historical Society.

BOARD OF CHURCH AND SOCIETY

The prime responsibility of this Board is to implement the social Creed. Therefore, we have given strong emphasis to acquainting our Conference with the Social Principles (paragraphs 71-77, *1972 Discipline*) and have used the media kit, "What Must We Do?" at R&R and at the District Responsibility Workshops. This interpretive media kit has been placed in TRAFCO, many District offices, and in several local churches for use with local church groups as a primary resource for promoting our Social Principles.

Rev. Allan Brockway, editor of *engage/social action,* taught a course on the Social Principles at R&R. Additional emphasis on the liturgical use of our Social Creed in local church worship services was provided by offering for sale inexpensive copies of the Social Creed which can be placed easily in hymnals.

An Alcohol Training Workshop was held in October with the cooperation of the Continuing Education Division of East Carolina University. Over thirty pastors, representing eleven of our Districts, attended this two-day event which featured an address by Dr. Thomas Price, Director of the Department of Drug and Alcohol Abuse for our General Board of Church and Society. We were especially grateful for the cooperation of the Cabinet and the District Councils on Ministries for their willingness to select and fund participants as requested.

We continued our involvement with related groups in sponsoring the Peace Education Booth at the State Fair as well as our participation in the State Council on Social Legislation and the North Carolina Council of Churches Commission on Social Ministries. In addition, promotion was provided for the observance in our churches of World Order Sunday, Drug and Alcohol Concerns Sunday, and "Trick or Treat" for UNICEF.

COMMITTEE ON CONTINUING EDUCATION

NORTH CAROLINA CONFERENCE

THE ROLE OF THE COMMITTEE The Annual Conference Committee on Continuing Education is an integral part of the Division of the Ministry, however, it does have representation from other boards. It's tasks are to encourage the parish minister to update and enrich his professional skills and knowledge without interrupting his work at the parish level, to enable him to participate in continuing education and career development.

Continuing education for ministers is defined as a structured and organized experience of education in which the minister is a student and in which participation is a requirement. This definition is not intended to exclude events such as conferences and convocations but is designed as a guideline for scholarship aid. It is the aim of the committee to encourage and aid every parish minister serving full time to participate in a life long career of continuing education.

FINANCIAL RESOURCES Scholarship aid for Continuing Education endeavors come primarily from these sources:

(1) The Conference Committee on Continuing Education and the Ministerial Education Fund. This is a small amount and is administered by the Conference Committee.

(2) The Duke Endowment which funds ministers serving rural parishes.

(3) The Center for Continuing Education at the Duke Divinity School administered by Dr. McMurray Richey.

(4) Local churches. More and more parishes are putting an annual amount in the budget for an improved ministry by way of Continuing Education.

A REPORT ON OUR WORK

(1) The Committee participated in the District workshops for administrative leaders. Our special input was to the Pastor Parish Relations Committee. The need of the minister for Continuing Education experiences was highlighted. The response from lay persons was positive.

(2) The Committee gave one minister a scholarship to attend a week long course at Candler School of Theology. Another minister attended a personal growth laboratory at Princeton with the aid of a partial scholarship.

(3) We had eleven ministers to attend in-residence seminars at the center for Continuing Education at the Duke Divinity School.

(4) A Seminar on Transactional Analysis was held in the Fayetteville District at Methodist College, Dr. Garland Knott was the Chairman of the seminar which met weekly for six weeks. Dr. Fred Cortner, an advisor at Ft. Bragg, was the instructor. Seventeen of our ministers attended Your committee invested $300 in this seminar.

(4) A Seminar on Transactional Analysis was held in the Fayetville District at Methodist College.

(5) Your Committee requested each District Superintendent to select a minister in the district to be responsible for the concerns of Continuing Education. This was done and a minister is responsible in each district to make known these concerns.

(6) We had nine ministers from our Conference to attend one of the summer clinics at the Duke Divinity School last summer.

(7) We helped finance the Communications Workshop for 15 persons at the Continuing Education Center at Duke University May 1-3, 1974.

(8) We have seventeen persons from our Conference registered to attend the Continuing Education event at Edinborough, Scotland June 24-July 9. Twelve of these are ministers. We have given eight of these ministers a small scholarship.

(9) Ten of our ministers and four wives of ministers attended a Conference at the Duke Divinity School May 15-16 on "The Christian Experience in the Holy Land." Leaders were Dean and Mrs. John Wilkinson of St. George's College, Jerusalem.

DUKE DIVINITY SCHOOL The Conference Committee would like to thank Dr. McMurray Richey, Director of the Continuing Education Center at the Duke Divinity School; and Dean Tom Langford for making so many of the resources of the Duke University Divinity School available to the ministers of the North Carolina Conference. The establishment of a Center for Continuing

Education at the Duke Divinity School here within the bounds of our Annual Conference is the opening of many new opportunities to the parish ministers of this Conference.

DUKE ENDOWMENT We thank Dr. Wilson Nesbitt and the Duke Endowment for encouragement, planned events, and funds related to the continuing education and career development of ministers serving rural parishes.

NOMINATIONS We nominate for membership on the Pastors Board of Managers from the North Carolina Conference for terms to expire in 1977 two persons: Herman Winberry, A. F. Fisher.

BURLINGTON DISTRICT
N.W. Grant—Superintendent

The report of the 45 charges, consisting of 60 local churches, of the Burlington District for the 1973-1974 Conference year indicates progress in many areas. Someone said: "A man's reach should exceed his grasp." This reach, we hope, will ever be our experience.

Membership and Evangelism: During the year nearly 700 persons were brought into the fellowship of the church yet during the same period we lost in one way or another approximately 600 of them. Twenty seven charges experienced an increase.

Education: Fourteen hundred and eighty-six individuals attended some kind of training opportunity as we attempted to improve the leadership level of our churches. Twenty-one local churches held some kind of training school and as a result we experienced an increase in our church school enrollment. Fifty-two of the sixty local churches held Vacation Church Schools.

Missions: Every facet of mission endeavor, local and world wide enjoyed improvement in intent, participation, and financial response. Fifty-six new Ten Dollar Club members were secured. The United Methodist Women under the leadership of Mrs. T.J. Jones lead our District in all areas of concern. It is our prayer that the constituency of the Burlington District beyond the membership of the United Methodist Women, would catch some of the enthusiasm and faithfulness of this group and move forward as we work together to reach our goals.

Stewardship: Each charge met its financial responsibilities during the 1973 conference year under its own power. The District paid its Conference obligations in full. In the fall Charge Conferences the response to the call of the church in the field of finance was most heartening. An increase in percentage of acceptance of Conference askings was an indication of the faithfulness of the people of the District.

Building and Improvements: Extensive renovations have been wrought to the following churches: Davis Street, Saxapahaw, and Shiloh. Debts have been retired and the following churches dedicated: Christ Church, Saxapahaw, Hebron, and Faith. Webb Avenue-Trinity (Name changed to Emmanuel) has constructed a plant which cost nearly a million dollars. Cedar Cliff, and Bethel in South Alamance will soon embark on a building program as their plans have been drawn. Three new parsonages have been built: Hebron, Phillips Chapel, and Salem. The two last named have not only been built during this year but paid for. Fairview and Lebanon have completed payment of their parsonage debts.

Appreciation: What could any pastor do without his or her lay people? The answer to this question is evident, "nothing." Therefore let me express my gratitude for the faithfulness of a large portion of the 20,000 people in the churches of the Burlington District. The Lay Leader, George H. Forehand, and Mrs. T.J. Jones, President of United Methodist Women have led well during these days. We worked well together and enjoyed every minute of it. As we come to the end of the year we thank God not only for our successes of the past but look forward to wonderful day ahead. As soon as the Annual Conference is over the Superintendent and his family will move to a beautiful new District parsonage located at 3118 Truitt Drive, Burlington, North Carolina.

GOLDSBORO DISTRICT

A.F. Fisher, Superintendent

The pastors and lay people of the Goldsboro District of the North Carolina Conference of the United Methodist Church have again demonstrated their concern and support for the cause of Christ by their work during this conference year. As always, it is impossible to enumerate all the achievements of the churches, but there are a number of significant areas which must be lifted up.

LICENSE TO PREACH: One of the most meaningful experiences of the Church is the granting of the License to Preach to persons entering the ministry. The Goldsboro District Conference this year approved the License to Preach for three men: Raymond Gardner Gurley, currently serving the Brietz Church in Smithfield as a Part-Time Lay Pastor; Richard Eugene Hasty, Jr., a rising sophmore at the University of North Carolina, who will be taking an appointment at Conference; and Henry Eugene Howell, a student at Wayne Community College. These men have much to offer our Conference in the years ahead, and we give them our full support in their work.

MEMBERSHIP: The reaching of new persons as members of the United Methodist Church is a prime concern for the District. Since January 1, 1974, the Goldsboro District reports 160 persons

added on Profession of Faith, and 159 persons added by Transfer, making a total of 319 new members. With a loss of 100, the Goldsboro District shows a net gain of 219 new members.

FINANCES: For the fourth consecutive year, the Goldsboro District has paid 100 per cent or better of all its Askings. Again, the churches of the Goldsboro District have led the Conference in acceptance of the Askings for next year, and have shown significant increases in all areas, particularly in increased salary support for their pastors. By this kind of stewardship, the people of this District have proven their commitment to the program of the Church.

The Goldsboro District had a total of 37 new Ten-Dollar Club Members in 1973.

Also, it must be noted that a total of $178,768 has been spent on buildings and improvements in the District. Specific building projects include Dedication of the parsonage on the Bethel-Rones Charge, Dedication services for the renovation of the Providence Church on the Magnolia Charge, renovation of the inside of the church building of the St. John Church, major renovation of sanctuary and fellowship hall at Wallace United Methodist Church, and approval of plans for two new parsonages, one at St. Paul Church, Goldsboro, and one for Trinity Church on the Institute Charge.

LEADERSHIP DEVELOPMENT: In order to strengthen the educational program of our churches, there have been a number of workshops and training sessions. More than 400 people have taken part in local church workshops, and over 300 persons have been involved in sub-district or district workshops. There have been 185 people taking part in Vacation Church School Institutes and 200 people attended teacher-training session.

SPECIAL MINISTRIES: There have been a number of areas of special ministries in the Goldsboro District, including cooperative services between United Methodists and other denominations; worship services in prisons, hospitals and rest homes; clothing closet for needy and transient persons; and food distribution.

Several churches report special youth programs and projects, prayer retreats, new study opportunities, and active participation in service project in the community, including Scouts, kindergarten, etc.

St. Luke Church, Goldsboro, was recognized as "Church of the Year" by the Wayne County Mental Health Association as a result of their support and participation in the mental health program.

DEDICATION OF PASTORS AND LAY PEOPLE: It would be impossible to present this thrilling report without recognizing the marvelous work and support of the pastors and lay people of the Goldsboro District. I am grateful to have had the opportunity to work and serve with these people, to feel their support, to share with them their pride in their commitment to the United Methodist Church, and to realize with them that they are truly God's witnesses and will continue to be effective witnesses in the years ahead.

GREENVILLE DISTRICT

Howard M. McLamb, Superintendent

We had a good year in the Greenville District. We give credit to the faithful pastors and laypersons and the Lord. We thank them for their dedicated living and service. We feel that we face a new year of excellent opportunities and achievements.

NEW BERN DISTRICT
Harold F. Leatherman, Superintendent

The following report is made with a deep sense of gratitude to God and appreciation for the ministers and the congregations they serve.

MEMBERSHIP
The New Bern District had the second largest Net Gain in membership, 332. This fact is the most significant part of the entire report.

STEWARDSHIP
More churches are realizing the importance of an Every Member Visitation program as the best method of undergirding the church with sound financial support. As a result, a large number of churches are participating in programs that put Stewardship in proper focus.

The amount raised for Buildings and Improvements amounted to $247,470.

The growth of membership in the Ten Dollar Club continues, and more emphasis is being placed in this area as a means of ministry beyond the local church.

Increased support of Ministers, Single Figure and Advance Giving indicates growth in the area of Stewardship.

LEADERSHIP DEVELOPMENT
The response to "The District Workshop for Work Area Chairpersons" and "The Workshop for Local Church Administrative Officers" was outstanding. The number attending indicates a willingness on the part of our leadership to be more effective in their respective leadership role.

LAY LIFE AND WORK
A retreat was held at Camp Don Lee with both men and women in attendance. The number attending was small, but since this was a first, it is our belief that the enthusiasm manifested by those present will result in a larger participation in the future.

Our District Lay Rally was well attended and a very fine program was presented by a choral group from Methodist College and Dr. Richard Pearce shared with us something of his hopes and dreams for Methodist College.

CHURCH SCHOOL
There has been an increase in Church School Membership of 194. However, there is a great need to improve our average attendance.

DEDICATIONS
The Maysville United Methodist Church was dedicated and also the parsonage at Trinity, Jacksonville.

NEW PARSONAGES
Ann Street, Beaufort purchased a very lovely home and Trinity, Jacksonville purchased the St. Paul-Verona parsonage for their associate minister.

DEBT RETIREMENT
Atlantic United Methodist Church: Richlands-Educational Building; Beech Grove—Educational Building.

UMW AND UMYF
Both organizations have been active during the year as evidenced by their participation in District, Sub-District and local church activities.

Building plans are being prepared and construction should begin during the new conference year. Dr. T. Bryant Hough, Rockingham, came out of retirement to lead in this financial drive.

MISSIONS:

Seven churches participated in a week-end "Adventure in Missions" during February, which was one of the first to be held in the conference. Every charge in the district has a "Mission Special." As a result giving to mission specials has greatly increased.

A team of 15 spent two weeks in Nicaragua in May. Rev. Jim Bailey was the organizer and leader of this special group. $7,000 was raised for this mission.

LAY ACTIVITIES: Robert E. Hutchinson, Rockingham, is the new district lay leader. A total of 757 persons attended the Lay Rally at Scotland High School in February. UNITED METHODIST WOMEN:

Under the leadership of Mrs. Allen C. Lee, president, the women of the district have had several celebrations on the local, sub-district, and district levels in making the change from Women's Society of Christian Service to United Methoidist Women. We are very grateful for the good work being done by the United Methodist Women of our district.

The Rockingham District has had another wonderful year. Christian Brotherhood prevails among the ministers and laypersons of the district for which we are grateful to God, and we give Him the glory for this outstanding year.

ROCKY MOUNT DISTRICT

Paul Carruth, Superintendent

Saint Paul declared that there is nothing to be gained by boasting (II Corinthians 12:1). Still, he went ahead to boast. We take him seriously not simply because he was one of the greatest men who ever lived by more importantly because he so completely convinces us that he lived not for himself

but for Christ (II Corinthians 5:15). This brief report lists only a fraction of what we hoped would be accomplished in the Rocky Mount District, but it is offered in the hope that it may give praise to God whom we earnestly desire to serve.

In the Rocky Mount District, 251 souls were added to the rolls of the Church by Confirmation during 1973-1974 . By transfer of Church letter, 407 were added for a total of 658 additions. This represents a net gain of 22 for the year.

After a stewardship emphasis program that sent a team of leaders to every Charge of the District, 18 Charges had Every Member Visitations. Excellent responses were reported to these Visitations. The amount raised for building and improvements in 1973 was $176,360. The Shiloh Church of the Gaston Charge was completed, and the parsonage at Spring Hope was dedicated by Bishop Blackburn. The Middlesex Church has been paid for and was dedicated on June 2, 1974 by Bishop Blackburn. A fellowship hall has been constructed at both Mount Pleasant Church and at Spring Church. Spring is the church of our Conference located in Virginia. Nashville Church expects to begin a $300,000 education building in the immediate future. Nashville has $100,000 in a building campaign. West Nash, Wilson, has just completed a very successful campaign for funds looking to an addition to its education building. Ninety thousand dollars was pledged. Roanoke Parish is planning the construction of a fellowship hall.

The district participated in a number of leadership development activities during the year including district wide workshops in the following areas of responsibility: Local Church Work Areas, Administrative Officers, Vacation Church School and Stewardship. The Halifax County Teacher Training Workshop was held, and a cluster of Churches in the Roanoke Rapids area held training sessions for youth workers.

Dr. George Outen spoke at the best attended Lay Rally in six years. The United Methodist Women have vigorously pursued the program and responsibilities of their new organization.

The Year of the Church School is marked by the reopening of Sunday School at both Speight's Chapel and at Eden Church. Church School enrollment is numbered at 8581 with an average attendance 4881. New members added this year total 276. The net increase in enrollment is 75. Thirty-two churches participated in teacher training sessions, and 48 churches held Vacation Church Schools.

There are changes in leadership, both clerical and lay, through the years in all our churches. Still, the congregations carry on, and their ministry in their communities continues to shape the lives of men after the intent of the divine Father. This superintendent acknowledges an immense debt of gratitude for the faithfulness and devotion of an able group of pastors and laymen with whom it has been his pleasure to work during the past six years. In particular, James R. Watkins, District Lay leader, and Mrs. A. D. Haverstock and Mrs. C. H. Banks, District Presidents of the United Methodist Women have been a great source of encouragement. The District Trustees and District Treasurers have furnished unusually fine leadership. It is understandable if special indebtedness to my brothers in the ministry, the fine pastors of the district and their wives, claim a special measure of their strength and help during this eventful and meaningful period has been a source of satisfaction and joy. God bless them every one.

SANFORD DISTRICT

James H. McCallum, Superintendent

The Sanford District continues to progress in many areas of our work. Since January of this year there has been a net gain of 83 new members, making our total membership 15,790.

STEWARDSHIP: Ninety-five per cent of the Single Figure Acceptance for the seven-month fiscal year was paid and 90.4% of the Single Figure Asking for 1974 was accepted. Most of the pastors received an increase in salary for 1974. The district increase for pastors' salaries for this year is 8.2%.

PROGRAMS: The District Council on Ministries, the Reverend H. Arthur Phillips, Jr., chairperson, has been very active in its work. The Laity Rally was held at the North Moore High School. Dr. Richard W. Pearce, President of Methodist College, was our Lay Speaker. Bishop

Blackburn led the Service of Dedication for the Lay Speakers. In spite of the gasoline shortage, five hundred persons attended. L.M. Lutterloh is the Lay Leader.

A large crowd met at Steele Street Church for the annual meeting of the United Methodist Women. The ladies are working hard with Mrs. C. P. McMillan, president.

Two hundred youths and youth workers gathered at St. Luke Church for the annual Youth Rally. A thought provoking program was witnessed by those who attended. Robert Higgins is president.

Fifty-one lay speakers filled 115 appointments during the period of the "No Silent Pulpit" Season, traveling 2,743 miles and speaking to 749 persons. These lay speakers are rendering a tremendous service to our District.

Forty-five men met at Camp Cresmount last fall for a two-day retreat. This was a wonderful experience and plans have been made to hold another retreat this fall.

This being the "Year of the Sunday School," we trust that we will be able to report an increase in Sunday School enrollment and attendance this year.

BUILDINGS AND IMPROVEMENTS: The Piney Grove Church on the Piney Grove-Hickory Grove Charge has been completed. The educational building at Aberdeen has been completed. Steele Street Congregation moved into its new edifice on May 12 and the name has been changed to Saint Luke. This congregation has also purchased a new parsonage for the associate pastor and a new bus to render additional services to the community. Jones Chapel Church has purchased a new parsonage. Poplar Springs Church on the Poplar Springs-Trinity Charge has completed its educational building. Parsons Grove Church on the Pekin Charge has completed its educational building and the Little River Church on the same Charge has been remodeled. The church and parsonage at Carthage have been repaired. The Smyrna Church has completed its educational building. The Candor Church and educational unit have been remodeled. The Morris Chapel Church on the Springs-Chapel Charge is being repaired also the entire church building with some addition at Siler City: First. A new church building is being erected at Bascom's Chapel on the Smyrna Charge. A new building is being built at Mt. Carmel on the Pleasant Hill Charge. New parsonages are being built on the Goldston Charge, on the Asbury-Bethlehem Charge, and on the Chatham-Zion Charge. The Pleasant Hill Church on the Pleasant Hill Charge has been re-decorated with some addition, and a Service of Dedication was held in May.

The State Highway Commission purchased 3,850 square feet of the district parsonage lot for the price of $3,800 including damage to the remaining property. This amount was applied to the parsonage debt. The district parsonage is now free of debt.

I am grateful to the pastors and the laypersons of the Sanford District for the splendid work they are doing in helping the district to move forward.

REPORT OF JOINT COMMITTEE ON DISABILITY
Ministers' Emergency Fund

1. The Sustentation Fund is to be used for emergency relief in the form of grants to effective ministers and lay pastors serving appointments whose salary is paid by the local church or conference treasurer, and who become disable to the extent that they are unable to continue their work, and those whose income is not adequate to meet emergency needs.

2. Emergency appropriations shall be used to bring the disabled minister's income up to a maximum of $4,320 per conference year. If the applicant receives other personal income in the excess of $4,320 such additional income shall be deducted from the emergency grant. In no event shall the emergency funds be used to supplement an applicant's income of $4,320 or above.

3. Payment of this $4,320 will be on the basis of $360 per month. Payment will be made only during those months the applicant qualifies for Emergency Funds. No funds will be appropriated without three-fourths approval ot the Joint Committee on Disability.
secretary must place all necessary forms in the hands of the Cabinet members at the beginning of each conference year.

4. The Joint Committee on Disability secretary must place all necessary forms in the hands of the Cabinet members at the beginning of each conference year.

5. In all cases the applications - the district superintendent, the doctor, and the applicant - shall be completed and forwarded to the chairman of the committee before approval of funds will be made. Any minister expecting to receive Emergency Funds at the beginning of the conference year should make application not later than two weeks before the annual conference convenes.

6. The Joint Committee on Disability may require physiological and psychological examination when deemed necessary by the committee. These will be done by a doctor approved by the committee and results of test will be sent to the committee. In such a case the committee may share the expense of the examination in an amount not to exceed $100.

7. Funds will be made payable within thirty days following committee approval.

8. In cases where application for Emergency Funds occur during the session of the annual conference, the applicant's district superintendent, and the applicant, when possible, shall present an oral application to a joint committee of the Cabinet and at least three members of the Joint Committee on Disability. At this time appropriate action will be taken in keeping with the best interest of the applicant and in the spirit of the Emergency Fund. The written forms must be completed and placed with the committee within thirty days of this meeting.

9. All cases shall be reviewed at the middle of the Conference year to determine progress made in each case. It shall be the responsibility of each applicant's district superintendent to see that the progress reports - statements from the doctor and the district superintendent - are completed and

placed with the committee. Should this review of the applicants' disability reveal that he is capable of reassuming work, it shall be the responsibility of the Joint Committee on Disability to bring this information to the attention of the Cabinet.

10. Should the disability continue beyond one year or through one annual conference we call attention to the fact that the General Board of Pensions makes medical disability payments, based on a man's service years. We also call attention that it is possible that in some cases retirement may offer specific advantages over Emergency Fund Aid.

11. Should the disability continue beyond one year or through one annual conference, the Joint Committee will conform to Disciplinary Requirements as found in paragraph 357 which demand annual conference approval.

12. We recommend that expenses of travel, telephone, postage, etc. for committee be paid from the Emergency Fund.

13. Be it resolved, that the Joint Committee on Disability and the Cabinet work with the agencies and institutions to utilize talents and abilities of disabled ministers. It is recommended that where it is possible to give full or part-time employment by matching a need of the institutions or agency, to that of the disabled minister, it is strongly urged to do so. It is recommended that the administrative head of each institution and agency supply a list of possible positions to the Cabinet, and to the Joint Committee on Disability, who will work for mutual satisfaction and placement. The final decision will rest with the Cabinet.

14. That the Joint Committee on Disability shall assume the conference coverage of Group Life Insurance and Health Insurance only for that time that a person is on Disability. This is an addition to the monthly basic grant of $360, provided no other provisions for such insurance is made.

15. The committee urges that the church and/or interested individuals recognize the contributions made by the Conference by providing rent free house for those men who are disabled and cannot continue their pastoral work.

Section E
COMMITTEE ON CHRISTIAN EDUCATORS
Fred Falls, Jr., *Chairperson*

During the seven month conference year, many of our Christian Educators took advantage of the opportunities for training so that they might enhance their skills in working in local churches and lay persons in teaching the ministry of the church.

Our Christian Educators have provided much of the leadership in workshops, labs and other training enterprises of our conference.

Many of our Christian Educators are involved in a local level in co-operating with educational workers in other denominations in providing leadership training to church school teachers. There have been several workshops for local teachers and in one case a workshop for the directors to participate together. Methodist educators are finding much in common with Christian Educators of other denominations and also a real source of talent and help.

The North Carolina Christian Educators Fellowship has met several times this past year, always keeping in mind to have programs that will sharpen their skills and to make them aware of ways to help their church. A committee has been formed by the Christian Educators Fellowship to seek out and provide effective help, in the area of the Church School Year 1974, for Pastors and the churches in the North Carolina Conference.

COMMITTEE ON CAMPING MINISTRY
J.S. Blair, Jr., M.D., *Chairperson*

The committee is pleased that during 1973 Christian Education outdoors grew both in the numbers of participants and in the goals reached. We have constantly reminded ourselves that our purpose is to provide the setting, facilities, and opportunities for study and experience whereby those involved will learn more about the relationship between God, man and nature. The opportunity to teach the responsibility we all have for the care of God's creation has been a challenge and a joy.

During the summer camping program (and the year around retreat use) the number of participants continues to increase. Having Myra and C. P. Morris at Don Lee and Jerry Jackson at Rockfish have been big factors in this increased participation. Other factors have been the program for developmental disabilities at Chestnut Ridge, increased family camping at Kerr Lake and church camping at Rockfish.

Through the planning and work of Bob Reed our camps superintendent, maintenance of our buildings and grounds has been excellent.

As it has been in the past one of the most rewarding programs in the camping ministry was the camps for people with special needs. Children with developmental disabilities, including the mentally retarded, experienced the thrill of the discovery of the natural world sometimes for the first time. We are proud that the N. C. Conference through the camping ministry was the pioneer in this area of ministry.

We admit that we were not as successful in involving the older youth in camping as we had hoped. Because of our experiences we are designing primative, adventurous, innovative camping experiences in 1974 for older youth.

Finally, the committee acknowledges that we are greatly indebted to The Reverend R. Keith Glover who served the camping ministry well for almost six years. Keith left us this year. He demonstrated to us that he is innovative, knowledgeable, creative and blessed with the ability to dream and then work for the realization of the dream. He will be missed.

THE DUKE ENDOWMENT
Office of Rural Church Affairs
January 1, 1973 — December 31, 1973

This report for the calendar year of 1973 presents a better overall picture of appropriations made to rural churches even though it includes some of the appropriations reported for the conference year 1972-1973. It should be noted that appropriations for Parish Development Grants will be increasing as the appropriations for Regular Pastorates (supplements through the Equitable Salary Program) decrease.

The grants from The Duke Endowment are enabling funds designed to develop strong pastoral charges that are self-sustaining, providing adequate support for pastoral leadership and engaging in mission at home and afar. Program planning and leadership training are high priorities in the work of the rural church as it is being challenged by a constantly changing community.

THE COMMISSION ON ENLISTMENT FOR CHURCH OCCUPATIONS

One of the most rewarding experiences any person can have is to be told that through his work another has been helped in finding his or her way to the building of a life for the total good of mankind. This past short Conference year of seven (7) months has brought two such notices to this Commission and they were gratefully received. It is our prayer that the decisions made will be lasting ones for Christ and His Church.

The above is what the work of the Commission on Enlistment for Church Occupations is all about and the results for which we work and strive to achieve. The various members are constantly being urged to stay knowledgeable of the needs in this particular field and to be constantly mindful of these people who may be willing and able to find their rightful place in the building of His Kingdom. To this end we have pointed the following activities in our Conference:

1. An evening meal for fellowship was held prior to the opening of our last Annual Conference Sessions for those coming into our Conference On Trial. This affair was sponsored jointly with the Division on the Ministry.
2. A direct urging to all our pastors through the District Secretaries to observe Ministry Sunday during the month of September. From the results obtained, this effort should be promoted and activated to a greater degree for a grand opportunity is being missed by those who do not cooperate.
3. Using the District Program Councils an effort has been made to stimulate the giving to the offerings received at our Lay Rallies. This money provides much-needed scholarships in the local districts.
4. Planning sessions have been held that the Testing and Guidance Clinics to be held in March, 1974 at Wesleyan College might reach the largest number of high school students and be of service to them. Our Commission wishes to thank Mr. H. Ray Brackett, a Wesleyan faculty member, and his fine staff for the excellent work done in this endeavor.

5. The filing system of prospective persons interested in the pastoral ministry and the other Christian vocations is continuously being brought up-to-date. This project can be most helpful if cooperation is received from our ministries and others in positions of leadership.

This has been a good period of work for our Commission and we anxiously find ourselves awaiting what we might be able to do in the months ahead.

THE DIVISION OF EVANGELISM

For the Division of Evangelism, the 1973 Seven Months Year was largely one of preparation for the Convocation on Evangelism, March 4-6, 1974, at Highland Church in Raleigh. But a serious attempt was made to implement the final phases of Key 73 at the local church level!

To that end, nine of our District Directors attended the training sessions at Lake Junaluska in August, and were subsequently instructed to contact and encourage all pastors within their Districts to participate in those activities scheduled under Phase V entitled: "Calling Our Continent To Proclamation." Those activities included:

a. Youth Outreach Weeks during July and August.
b. Booth displays and services at State and County Fairs during September and October.
c. Area Impact Weeks.
d. Use of film: "More Than You Are" on regional television.

Similar attention was given to Phase VI, "Calling Our Continent To Commitment," which focused upon:

a. Reclaiming Christmas as a distinctly Christian festival, through Confirmation services, cluster Bible Study of an ecumenical nature, designed to reflect our common Christian commitment.
b. A Covenant Celebration on Sunday, December 30th, to celebrate new commitments in the local congregation.

The Division also provided leadership in the area of evangelism for the Responsibility Workshops conducted conference-wide in September, for the purpose of:

a. Clarifying the function of the work area on Evangelism.
b. Offering guidance on how this area might be developed within the local church.
c. Showing how the work area is related to the Council on Ministries, and to the church's total ministry.
d. Identifying evangelistic leaders at the District and Conference levels.
e. Introducing resource material for local church evangelism.

The Division stands ready to assist the Conference and the local church in any way it can to make evangelism a vital and meaningful expression of the church's ministry, and appreciates the opportunity to be of service.

THE METHODIST FOUNDATION, INC. 1973-74

The past year, our 19th, has again reflected a generally favorable performance. Estimated annual income is now in excess of $230,000. During the past year we have again experienced a rather weak equities market - a historic high opportunity for investing in high-yielding fixed-income securities and mortgages. During the year there was no reason for any major change in our investment policies. We continue to pay close attention to the performance of individual companies and industries in the equity sector—gradually building up our holdings in proven companies rather than further diversification of names. We futher consolidated the fixed income sector into larger units in order to take advantage of more attractive trading oportunities. During the year we added to our real estate portfolio investments yielding historically high rates. There is reason to believe that the coming year will reflect continued improvement in our overall performance and amount of disposable income generated.

S L. Gulledge, Jr.
President

DIVISION OF HEALTH AND WELFARE MINISTRIES

The division, during the year, has continued to give strong support and where possible, guidance to both our Methodist Home for Children and the Methodist Retirement Home. It is our responsibility each year to nominate new trustees to both Homes replacing those who rotate off. Our division, in cooperation with The Methodist Children's Home, gave careful consideration in the nomination of Dr. T. Marvin Vick as the new administrator of The Methodist Children's Home.

Through the leadership of the district lay-chairman, and the Conference chairman of Golden Cross, much valuable financial aid has been given to the Methodists who needed help with hospitalization. This continues to be one of the fine programs of our church.

Likewise, the division continues in its support of the Chaplaincy Program at the Duke Medical Center and with the work with alcoholics in the Good Shepherd Home at Lake Waccamaw, N. C.

The principal interest of the division during the year has been a new look at areas where the Church can become involved in work with the mentally handicapped, under the leadership of Dr. Robert Pitzer of the Southeastern Methodist Agency for the Retarded, Dr. Donald Stedman, child psychologist and professor of sociology at the University of North Carolina and Mr. Robert Denny, executive secretary of the State Developmental Center at Chapel Hill. Representatives from both our division and the division of the Western North Carolina Conference were in attendance. When it became quite obvious that little is being done in this area by our Church, and that there are many areas where we can and should become involved, it was decided to have a two-day study involving not only the representatives of the divisions of Health and Welfare Ministries of the two conferences, but also representatives from most of the boards and agencies from each Conference. This study was held in Greensboro on April 2-3. In addition to the leaders that were present in Chapel Hill, Dr. Gerald Benbergs, director of the Rehabilitation Research and Training Center of Texas University was present. Our own Bishop Robert M. Blackburn was also present as a resource person.

Following the intensive two-day study, this division is making recommendations to the Annual Conference of areas where most churches can become involved. It is hoped that the North Carolina Annual Conference will give even greater emphasis to this area of need in the future.

TRUSTEES OF THE METHODIST HOME FOR CHILDREN, INC.

Since the Annual Conference has changed the Conference fiscal year to correspond with the calendar year, the Trustees decided to change the fiscal year for the Methodist Home to correspond with the Annual Conference year, beginning January 1, 1974. This has required a number of adjustments in record keeping and reporting. Hereafter the fiscal year will be the calendar year ending December 31.

Services — The Home serves children who need to live in its residential program. At the same time every effort is made to maintain the strongest possible ties between the children and their relatives. This family involvement is essential to the child's mental health and general happiness. One cottage is temporarily closed. Nine cottages on campus and one off-campus cottage are presently operated, with a capacity of 113 children in residence. In addition, a few children can be cared for in Mother's Aid and in Foster Homes. Usually four to six students are in some form of Post-High School Education.

General Operation — More than a year ago the Superintendent made known his desire to retire. He had already reached the age for voluntary retirement in the Annual Conference. The board acceded to his request and appointed a Search Committee to nominate a successor. In view of the impending change in administration, an effort has been made to maintain a stable "status quo" situation during this period. It is anticipated that the new Superintendent will be elected in April and will take over the administrative responsibility after the Annual Conference in June.

Finances — During the period of fifteen months ending December 31, 1973 the Home has operated within its income, in spite of the rapidly increasing cost of everything which had to be purchased. The adjustments in records and procedures made necessary by the change-over in fiscal years makes a financial statement very complicated. For that reason this report does not contain a financial statement. The Auditor's Report gives the details and indicates that the records of the Home are proper and in good order.

In adopting a Budget for the year 1974 it has been necessary to reduce total expenditures somewhat below the figure which was estimated as necessary to maintain the level of services. The

rustees felt that it was necessary to live within the limits of our income, even at the cost of reducing ervices. The increasing-cost of everything has advanced more rapidly than our income. The perating Budget for the year 1974 was set at $554,128.

Seventy-fifth Anniversary — The period 1974-75 marks the Seventy-fifth Anniversary of the unding of the Methodist Home for Children. The Home was chartered in March 1899 as the Methodist Orphanage." The first child was admitted in 1900. The name was changed to Methodist Home for Children" in 1955. Plans for the appropriate recognition of this Anniversary e in the making but have not been completed at this time.

THE METHODIST RETIREMENT HOMES, INC.

Durham, North Carolina

You enable the Church to serve its retired members through The Methodist Retirement Homes, c. both through a part of the budget of your church and through individual and organizational fts and perpetual gifts through wills. Thank you! Did you know that those of retirement age are e fastest growing segment of our population?

Within the bounds of our conference there are, right now, 30,000 Methodists of retirement age, th 4,000 reaching retirement age annually. These fellow Christians, living longer, cannot secure eded help to remain in their own homes, thus a retirement community becomes a welcomed nswer for many.

Aware of this increasing need, the Conference is expanding its retirement facilities giving The omes a new capacity of 400 by 1976.

An increasing number of applications are coming for admission to The Home in Durham. With e present rate of applications received by the staff of The Home in Lumberton that facility will be lled as quickly as the doors are opened.

An increasingly large percentage of the applications for your Home in Durham is coming from rospective residents who are approaching the need of constant care. This is a larger percentage an it has been the policy of The Home to accept because the mandate of the Conference was to rovide a Christian Retirement Home for those in the early years of retirement. An increasing mber of elderly retirees needing nursing care--those who are creating problems for their milies--are putting pressure on the Admissions Committee and The Home to help solve their oblems. Unfortunately, constant nursing care is requiring a greater percent of specialized time nd increasing the overall per member cost. The trustees of The Home recognize this as a great need nd a compassionate Christian concern and sincerely hope and pray that the Conference will soon nd a way to accept the responsibility for providing *nursing care*. Your Home staff is doing all that it n.

During the next few months The Home expects to be participating not only in the Medicaid rogram but also in the Medicare and in the Intermediate Care Programs. Again, please remember at the Trustees are commissioned primarily by the Conference to provide Retirement Homes.

Plans are completed for the Health Care Center in Durham. If bids are reasonably close to the timated cost of $2,000,000 construction should begin this summer with the 120 bed facility heduled to be completed within eighteen months.

A majority of the applicants for The Home in Durham are still coming from a radius of 60 miles nd all of the applications so far for The Home in Lumberton have come from within a radius of 60 iles of Lumberton. This means that if we are to serve the Methodists of eastern North Carolina we ill be compelled to provide additional Homes--a minimum of one in the Northeastern section of the onference and one in the Central Coastal Plains area. Even with these two additional facilities, The hurch will be able to serve less than 2% of our retired Methodists.

It is not likely that the Conference will be in position for a capital funds campaign for the pansion of Retirement Home facilities in the foreseeable future. The Conference demonstrated atesman like wisdom in authorizing the Board of Trustees to search for governmental and/or rivate funds for an additional Home in the Northeastern section of the Conference. Other onferences of The United Methodist Church have been able to provide Retirement Home facilities rough such funds.

The Conference must look forward as rapidly as possible toward providing a facility in the Centra Coastal Plains area.

The Operating Budget for the Home in Durham for the year 1974-1975 has been set by the Boar of Trustees at $822,650.58. The Home has no endowment and has no reserve funds to cove depreciation. The Methodist Retirement Homes, Inc. has $500,000 to put into the new Home i Lumberton and $1,000,000 to put into the new Health Care Center in Durham. These funds hav accumulated over a period of 19 years from generous gifts and thoughtful wills and the earnings o these funds. Approximately 25% of this amount has been realized during the past two years.

The property in Durham, including buildings, etc., has a value in excess of $2,000,000 and a lon term mortgage liability of $318,000. The Home's equity as of June 30, 1973 was $3,271,468.04. (A copy of the current audit is on file at the Home in Durham and in the Conference Treasurer office.)

REPORT OF THE REGIONAL COMMISSION HIGHER EDUCATION AND CAMPUS MINISTRY

June - December 1973

The Regional Commission is a joint committee representing the Western North Carolina Annua Conferece and the North Carolina Annual Conference primarily to provide support and guidance for a program of Campus Ministry in North Carolina.

In June 1973, following the resignation of Dr. Phillip Shore, Rev. H. Langill Watson became chairman of the Commission. Dr. Glenn Rankin was elected vice-chairman, succeeding Mr. Watson.

The Regional Commission, with funds from the two Conferences, supports fourteen campus ministries. Nine full-time ministries are:

UNC-Chapel Hill - Rev. Robert L. Johnson, Chaplain

North Carolina State University - Rev. Neal McGlammery, Chaplain; Ms. Sheryl Scrimsher, Associate

East Carolina University - Rev. Dan Earnhardt, Chaplain

Appalachian State University - Rev. Manuel Wortman, Chaplain

Western Carolina State University - Rev. George Weekley, Chaplain

UNC-Greensboro - Rev. Doug Camp, Chaplain

A & T State University - Rev. Earl Wilson, Chaplain

Duke University - Ms. Cathy Carlson, Chaplain

Wake Forest University - Rev. Mark Rose, Chaplain

A part-time ministry is supported at Pembroke State University - Rev. J.J. Juren, Chaplain

A joint ministry with the Presbyterian Church US is supported at UNC-Charlotte - Rev. David Frye, Chaplain

Cooperative ministries with several denominations are supported at North Carolina Central University - Rev. Robert Murrary, Chaplain; and at UNC-Wilmington - Rev. Milton Boone, Chaplain; and a ministry to black students at UNC-Chapel Hill - Rev. Preston Jones, Chaplain.

The Commission held only one meeting during the seven month period of this report, an overnight meeting, October 8-9, 1973, at Pfeiffer College.

At the Pfeiffer meeting a major report was received from a Study Task Force appointed by Dr. Shore. The task assigned to the Study Group was a look at our total campus ministry program with the aim of seeing where possible changes might be indicated to: 1) enter into joint ministries; 2) recommend changes in present ministries being supported; 3) recommend changes in use of funds at the disposal of the Commission.

Growing out of this report, plans were launched to end our Methodist ministry at Duke University and to join with the Presbyterians in support of a joint ministry under the auspices of the Duke

Chapel ministry. Steady progress has been made in this endeavor and hopefully such a joint ministry will be launched in September 1974. A concommitant part of this arrangement is the recommendation that the Jordan Building at Duke University be discontinued as a center for campus ministry activity, and such a recommendation has been referred to the Trustees of the Jordan Building.

It is the hope of the Commission that a similar joint ministry with the Presbyterians can be inaugurated at Wake Forest University, however, at the present time no discussions or concrete plans are underway.

On October 29, 1973, a joint meeting of the cabinets of the Western North Carolina and North Carolina Annual Conferences, with the college chaplains, was held at Duke University to discuss the needs and challenges of Campus Ministry.

Consultation continues with the various denominations of North Carolina represented in the North Carolina chapter of United Ministries in Higher Education, with the hope of extending and strengthening Christian witness on the various college campuses in North Carolina. A particular concern is to more adequately provide a ministry to predominantly black campuses and creating joint ministries on several campuses where such effort seems feasible.

A continuing concern of the Regional Commission is the lack of funds to adequately support the campus ministries under the sponsorship of the Commission. The problem has several facets; inflationary pressures, the need for expansion of ministries, and perhaps most troublesome, the imbalance between the historic 60-40 financial support given by the two conferences occasioned by a continuing lessening of support from the North Carolina Conference. A fervent hope of the Commission is that this historic ratio of support can be re-established, in which case much of the financial squeeze now felt by the Commission can be relieved.

As we look to the future, our conviction is firm that our chaplains provide a vital religious presence on our State University campuses, a presence we can ill afford to discontinue. Yet, that prospect will become inevitable if additional financial support cannot be found.

THE DIVISION OF HIGHER EDUCATION AND CAMPUS MINISTRY
June-December 1973

Two meetings of the Division were held in the seven month 1973 Conference Year.

A called meeting of the Division was held on June 19, 1973, to elect a chairman to succeed Dr. Cameron West. Rev. H. L. Watson, Vice Chairman of the Division was elected Chairman. Mr. Kenneth Hite was elected Vice Chairman. Other business concerned budget allocation by the 1973 Annual Conference, the method of nomination of Trustees of our Conference colleges, how to implement the 1973 Annual Conference action recommending that each local church set up a scholarship fund for students enrolling in one of our Conference colleges, and priorities for 1975 to be presented to the Conference Council on Ministries.

The Fall meeting of the Division was held November 15, 1973. Adoption of the 1975 budget, nomination of college trustees, and distribution of 1974 College Sustaining Funds were regular items of business. Two special reports were received by the Division.

The first was from a sub-committee appointed to recommend a program for enhancing local church support for our Conference colleges through local church scholarships. The report as adopted encourages each local church to establish some supportive scholarship scheme and to designate local church memorial gifts for a Conference Scholarship Fund.

The second report was a college enrichment proposal presented to the Division by the presidents of Louisburg, Methodist, N. C. Wesleyan colleges. The proposal was referred to a special study

committee which met December 14, 1973. In response to the recommendations of this Committee, the Division is recommending to the 1974 Annual Conference that meetings be held in each District during November 1974 under the joint sponsorship of the Divison of Higher Education, District Councils on Ministries, and the three colleges. The purpose of the meetings will be to consider the role our colleges play in realizing our goals as Methodists, to interpret the needs of the colleges, and most of all, to get a "grass roots" response from the laity of our Conference as to how we may more creatively approach the needs of church supported higher education in the North Carolina Conference.

The major concern of the Division in 1973 has been how to deal in a creative manner with the real and urgent needs facing our three colleges. Two issues are central to the whole matter: 1). How to provide financial support adequate to enable the colleges to continue to function as vital and meaningful centers of learning; 2). How to reverse a continuing downward trend in enrollment. Neither issue is a problem unique to North Carolina Conference Methodists, but rather a reflection of a state and nationwide crisis in both public and private higher education. How successfully the crisis posed will be dealt with will in the end be determined by the kind of will and determination expressed in both tangible and intangible ways by the people of the North Carolina Conference. The hour is at hand when a new level of response must be realized or drastic changes in our present programs in higher education will be made.

THE DIVISION OF INTERRELIGIOUS AND ECUMENICAL CONCERNS

District Responsibility Workshops were held in eleven Districts in September. These were led by three of our District Chairmen, and the attendance was good.

Regular meetings of the Division are being held in towns where outstanding ecumenical projects are taking place.

A pictorial display of "Cooperative Church Ventures," depicting interesting ecumenical activities, was viewed by those attending Summer R. & R. Two Workshops were held at these Sessions. A film, "A Legend," was furnished by our Division for use in the Center for Learning at R. & R. This is an excellent film and may be obtained from our Conference TRAFCO office.

The Week of Prayer for Christian Unity was observed in several communities in our Conference in January. These were cooperative experiences and were enthusiastically received.

Materials are being collected for a News Letter which will be sent to local chairmen. This letter will feature interesting ecumenical projects from across the Conference.

C.O.C.U. is very much alive! It is pursuing these priorities this year: 1. Institutional Racism; 2. Faith, Worship and Ministry; 3. Generating Communities; 4. Study of the Local Expression of Church; & 5. Interim Eucharistic Fellowship. The next Plenary Session will be in November 1974.

Ecumenism is a living reality. A deep and vital interest in the movement is apparent among most of the "main line" Protestant denominations, as well as among many Roman Catholics and Jews.

DIVISION OF LAY LIFE AND WORK

This has been an interesting year for our Conference Division of Lay Life and Work. We sense a regaining of strength in our programs and an expansion into some new areas.

At the beginning of the last Conference year our Division started out with great enthusiasm to encourage the starting of as many new Methodist Men's Groups in the North Carolina Conference as possible. "Encourage" we did. "Starting" we also did, but we found that it will take a lot more encouragement and active participation of our Division over a longer period of time if we are to achieve the desired results. We plan to pursue the same goal during the coming Conference year as well as enlisting more participation in the Methodist Men's Scholarship Program.

The Division of Lay Life and Work recommended at least two programs to each District Council on Ministries: a lay/clergy dialogue and listening sessions within each district. The District Councils responded in different ways, although some of them had both the dialogue and listening sessions.

The number of Districts holding District Lay Retreats increases each year. We are also finding lay participation is increasing among most of the districts that have held Lay Retreats in previous years. Since we did not hold a Conference-wide Lay Retreat this year, District retreats are becoming more important to our total program.

Many local churches observed Laity Day. Different approaches were tried in some churches: dialogue sermons with the lay leader and the pastor, films, panel discussions, as well as more traditional services.

The Lay Training Workshop sponsored by the Division of Lay Life and Work were planned and the leaders for the most part were trained during the final months of 1973. (The workshops were in early 1974.) The training of leadership for these workshops was handled in a different manner from previous years and we feel the Workshops were improved as a result. The Conference Staff and Belton Joyner in particular deserve much credit in this endeavor.

A number of persons from our Conference attended the National Conference of the Laity at Purdue University in July.

The Division of Lay Life and Work appreciates the support of Bishop Blackburn and others. In closing, our report for 1973 should indicate our great excitement and anticipation for 1974 and the years to come. We are glad to be a part of the North Carolina Conference.

THE COMMITTEE ON THE LAY WORKER

The *Discipline of the United Methodist Church* defines a Lay Worker in Paragraph 501 in this manner: "A Lay Worker in the churches is a person other than the clergy whose decision to make a career of the work (either full-time or term) in the employed status in the church or church-related agencies is accompanied by the meeting of standards of excellence in the chosen field of service and who has been consecrated by a bishop."

The Committee on the Lay Worker calls the attention of the Annual Conference and especially the attention of local churches employing lay workers to Par. 507.1 of the *Discipline of the United Methodist Church*: "The employing agency shall include the lay worker in the retirement plan of the Lay Employee Pension Fund (Par. 1377.12) or other such appropriate plan as provided by the Board of Pensions or other boards or agencies of the United Methodist Church." The Cumulative Penison and Benefit Fund is now the successor to the Lay Employees Pension Fund. Into this plan, the consecrated Lay Worker moves with guaranteed participation based upon the above legislation. The responsibility of the Committee on the Lay Worker is to see that this guarantee is given to the Lay Worker and where necessary to enter into negotiation with the employing agency to see that this support is established. Detailed information on the Cumulative Pension and Benefit Fund is available from the General Board of Pensions of the United Methodist Church, 1200 Davis Street, Evanston, Illinois 60201. For the sake of uniformity we recommend that the pension plan for Lay Workers in the North Carolina Conference be based upon an annual contribution of 9% of the employee's salary—6% to be paid by the employing agent and 3% by the employee (or some combination of percentages to add up to 9%).

We encourage local churches employing Lay Workers to pay the premiums for the Blue Cross-Blue Shield Insurance plan, and to participate, in their behalf, in the Conference program of Group Life Insurance.

The Committee on the Lay Worker also calls upon all local churches within her bounds to consider a pension program, as well as hospitalization and life insurance, for ALL lay employees—not just those who qualify as Lay Workers.

DIVISION OF MISSIONS

This seven month year has been a productive time for our Conference as God's people in mission. There is a re-birth in our commitment to missions evidenced by a dramatic increase in our giving through the Advance during the past year. We are moving vigorously in the field of parish development. The joy of mission involvement is that the paradox of God's love is made evident in the moment that we feel we are giving our selves away. In that very moment God gives us more to give.

Rufus H. Stark, II
Chairperson

CHURCH AND COMMUNITY COMMITTEE

1. HARNETT COUNTY. Miss Bernice Ballance, Community Worker, continues to do a fine job working with the County and the Fayetteville District.
2. ROBESON COUNTY CHURCH AND COMMUNITY CENTER. Reverend Robert Mangum, Director, Miss Mary Cameron and Miss Kathy Mitchem, Community Workers. The Robeson County Church and Community Center began in 1969 under the funding from The Bishop's Fund for Reconciliation. The Center continues a service-social change reconciliation ministry under United Methodist and Interdenominational support from Robeson and beyond. The Center plans to continue with a Director and a team of two Community Workers and others.
3. PAMLICO PARISH. Reverend Ray Sparrow, pastor in charge. The Parish continues to make creative and helpful strides in the churches and beyond. Camp Don-Lee is serving the Parish as well as the Conference. Dr. C. P. Morris, Director.
4. BEACH MINISTRY AND SEAMAN'S SERVICE CENTER continue in ministry along our beaches at Morehead and Wilmington, particularly during the summer.
5. KITTY HAWK. Reverend Willie Teague and this group continues to minister to our folk, and others who come, on our outer banks there.
6. KENANSVILLE PARISH. Reverend Jack Benfield, pastor is one of our newest parishes which is showing what can be done for good and for God, in and through a parish.
7. PROSPECT UNITED METHODIST CHURCH. Mrs. Ruby Locklear, Indigenous Community Developer. This program is now in its third year with progress being made.
8. TOWN AND COUNTRY COMMITTEE. Reverend George Johnson, Chairperson. The Town and Country Committees met in Goldsboro in the fall of 1973 and made plans to send a group of persons to Hinton Rural Life Center. We also discussed how to provide leadership to our churches in town and country situations. We noted low morale, low salaries, work load, etc. It was decided that we needed to help some of our men catch a new vision of what might be expected in the parish. To that extent the following has been done:
   1. Sent a delegation of 10 persons to Hinton, October 8-11
   2. Gave support in finances and leadership to the Parish Fellowship
   3. Through our leadership we have helped in the planning of the following:
      a. Parish Fellowship Retreat, January at Amity UMC, Chapel Hill.
      b. Parish Consultation, February at Methodist College
      c. Bishop's Visitation with leaders of small membership churches, in January.

   We feel that through the above we have begun a vital ministry to small membership churches in that a new attitude is being reflected in our Conference. As parish situations develop we will continue to offer leadership and encouragement in this exciting and promising form of ministry.
9. URBAN MINISTRIES COMMITTEE. Reverend John K. Ormond, Jr., Chairperson. During the 1973, seven month conference year, the Urban Committee of the Division of Missions made several important steps toward broadening our understanding of urban dynamics and imple-

menting a more comprehensive urban ministry concept in the North Carolina Conference.

With the invaluable support of the Association for Christian Training and Service, consultation on urban possibilities for ministry was entered into in several cities in the Conference. In Fayetteville, the Urban Committee along with the Fayetteville District Council on Ministries, sponsored an "Awakening Weekend" staffed by Urban Action of Atlanta. Continued dialogue, training and planning has gone on with the Fayetteville Urban Committee, looking toward the establishment of a full fledged Urban ministry in the Fayetteville area sometime in 1974.

Continued development of an urban coalition with the Western North Carolina and South Carolina Conferences has also taken place. This dialogue has begun to develop into a real opportunity for sharing resources, ideas and training and development of urban leadership, continued involvement with the Association for Christian Training and Service and the Tri Conference Piedmont Coalition, and further consultation with local communities to give support to present ministries and to help develop new models to meet their changing needs.

10. CHURCH EXTENSION COMMITTEE. Dr. W. W. Austin, Chairperson. This committee has adopted rules and regulations for the $10 Club and has carried out the work very well. The number of $10 Club members continues to increase. Approximately 300 new members this year. The combined foreign call was Singapore and Bolivia, the Conference call was Wellons Village.

COMMITTEE ON EDUCATION AND CULTIVATION
Report for June, 1973-April, 1974

This committee has restructured naming three sub-committees: The Advance, Mission Interpretation, and Mission Studies.

The greatest amount of activity during this period has been with the Advance, under the chairmanship of Reverend Clyde Dunn of Red Springs. Missionary Salary Support received the greatest promotion, with continued effort in mission specials. Many local churches have begun partial support of missionaries, and every district has increased its commitment to "Second-Mile Giving." The total amount of Advance Giving during 1973 is in excess of $160,000, as compared to $125,000 the prior year. The Advance continues to support the following mission projects:

New Delhi, Ramakrishnapuram
Robeson County Church and Community Center
The Ten Dollar Club-Phase II
Conference Advance Projects

Hinton Rural Life Center has been accepted as the priority mission project for the Southeastern Jurisdiction. The committee expresses appreciation to Bishop Robert M. Blackburn and to his Cabinet for their support of our Mission Special promotion. Also, a word of commendation goes to the local churches for their participation in mission. As a result of that involvement by local churches, we have been able to help the United Methodist Church to increase missionary salary support giving by more than 12% already. We need your continued support in the area of mission salaries.

One new approach to mission involvement has been tried in the Rockingham District, the mission saturation event called "Adventure in Mission Week-End." Through seven churches and individual "Faith Promises" $14,000 was pledged to mission giving. Similar mission saturation events will occur in other districts beginning in 1974 and 1975.

The Mission Interpretation Sub-committee is chaired by Mrs. Edna Lambright of Newport, North Carolina. This committee has met and planned for the Fall Mission Rallies for 1974 during the month of September. Mission interpreters will appear in every district for promoting mission awareness and involvement. Some mission interpreters who have appeared during 1973 Conference year are Reverend Billy Starnes, Dr. David Flude, Mrs. Lorena Kelly, Miss Kamela Edwards, Reverend Jim Brinks, Mrs. Julia Dixon, and Mr. and Mrs. Don Sibley.

The Committee on Mission Studies under the direction of its chairperson, Reverend Milton Mann of Hertford, has provided material and resources for mission education and cultivation. The interest of this group has been to highlight the mission studies each year and to encourage each local church to participate in the studies. Also, attendance at summer R & R at Methodist College, Fayetteville, is encouraged by this committee. Leadership personnel and other splendid resources are provided through the mission studies sub-committee. There were more than 40 persons present at the Southeastern Jurisdictional Conference on Mission at Lake Junaluska in the summer of 1973, youth and adults. This experience is a highlight in mission education.

The District Chairpersons of Mission who have aided in personal leadership and promotion of the mission cause in the North Carolina Annual Conference are as follows: George W. Johnson, F. Roderick Randolph, Milton T. Mann, Edward Franklin Smith, Dr. Lee Adams, Troy James Barrett, Peleg Dameron Midgett, III, Amos Henry Stone, Clyde H. Dunn, Charles B. Myers, Harvey Worth Pearce, and Charles H. Mewborn.

COMMITTEE ON PASTORAL CARE

The proposals adopted by the 1973 Session of the North Carolina Conference in the report of the Committee on Pastoral Care have been implemented during the seven-months year. The first Pastoral Care seminar for ministers and their wives was held at Wrightsville Beach on November 2-3, 1973 for the New Bern and Wilmington Districts. Leadership was provided by Rev. and Mrs. Warren R. Ebinger from Washington, D. C. (General Board of Church and Society), and members of the Committee on Pastoral Care. Sixteen couples from the two districts attended, including Bishop and Mrs. Robert M. Blackburn, Rev. and Mrs. Harold F. Leatherman, and Rev. and Mrs. W. Junius Neese. Important discussions in the area of the problems of the minister and the minister's family were held in an atmosphere of concern and trust with indications of new insights recorded by a number of the participants. Similar seminars are now in the planning stages for several more districts during 1974.

The Pastoral Counseling Service at the Duke Medical Center has provided professional counseling services for parsonage families in the North Carolina Conference during the seven-months year, but the record of this assistance cannot be detailed without revealing the confidential nature of the problems involved. It should be sufficient to record the fact that there were parsonage families within our conference who had personal problems of such a nature that professional help was necessary for their solution. During 1974 we anticipate more individuals and families will take advantage of this service and the financial assistance offered by the Committee on Pastoral Care. The following guidelines for expense-sharing by our committees are recommended for 1975:

1. Cost of first visit to the counseling service would be met in full by the committee, up to a limit of $20.22.
2. Cost of successive visits to the counseling service, to a maximum of four, would be shared by the committee on a 50%-50% basis, until the total support for the initial visit and successive visits reaches $60.00.
3. The total support for these visits to the counseling service (by an individual or a family) would be $60.00.
4. Some psychiatric services are always available from local psychiatrists through the provisions of the Major Medical coverage of our conference Blue-Cross and Blue-Shield insurance program. These would not apply, however, at a pastoral counseling service for other than specialized medical consulting services.
5. Referrals can be made by the individual involved (by calling the Duke Pastoral Counseling Service in Durham - 684-3586), the Bishop, the Cabinet, or the Division of Ministry, but all matters

dealt with in the counseling sessions will remain privileged information until the individual involved wishes some report to be made.

The desire of the Committee on Pastoral Care continues to be for stronger, happier, and more productive family relationships in the parsonages of our conference. To this end we direct our programs and proposals, and welcome the support of other conference agencies in our efforts.

COMMITTEE ON PARSONAGE STANDARDS
A GUIDE FOR BUILDING, FURNISHING, AND MAINTAINING PARSONAGES

INTRODUCTION

It is the policy of the North Carolina Conference that every pastoral charge shall provide a parsonage in which the pastor and his family shall reside.

It is recommended that in each pastoral charge having a parsonage, the charge conference elect a Parsonage Committee whose responsibility it shall be to work closely with the charge trustees and the pastor-parish relations committee in providing an adequate and comfortable residence for the pastor. This committee should meet regularly and as needed. In charges of more than one church, each church should have a representative on the Parsonage Committee except where one church owns the parsonage, then the Parsonage Committee should be elected by the Administrative Board of that church.

Parsonages should be so designed that pastoral appointments can be made on the basis of the needs of the charge rather than the suitability of the parsonage to receive the family assigned.

The following suggestions are GOALS toward which to work. They are given with the idea that the pastoral charge should know what is expected of it and that the parsonage family may know what to expect in the parsonage.

THE HOUSE

It is suggested that the parsonage have:

1. Minimum of three bedrooms (four are preferable) with ample closet space in each.
2. A family room or den preferably separate and apart from the kitchen.
3. Kitchen with built-in cabinets, sink, hot and cold running water. Large enough for family eating space, or a breakfast nook.
4. Utility area large enough for washer, dryer, ironing equipment, etc.
5. Two baths.
6. Living room, large enough for necessary parsonage entertaining.
7. A dining room is desirable, but where there is no dining room, the dining area should adjoin the living room in a living-dining room combination.

8. A home study in the parsonage is a desirable option in addition to the church office-study. It should have an outside entrance and be suitably equipped.
9. Garage with doors and/or carport.
10. Dry storage space large enough to accommodate such items as extra mattresses, furniture, etc.
11. Adequate heating equipment and insulation, including storm windows and doors. Central air-conditioning is recommended.
12. Adequate rotary TV antenna: The purpose of this recommendation is to save the roof of the house from excessive wear due to moving antennas.

THE FURNISHINGS

The pastoral charge should provide:

1. All heavy furnishings, including electric or gas cooking range, refrigerator with freezer compartment, automatic hot water heater, automatic washing machine and dryer. A dishwasher is a desirable option.
2. Bedroom, dining room, and living room furniture.
3. Good mattresses, floor covering, shades or blinds, curtains or draperies in all rooms.
4. Some lamps and occasional tables.
5. Note: Discarded furniture should not be put in the parsonage.

The minister's family should provide linens, blankets, pillows, baby beds, dishes, china, crystal, silverware, cooking utensils, radio, TV, and other personal items which they desire.

PARSONAGE GROUNDS

Parsonage grounds should have foundation shrubbery, shade trees, adequate yard space for children, paved driveway and walks, and a power mower where there is a large lawn.

CARE OF PROPERTY

A clean parsonage is much to be desired by all.

It is urged that a minister's family try to do periodic cleaning and keep the home as clean and attractive as possible.

Any abuse of the furnishings or house beyond normal wear should be the responsibility of the parsonage family. It is recommended that pets should be kept out of doors. Any damage by pets is also the responsibility of the minister's family.

Walls and woodwork should be painted at least every four years, or more often if needed, especially in much-used rooms (kitchen, den, children's rooms) with care being taken by the parsonage family to clean areas where a little cleanser can do the job. The expense of painting, sanding and refinishing floors, repairs, periodic pest extermination, cleaning of carpets and draperies, are expenses to be borne by the church.

It is the responsibility of the minister's family to leave the parsonage clean and in good condition when he moves to another charge. As close to moving time as possible, each family should wash windows, screens and window sills, and leave curtains, draperies, carpets, shades and blinds clean. Special attention should be given to closets, cabinets, and drawers. Bathrooms, kitchens, storage rooms and attics should be clean. Mattresses and springs should be vacuumed and in good repair. Refrigerators and stoves as well as all other appliances should be clean and in working order. Check light fixtures, exhaust fans, hot and cold air ducts to assure cleanliness.

The following information should be left by the pastor for his successor:

All guarantees, repair parts list, and instructions for use of equipment belonging to the parsonage. He should indicate when and from whom equipment was purchased, and whom to call for service. He should leave, also, a list of persons to call for various reasons, where to find various items, and when and by whom various improvements were made.

THE PARSONAGE COMMITTEE

The parsonage committee should have a current inventory on parsonage furnishings. A copy of this inventory should be given to the minister and the trustees of the parsonage property. This inventory should include date of purchase of each item listed.

The parsonage committee should meet with the minister and his wife at least annually. Needs should be discussed openly. Furnishings should be evaluated at this time to decide the

condition of pieces, to discard unacceptable items, check for needed repairs, and replace items if needed.

The parsonage committee should recommend to the finance committee an amount to be set aside each year, or included in the budget, for repairs and maintenance. An amount equal to 2% up to 5% of the parsonage value is suggested to be set aside each year to accumulate for large repairs. The house should be kept well painted outside and inside, and should be checked periodically for pest control.

When a minister moves, the parsonage committee should see that the lights, telephone, and water are connected, taking care of a deposit for public utilities. The committee should take care of the needs of the new minister's family as soon as possible, checking the house before they arrive and checking with the family upon arrival.

BUILDING A NEW PARSONAGE

In all matters pertaining to the location and building of a parsonage, the DISCIPLINE should be consulted.

Paragraphs 1436-37 of the 1972 DISCIPLINE give the procedure for building a parsonage. In part, it states that the pastor and district superintendent shall give their written consent to build or purchase a parsonage; that the District Board of Church Location and Building shall approve of the proposed site; the building committee shall submit a statement of the need for the proposed facilities and architectural plans and financial estimates and plans to the District Board of Church Location and Building for consideration and approval. Paragraph 1403.2 pertains to acquiring the property.

Parsonage sites should be selected that will hold their value and be a wise investment. Whenever a new parsonage is built, its many uses shoud be considered. As a rule, a parsonage should be *built*, not *bought*. The type and cost of the house should be in keeping with the homes of the community.

GENERAL STATEMENT

Ordinarily, the congregation likes to see the parsonage. Therefore it is suggested that "Open House" be observed occasionally.

The slogan of the North Carolina Ministers' Wives Association is "Leave every parsonage better than we find it." It is hoped that each minister's family will seek to maintain this goal.

THE COMMISSION ON RELIGION AND RACE

The Commission on Religion and Race sponsored a Conference-wide seminar on Racism at Methodist College, October 25-26, 1973. The purpose of the seminar was to: "Look beyond merger to the spirit of Christian Community and justice, to look at some of the dissatisfaction which is not being addressed, and to look at opportunities for ministry to Black Ministers." Forty-five persons including the Bishop and members of his cabinet attended.

District workshops were held on Racism and Human Relations in the Burlington, Sanford, and Greenville districts with a total attendance of 170.

Several local churches have been involved in study and action in the area of race.

Some progress has been made during the conference year in race relations, but much remains to be done. More emphasis on exchange of pulpits, choirs, and interracial study and action is urged for the coming year.

DIVISION OF STEWARDSHIP

The purpose of the Division of Stewardship is "to interpret the biblical and theological basis for stewardship consistent with the doctrines of The United Methodist Church and inform the church of the same through educational channels and study materials." *Discipline,* 1022.

In September our Division participated in Responsibility Workshops to train local church stewardship persons how to function with their local Council on Ministries and carry out their responsibilities according to *Guidelines For Stewardship*.

A program for stewardship education in the local church was developed and tried at Pleasa Grove Church near Raleigh with a high rate of success. It was entitled "A Christian Stewardship Crusade" and approved by the Division for preparation in manual form for use in the local church upon request.

Members of the Division were briefed in Richmond, Virginia of the new Commitment Plan as an interdenominational tool for program planning, budgeting and pledging in the local church. The Commitment Plan replaces the EMC materials. These materials on the Commitment Plan will be available through Cokesbury in 1974. Plans have been laid for helping those churches who want to use the new materials when they become available.

The Division operates on a point of view that every local church should employ the Commitment Plan or the Christian Stewardship Crusade to supplement its stewardship emphasis in the church.

Various members of the Division have participated in the Conference and National events to coordinate our program in stewardship with that of the general church.

DEPARTMENT OF GIFTS AND WILLS
June 1-December 31, 1973

The department operates under the Division of Stewardship and has established a new program entitled "Wills and Estate Planning Seminar" for local churches to inform them of what can be done by persons who make wills and express some thought to charitable deferred giving to churches and conference agencies through their will. A staff of volunteer leaders is being compiled to make this program available to every local church upon request. During 1974 at least one church in each district is being asked to volunteer to conduct this program.

The Department of Gifts and Wills is not primarily a collecting agency of funds representing proceeds from estates; however, it can and occasionally does function in a trust role and invests funds in Methodist Foundation, Incorporated for administration according to the terms of the will.

Assets of over $118,000.00 from wills are on deposit in Methodist Foundation, Incorporated in specific trust accounts which are administered according to the terms of each respective will. Most wills that were solicited through our agency have been probated through local attorneys with distributions to local churches and conference agencies outside of the Department of Gifts and Wills.

Nearly $3,000.00 was paid out in scholarships and trust accounts representing interest on invested funds. Ministerial scholarships are now available in small amounts upon application to the Department of Gifts and Wills.

Brochures and pamphlets are distributed through the Coordinated Mailing and upon special request to interpret the value of making wills and remembering God's work in one's will.

The department also stands ready to assist any local church to set up a local committee on wills to strengthen this vital emphasis on the local level.

THE CONFERENCE BOARD OF TRUSTEES

The Annual meeting of the Conference Board of Trustees was held at 12:30 p.m. on June 5, at Methodist College during the Annual Conference Session.

The financial statement as presented by the Conference Treasurer showed funds totaling $443,139.37 held by the board as of May 31, 1973. Income for the year was $26,177.99.

During the 7-months year, the Board of Trustees transferred to the Reserve Pension Fund the sum of $340,000.00 with the understanding that this amount fulfills the obligation from the Trustees Fund to the Board of Pensions for funds held in trust by the Trustees for the benefit of Conference Claimants.

At the meeting of the Board in October 1973, Dr. Bruce Petteway, of Elizabeth City, was elected Chairman of the Board, replacing Mr. Elisha M. Herndon of Durham, whose tenure on the Board expired in June 1973. At this meeting the Board authorized the sale of the staff parsonage at 4712 Rampart Street in Raleigh and the purchase of another residence more in keeping with the parsonage standards as recommended by the conference Parsonage Standards Committee. These two transactions are proceeding on schedule. The new residence has been purchased and is being furnished and made ready for occupancy by a Council on Ministries staff member in June 1974.

A new conference headquarters staff parsonage committee has been constituted consisting of Mr. Marshall Hartsfield, Chairman, a Raleigh attorney and a member of the Conference Board of Trustees; and Mrs. Helen Springer and Mrs. Rose Harrison both of Raleigh, appointed by the Conference Council on Ministries.

Upon recommendation by the 1973 session of the Annual Conference, your Board of Trustees, through the Conference Treasurer-Business Administrator, has pursued throughout the past year, the matter of the General Church Insurance Program. Mr. McAdams, Treasurer-Business Administrator, attended a General Church Insurance meeting in St. Louis in the fall of 1973 and subsequently has had many conferences and negotiating sessions with the General Council on Finance and Administration office; the Insurance underwriters; the Commissioner of Insurance for the State of North Carolina and the North Carolina Fire Insurance Rating Bureau. We are happy to report, following several months of negotiations, that on May 23, 1974, representatives of the Atlantic Mutual Insurance Company of New York, the North Carolina Insurance Commissioner's office and the North Carolina Fire Insurance Rating Bureau met in Raleigh to arrive at what is hoped to be final approval of the program for North Carolina. We will communicate with all of the charges of the conference when this program is finalized. We anticipate some final decision within the next week.

We have also successfully pursued another matter relative to the conference property. The 1973 session of the General Assembly of North Carolina passed legislation which would make the Episcopal Residence, the Headquarters staff parsonages and the District parsonages subject to ad valorem taxes. Mr. McAdams, working with the Attorney General's office, Senators Strickland of Wayne County and Staton of Lee County, and The Reverend Collins Kilburn of the North Carolina Council of Churches, was successful in having the law re-written and ratified by the 1974 General Assembly, thus removing these parsonages from the properties subject to ad valorem taxes as of January 1, 1974.

The Methodist Building continues to be fully leased and your Board of Trustees during the past year has endeavored to properly supervise and maintain this building and all other conference property entrusted to our care.

The status of the Trustees' Fund, Methodist Building account, Staff Parsonage and Episcopal Residence accounts have been reviewed by the Trustees, audited by the conference auditors and will

be included in Section VI of the 1974 JOURNAL as part of the Conference Treasurer's Statement of Board Operations.

As of December 31, 1973, funds held by the Trustees as reported by the Conference Treasurer totaled $130,570.62. At the annual meeting in June 1973, the Trustees authorized a loan to itself in the amount of $29,700.00 for financing the balance due on the new Episcopal Residence.

UNITED METHODIST WOMEN

The seven months period from June through December 1973 was one of planning, training and study for the newly organized United Methodist Women.

In June all Conference officers attended the Regional School at Lake Junaluska for training by Women Division members and staff.

During the R and R weekend at Methodist College, all of the Executive Committee spent a day in building community, planning and setting goals. We were guided by a member of the Women's Division staff. Our first goal was to build the group into a team.

United Methodist Women sent the Secretary to the meeting of Board of Global Ministries in New Orleans.

To encourage Districts to recruit new members, a fifty dollar gift to missions will be given in honor of the District acquiring the largest number of new members during the year. The award will be given at the next Annual Meeting.

The first Annual Meeting of United Methodist Women was held September 14-15 at Methodist College. The keynote speaker was the President of the Women's Division, Mrs. C. C. Cummings. The annual Love Offering went to the Robeson County Church and Community Project in the amount of $5,642.63. The candle burned for missions in honor of and in memory of Methodist women. This gift to missions was $869.65.

In October about sixty Methodist women attended the National Assembly in Cincinnati. All Conference officers attended and also two young women under thirty who were non-members.

The entire Executive Committee, including District Presidents, gathered for a two day in depth training at Methodist College in December. Maryruth Nickels from the Regional Office in Atlanta guided the group. This was in preparation to train District Officers, who in turn will train local units.

Scholarships in the amount of $2725.00 were given to young women to attend Methodist Colleges. Special Gifts of $1,200.00. Transit Gifts of $2,507.00 were also given during the time. As of December 31, 1973 the Conference sent to the Women's Division $215,067.70 for the on going program of the Division.

The coming year will be a time of putting into action the training and planning that has been done during the seven months period.

METHODIST MINISTERS CREDIT UNION
REPORT TO ANNUAL CONFERENCE
June 5, 1974

Methodist Ministers Credit Union continues to grow not only in assets but in service. The latter gives meaning and purpose to the growth in assets.

The balance sheet for May 31, 1974 is given below for your information, but it is out of date today because change is always with us. At times the changes are sudden and drastic.

The steadfast loyalty of our members has been of such a quality that the sudden and drastic changes in the financial world about us have been less disruptive to our Credit Union than to many agencies serving the savings and lending needs of our population.

When others have felt the shock and crunch of tight money, our shares have continued to grow. When other Credit Unions and savings institutions were suffering because funds were being withdrawn and shifted to sources of higher yield in 1973, insofar as we know not a dollar was withdrawn to be invested elsewhere. Such support and loyalty is the Credit Union's way of putting service above profit.

Since last Conference our Credit Union has entered an entirely new field of service. Our field of membership has been redefined to include "Full-time employees of institutions and agencies of or related to the North Carolina Annual Conference of the United Methodist Church, the spouse and children, both natural born and adopted, of the eligible employees."

Now we are ready to extend our hand of service not only to the employees of our present colleges, homes and agencies, but to the employees of any new institution or agency of or related to our Conference. It is now our purpose not only to serve the ministers and their families, as we have in the past, but all other full-time lay employees of the institutions and agencies of our Conference.

Making Credit Union service available to these employees adds a new and significant fringe benefit to their employment. We call upon all administrative personnel to help us make this new service known. In response we promise to give the best service our abilities and resources will permit. With the new potential in membership and service it seems appropriate to briefly describe some of the basic functions of our Credit Union. We will confine this to three areas.

1. SAVINGS
2. LENDING
3. COUNSELING

Thrift should be a part of our way of life as employees of the church. We encourage it. We recommend that you save some from your earnings for yourself after giving to the Lord His tithe.

At present we have two savings Programs:

A. SHARES
B. DEPOSITS

Share accounts make up out basic savings. Share are $5.00 each and every member must have at least one share. Dividends are paid annually on December 31 on shares on record on that date. Currently the dividend rate is 4.5%.

Shares earn life insurance for you, too, on the first $2,000.00 saved. From six (6) months of age to age 55 the ratio of insurance and shares is dollar for dollar. At other ages the insurance ratio is less. The insurance earned is determined by the age at the time of investment. Double indemnity accidental loss of sight, and dimemberment to age 65 have been added to the basic life insurance coverage.

Deposit accounts may be opened by members and non-members, laymen and churches can invest in deposits. The initial deposit must be at least $100.00 and may be added to at anytime in any amounts up to a total of $20,000.00 per account.

Deposits are investments. Deposits earn guaranteed interest (currently 5%) and are compounded *quarterly*, but earn no life insurance. Members are required to have all insurable shares possible before opening a deposit account.

Savings of either type may be withdrawn subject to limitation provided by law. There is no penalty. Earnings are paid on the shares or deposits in the account at the end of the earning period. Investments made by the tenth earn from the first of that month.

The second area of service is in lending. All loans are required by law to be for "provident or productive purposes."

Our loans are divided into two basic types:

A. PERSONAL LOANS
B. ESTATE LOANS

Personal loans may be either secured or unsecured. Unsecured loans are signature or character loans and are limited in size. Secured loans are those where collateral is pledged. These are limited by our volume of shares, the value of collateral, and the ability of the borrower to repay. Personal loans are made for consumer credit (purchase of cars, vacation, education, medical expense, debt consolidation, etc.) and for the purchase of real estate.

Interest on all these loans is 12% *APR* the same as it was in 1960. We do not discount interest. You pay for the exact amount of money you use for the exact number of days you use it.

Estate Loans are made only for the purpose of buying shares. The interest rate currently is 6% *APR*. Shares purchased by an Estate Loan are limited to $2,000.00, but may be in smaller amounts. All these loans are limited to a term of 36 months or less.

The dividends you earn on your shares purchased by such a loan are more over the period of thirty-six months than the interest paid on the loan.

Insurable loans of all kinds are insured against death and total and permanent disability without added cost to the borrower. There is no insurance fee added here for the basic coverage

Temporary disability coverage is available at the creditor's option and expense--never more than

$8.60 per thousand for 12 months, $17.24 for 24 months, or $27.02 for 36 months.

The third area of service is counseling. Counsel concerning financial problems and needs is available without fee and is always aimed at your best interest. There is no profit motive to determine the counsel given. Service to you, the member, is the guiding force.

The assets shown in this balance sheet represents your investment in these important services to you and your fellow members. We must double these resources in the shortest possible time. The need is great. Let us make our response swift and generous.

RECOMMENDATIONS FROM THE JOINT COMMITTEE ON COMMUNITY ECONOMIC DEVELOPMENT THE NORTH CAROLINA CONFERENCE

BIBLICAL BASIS

The Spirit of the Lord is upon me, because He has annointed me to preach good news to the oor. He has sent me to proclaim release to the captives and recovering of sight to the blind, to et at liberty those who are oppressed, to proclaim the acceptable year of the Lord." (Luke :18-19)

Against this Biblical background, we affirm the following basic assumptions with regard to conomic development as an aspect of Christian mission:

BASIC ASSUMPTIONS

. Christian mission is concerned with the redemption and fulfillment of whole persons in community.

. Economic development is a legitimate goal of Christian Mission and a legitimate function of the Christian Church when and insofar as it is pursued as an aspect of human and community development.

. Human development means self-fulfillment, dignity and self-determination.

. Community development requires justice and cooperation.

. Any economic development program of the Church must be beamed to persons and groups suffering from poverty and injustice without regard for race or ethnic backbround.

In view of this basic assumption, the committee recommends the following goals:

. *DEVELOP AWARENESS*

Most of the people in our churches reveal little awareness either of the extent or the depth of poverty in our midst or of the mandate of our Gospel to be in mission to the poor and the oppressed. We expect to develop programs which will cultivate such awareness.

. *TRAINING PROGRAMS*

As awareness grows commitment will follow. But effective commitment requires training in the ways of helpfulness. Too often in the past our well-meaning efforts have been counterproductive because of paternalistic attitudes or ill-advised procedures. We will train leaders to equip them for effective support of community-based, self-help efforts of the poor.

. *TECHNICAL ASSISTANCE*

Among our constituency there are many persons who possess technical skills which are desperately needed by the low income people's groups who are trying to help themselves economically. We will recruit such persons and provide a linkage between them and the groups who desire to utilize their service.

MARKETING ASSISTANCE

Many self-help groups are producing commodities which could readily be sold through church channels. Marketing is one of their major problems. We encourage exploring the possibilities of creating a marketing network among our churches for such cooperatively made products.

FINANCIAL AID

Poor people's self-help efforts lack access to the usual channels of business credit. Their very poverty makes capital accumulation difficult. In the start-up phase, they need grants and loans. We will canvass all possibilities of financial assistance to self-help efforts of low-income people, including Advance Specials, Fund for Reconciliation, special contributions

from local churches and churchmen, National Division funding, etc. We will seek to be aware of the various governmental assistance programs and seek to enable persons to benefit from them.

Report of the Bishops' Call for Peace and the Self-Development of Peoples

At the 1972 session of the General Conference, the United Methodist Church authorized the implementation of a call throughout the United Methodist Church for peace and self-development. "On the basis of our personal relationship to Christ every United Methodist is urged to relate his or her commitments and lifestyle to the quest for world peace and the self-development of peoples." Part of that call was the instruction to each Annual Conference of the United Methodist Church to implement the Bishops' Call, "developing its own initiatives and utilizing its distinctive opportunities and expertise. Annual conferences are also encouraged to initiate and enter into cooperative ecumenical programs designed to increase public awareness and stimulate concerted action for world peace and human development. Annual conferences are urged to review critically program priorities and investment policies in the light of the Bishops' Call."

In complying with the dictates of the General Conference, Bishop Robert M. Blackburn appointed the Bishops' Task Force for Peace and the Self-Development of peoples for the North Carolina Annual Conference. According to the instructions of the General Conference, the Bishops' Task Force is not a programming agency, but is to act as a catalytic agency, a resource agency and a support agency for programming boards and agencies in order to enable them to fulfill the concerns of the Bishops' Call in their respective agencies.

The North Carolina Conference Task Force as appointed by Bishop Blackburn has been at work throughout the year, and makes the following recommendation to the 1974 session of the North Carolina Annual Conference:

We respectfully request the boards and agencies of the Conference to incorporate two concerns in their programs:

1. That there be a concerted effort on the part of the programming boards and agencies to bring before the constituents of the North Carolina Conference the problem of amnesty. Our hope is that the total concerns of amnesty, the pros and the cons, and the Christian conscience be brought to bear upon this problem, and that wherever possible commitments to action may be initiated.
2. That the North Carolina Conference programming boards and agencies involve themselves by being educated about the problems of migrant labor, and that constructive programs be initiated throughout the Conference to help meet the needs of migrant laborers, to find new ways to better their living and working conditions, enabling them to live their lives more fully as God intended.
3. The Task Force also recommends that the North Carolina Conference be a participant in a Tri-Conference Convocation with the Western North Carolina and South Carolina Conferences to be held April 20th, 21st, and 22nd, 1975, at First United Methodist Church, Charlotte, North Carolina. Each District of the three areas will be asked to send a team of

five people, including the District Superintendent, to be trained to go back into their Districts to help develop programs and actions in the local churches. This will be one of the most significant experiences of this type to be held by the United Methodist Church in the Carolinas.

The additional Lay Members needed will be selected by local charges on the basis of membership as listed in the latest publisher. Conference *Journal*. All charges with a membership above a determined number will have one additional lay member. The number of members required for a charge to have an additional lay member will be determined by the number of lay members needed to fulfill the quota for the Conference. For example, if 50 lay Members are needed to fill the formula the 50 charges with he largest membership having only one lay Member from the charge lay membership would each be eligible to elect a second member. The Lay Members to General and Jurisdictional Conference shall be Lay Members to Annual Conference at the Conference following their election. In case a Lay Member does not attend General or Jurisdictional Conference the Reserve Member seated takes his seat. The Conference lay leader will be responsible for seeing that this formula is implemented each year.

B. Special Recommendations:

1. Travel allowance is based on the distance of a student's parsonage from the school he attends. When the parsonage is 25 miles or less, it shall be $100; when the parsonage is more than 25 miles but less than 50 miles, it shall be $200; when the parsonage is at least 50 miles but less than 75 miles, it shall be $300; when the parsonage is at least 75 miles but less than 100 miles, it shall be $400; and when the parsonage is 100 miles or more from the school, $500 shall be maximum travel allowance. One half of the travel allowance will be made available between September 1 and December 31 and the other half between January 1 and April 30. The Commission requests permission from the Annual Conference to make such adjustments in Equitable Salary schedules for the fiscal year 1975 as the availability of funds may necessitate.
2. Retired Supply Pastors: $3,500 (including travel and utilities).
3. Part-time Supplies: Ministers of any status who are serving part-time will receive income from Equitable Salary funds, if any, on a basis negotiated with the church, the pastor, the District Superintendent, and the Equitable Salary Commission.

II. Principles Governing the Use of Equitable Salary Funds

The Commission urges each charge receiving Equitable Salary funds, its minister, and District Superintendents so to administer the affairs of the charge that it may move as rapidly as possible toward full financial support.

To enable the conference, the commission, and the superintendents to carry on their cooperative efforts in understanding, harmony, and for the greatest good for all concerned, the following principles and procedures are set forth:

1. The family or marital status of the pastor at the time of assignment to the charge and as of January 1 shall govern the amount paid the minister.

Any monies remaining in the operating balance and/or allowable contingency of the Equitable Salary Funds at the end of the fiscal year shall be divided equally among the full-time lay pastors receiving Equitable Salary supplement as a bonus at Christmas, provided that no one shall receive funds to make their total income more than that of the conference member receiving Equitable Salary Funds. Any residue of these funds remaining shall be divided among the student pastors as travel bonus, as determined by the Equitable Salary commission. The permission granted to the Commission in the last sentence of I. B. 1 shall not be used to defeat the intent of this provision.

2. In considering the salary for a charge, all income, including salary, travel, utilities, bonuses, and expense allowances are included as salary in the making up of appropriations to the charge. All contributions must be reported, so that all ministers involved may be treated alike.

3. No charge may receive from Equitable Salary more than one-third of the total salary received with the exception of newly-established congregations. Charges must be arranged so that no more than one-third of the total salary be supplemented from Equitable salary funds. Charges asking for more than one-third supplement must make an additional application, indicating the reasons for being given special consideration.

4. Beginning at the 1974 Annual Conference, full-time Pastoral Charges of less than 400 members, in order to receive Equitable Salary funds, must appear before a committee from Equitable Salary before September 10 and show cause why supplementary funds must be made available for that charge. Creation of circuits and/or charges should be on the basis of mutual agreement by all churches on the circuit rather than simply from the desire of the larger church to withdraw for its own benefit and advancement.

5. In the division of circuits in which one church seeks to become a station, it is recommended that such church assume all salary obligations and its proportionate share of single-figure asking.

a. It is recommended that the remainder of the division pay two-thirds of pastoral support, and its share of single-figure asking.

b. The Commission on Equitable Salaries further recommends that each charge which has received, or shall hereafter receive Equitable salary aid, shall reduce this aid by 10 percent each year until the charge has accepted full self-support. The District Superintendents are to inform all charges receiving aid or expecting to receive aid in

the future of this regulation. This requirement must be kept in mind in preparing for any requests.

c. When a charge has been established as a student appointment and desires to be served by a full-time minister, this change may take place at such time as the charge shall pay two-thirds of the amount needed to provide such full-time ministerial support and shall agree to reduce the aid by 10 percent each year.

d. When there is a division of a charge forming one or more student appointments, the charge must pay two-thirds of said salary.

6. When a new church is to be established and becomes a new charge, the District Superintendent shall present for study the complete details of the proposed project not later than May 1. These details shall be presented by them to the Conference Division of Missions and the Commission on Equitable Salaries. If such new church is approved by the Division and Commission, the Commission shall provide Equitable Salary assistance and the Division shall supplement the salary to make it adequate, and shall assist the new charge in providing living quarters for the minister and a place to meet and worship. It shall be understood that each year the new charge shall accept more of the budget until it becomes self-supporting. We recommend that each new church shall become self-supporting in a period of ten years or less.

NOTE: Exception will be made if the charge has made a reasonable effort to become self-supporting and is willing and able to increase its salary by at least $300 annually, to increase its one-figure askings proportionately, and to reach full support within five additional years.

7. Any equitable salary supplement will be terminated immediately upon a full-time pastor's taking other employment or not continuing full-time pastoral employment. Such a pastor may be reinstated at any time upon returning to full-time ministerial status.

The Reverend James H. Bailey
Secretary, Equitable Salary Commission

SOME PROCEDURAL GUIDELINES FOR BUDGETARY RELATIONSHIPS BETWEEN THE COUNCIL ON FINANCE AND ADMINISTRATION AND THE COUNCIL ON MINISTRIES

(Adopted by the Executive Committee of the Council on Finance and Administration and The Budget Committee of The Council on Ministries during a joint meeting of these two committees on February 7, 1974.)

Basic Assumptions: (Quotes are from *The Discipline*)

A. The Council on Finance and Administration has a *supportive* relationship with the Council on Ministries as well as with all other agencies authorized to receive funds from the North Carolina Conference.

B. The Council on Finance and Administration has the responsibility for preparing the Conference benevolence budget which "includes those conference allocations and expenditures directly associated with the program, mission and benevolent causes of Annual Conference program agencies and institutions." In fulfilling this function, CFA "shall make a diligent and detailed study of the needs of all the conference agencies and causes asking to be included in the budget of any conference fund. The chairperson of each conference agency, or other duly authorized representative shall have opportunity to represent the claims of the chairperson's agency before the council."

"In preparing the conference benevolence budget, the Council shall make diligent effort to secure full information regarding all conference benevolence and service causes that none may be neglected, jeopardized, or excluded. In studying the requests of conference program agencies for allocations from the conference benevolence budget, the council shall seek and consider the recommendations of the Annual Conference Council on Ministries regarding the askings of such agencies as they relate to conference program priorities. Basing its the Annual Conference for its action and determination the total amount to be apportioned for the conference budget; the council shall also recommend to the Annual Conference for its action and determination the amount or the percentage of the total of the conference benevolence budget which shall be apportioned to each cause included in the said budget."

C. The Annual Conference Council on Ministries "receives program recommendations . . ; develops these recommendations into a coordinated program to be recommended to the Annual Conference . . . " and provides "implementation for and administration of the coordinated program as adopted by the conference."

D. One of the functions of the Council on Ministries is to "study and coordinate the budget askings of the conference agencies as they relate to the conference program and to make recommendations regarding the same to the Council on Finance and Administration . . . "

On the basis of the above assumptions and administrative order as set forth in *The Discipline,* the following guidelines are recommended:

1. Early in January, prior to each regular session of the Annual Conference, the Council on Ministries shall receive from the various program agencies and causes budget askings to be included in the conference budget to be voted upon in the following June session of the

Annual Conference. These budget items include all those now carried in the Conference budget under the heading: "World Service and Conference Benevolences," excluding World Service.

The Council on Ministries shall study, coordinate, and make recommendations concerning these budgets in relation to the program priorities of the Conference. The Council on Ministries may make recommendations to increase or decrease any or all of these budgets prior to presenting them to the Council on Finance and Administration. In making budget recommendations, the Council on Ministries should always keep in mind that, traditionally speaking, the charges of our conference, on an average, have not been accepting more than a 3 to 8 percent increase over the preceding years. (The average increase over the past 5 years has been 5.72%.)

2. By March 1, the Council on Finance and Administration shall receive from *all* conference agencies and causes, including the *Council on Ministries*, their budget requests to be raised the following year. A minimum of 25 copies of the composite budget of C.O.M. shall be received indicating:
   (1) budget amount requested by each agency or cause;
   (2) recommendation or request from C.O.M. for each program agency or cause. The composite budget shall be accompanied by detailed information concerning each of the component budgets so that C.F.A. may have in hand basic information helpful in fulfilling the function requirement of the *Discipline* as referred to in Assumption B above.
3. In March (date to be announced each year) C.F.A. will hold budget hearings at which time the C.O.M. budget will be presented by those persons as directed by C.O.M. keeping in mind that the Chairperson of any conference agency, or duly authorized representative, shall have opportunity to represent the claims of said agency before C.F.A. if they so desire. C.F.A. expects if the latter is true, that this presentation would be made with the knowledge, cooperation and support of C.O.M.
4. If, after reviewing the requests from all conference agencies and causes, C.F.A. determines that the total askings (budget requests) exceed the amount likely to be approved by the Annual Conference and subsequently the charges, C.F.A. will proceed to adjust the total budget downward. In this process, C.F.A. will refer back to C.O.M. that portion of the total requested by C.O.M. in order that they may make the necessary adjustments in relation to conference program priorities in order to bring that portion of the budget in line with the total necessary reduction.

   This procedure could involve an extra meeting for C.O.M. and C.F.A. or a committee of each. An alternative might be for C.O.M. at the time of the budget hearings, to provide C.F.A. with some priorities or direction in approaching the matter of necessary reductions if such were needed.
5. After the budget is finalized following either of the above alternatives, it will be published in the *Book of Recommendations* and subquently voted upon by the Annual Conference.
6. The budget as adopted by the Annual Conference shall then be apportioned to the charges by the Single Figure–Fair Share formula. These apportionments will be given to the District Superintendents prior to July 15. The Superintendents will in turn pass them on to the charges prior to their fall E.M.C. efforts.
7. Following the charge conferences and not later than November 15, the District Superintendents will report the acceptances to C.F.A. If after compiling these acceptances, it is determined that the acceptances are short of the adopted budget, C.F.A. will make the necessary adjustments and finalize the budget to be raised the following year. If it becomes necessary to adjust the budget downward, C.F.A. will follow the same procedure as in #4 above as the adjustments relate to C.O.M.
8. Under our budgeting system of raising some funds one year and spending them the next year, it is not always possible to anticipate two years in advance the exact needs. To compensate for this uncertainty, we use supplementary appropriations, the funds for which are derived from earnings on central funds, and a small amount from the contingency fund in the Conference budget.
9. Requests for Supplementary appropriations may be made in writing to the Chairman of

C.F.A. at any time during the year or personally to C.F.A. at the time of any of its meetings during the year. These requests will normally be acted upon during the meeting following the request unless there is some definite reason for the decision being postponed. C.F.A. expects that such requests from program agencies or causes will be cleared through and coordinated with the Director of the Conference Council on Ministries and does not presume to suggest specific procedures to be used by C.O.M.

10. C.F.A. will expect that any other conference program budget matters not covered in these guidelines will be studied and coordinated by C.O.M. through whatever method it deems appropriate prior to presentation for consideration by C.F.A.

11. In conclusion it should be understood that C.F.A. desires to be supportive of *all* conference budgetary needs and accepts with humility the tremendous stewardship responsibility which is ours. We also desire to act responsibly, without prejudice and with fairness to all, realizing that at no time will there ever be all the funds necessary to accomplish everything which everyone desires to do.

II-A

In addition to the above guidelines, the Council on Finance and Administration further recommends that immediately after adoption of the budget by the Council on Finance and Administration at the March meeting each year, copies of the budget be placed in the hands of all conference agencies included in the budget. At least 10 days after these budgets are mailed and prior to May 20, any agency, board or commission representatives may appear before a called appellate session of the Council on Finance and Administration to appeal any matters or amounts contained in the proposed budget. Persons wishing to appear before this session of C.F.A. should let their wishes be known at least within 15 days after receiving the copy of the budget in order that C.F.A. may make the necessary arrangements for the called session. If no appeals or concerns are expressed, C.F.A. may not need to meet for this session.

1. The Single Figure Apportionment Formula approved by the Annual Conference in 1967 as amended in 1971 shall be continued with the exception that local church benevolences for miscellaneous items also be deleted to arrive at the net total money raised. Further, each church shall be informed at the Charge Conference of the amount which the Fair Share Figure formula assigned to it, with churches that are already exceeding the amount being apportioned as much as the previous year or the new Single Figure arrived at by the formula whichever is more.

2. The Apportionments as computed by the Treasurer's Office according to the formula shall be transmitted to the charges by the District Superintendents without adjustments.

3. Beginning with the Fiscal Year 1974, the conference budget to be raised the following year will be formulated in the spring of each year in time to be included in the Book of Recommendations and presented to the Annual Conference in June for adoption. On the basis of the adopted budget, Apportionments to the charges will be given to the District Superintendents by July 15. Charge Conferences and every-member commitment efforts will be conducted in the fall. Following the full report from the District Superintendents (by November 15) of the Acceptances by the charges, the Council on Finance and Administration is authorized to make any necessary adjustment and finalized the budget to be raised the following year.

4. Each Conference board, agency, division, committee, commission, etc., receiving allocation from the conference budget shall submit each year a detailed operating budget to the Council on Finance and Administration by January 10 covering the *operating* budget for the ensuing year. These budgets will be reviewed by C.F.A. in light of the funds available. Budgets which are related to the Council on Ministries will be submitted through the Director of the Council on Ministries.

5. No conference agency's budget shall incorporate funds to be appropriated to a non-conference agency, without specific approval of the North Carolina Annual Conference.

6. Monies paid by charges toward the Single Figure Apportionment shall be reported to the Statistician by the Conference Treasurer and all other funds paid by the local church shall be reported in the Pastor's Report, Table #11.

7. No transfer of funds shall be made from one line item in the Confernce Budget to another without approval of the Council on Finance and Administration.

8. Reimbursement for travel to authorized meetings of all Conference agencies shall be at the rate of 10¢ a mile with no payments for meals.

V.

(a) The salary of each of the District Superintendents for 1975 shall be set at $16,330.00 plus $1,600.00 travel expense. Such part of said salary that is paid out by the District Superintendent to cover the actual costs of all those utilities applicable to the operation and maintenance of his district parsonage is hereby assigned as housing expense not to exceed the sum of $1,000 for heat, water, electrical services and residential telephone. We recommend that all districts assume this expense for these utilities.

(b) Each district shall provide an amount equal to 1% of the District Superintendent's salary, travel, and utilities to be allocated for the Ministers Retirement Fund in lieu of institutional payment, which in the case of pastors, is provided by the charge.

(c) The District shall also provide the institutional payment for group life insurance and group hospital and medical insurance.

We approve the use of an amount up to $4,000.00 to be provided by each district for the district superintendent for secretarial help and promotion of the district program. 3. The salary and benefits of the Director of the Conference Council on Ministries shall be the same as those provided for the District Superintendents.

VI.

Approval is given to the requests of the following agencies for the privilege of soliciting funds throughout the Conference:

1. Christmas Offering 1974 for district superintendents' program and/or projects. These should be clearly defined in plenty of time to have successful promotion.

2. The Board of Missions for the promotion of the Church Extension Ten Dollar Club.

3. The Board of Education to solicit from church groups and individuals, materials and money for specific projects for the four camps of the North Carolina Conference.

The president, vice-president and secretary of the Council on Finance and Administration and the Conference Treasurer shall serve as the executive committee of the Council on Finance and Administration.

The Conference Treasurer will include in his monthly financial district reports, for any given month, all monies received in his office by 8:30 A.M. on the 5th day of the following month, except when the 5th day falls on Saturday or Sunday the report will include the funds received by 8:30 A.M. the following Monday.

REPORT OF THE DIVISION OF HEALTH AND WELFARE MINISTRIES

I. RECOMMENDATIONS

1. That commendation be expressed for the work of Chaplain Wesley Aitken and his staff in the chaplaincy program at Duke Medical Center and that we continue our support of this

program in the amount of $5,500 for the year.

2. That recognition be given for the work with alcoholics by the Reverend J.C. Dunn in the Good Shepherd Home at Lake Waccamaw, N.C., and that we continue our support in the amount of $2,500 for the year.
3. That we commend the Reverend Vassar W. Jones and the Louisburg United Methodist Church for the work they have done in connection with the training center for the retarded. We further recommend that others use this as a guide for establishing this type of program.
4. Following a study made jointly by leaders of our conference with the Western North Carolina Conference, and with the assistance of the North Carolina Council on Mental Retardation and Developmental Disabilities, we recommend that each local church find some area where it can give assistance to the mentally retarded. We make the following suggestions of places to begin:

   a. Space for day care centers for mentally retarded
   b. Youth and adult activities
   c. Sunday School classes for all ages
   d. Camping program enlarged
   e. Protective community living settings
   f. Planning and advocacy for those with special needs (For further information on these suggestions, contact Reverend Simeon Cummings, Coordinator of Outreach Ministries in our Methodist Building in Raleigh)

II. GOLDEN CROSS COMMITTEE

1. The committee recommends the continuation of the Golden Cross Ministry.
2. We further recommend that the daily allowance for Golden Cross assistance be $35 per day during the 1975 conference year. (Any minister desiring information about Golden Cross aid should contact his district representative of the Division of Health and Welfare Ministries).

III. RETIREMENT HOME COMMITTEE

1. The committee requests the bishop to appoint the Reverend Joseph F. Coble to be administrator of the Retirement Home for the conference year 1974-75, and the Reverend LaFon C. Vereen as administrative assistant.
2. That the week of Mother's Day be reserved as a period for publicizing and promoting the Church's ministry to the senior citizens through the Methodist Retirement Home, and that other interests and causes not be permitted to encroach upon or conflict with the traditional emphasis.
3. Questions have been asked as to how the money given to our Home through our single figure asking is used: "We would report to the Annual Conference that the money given each year to our Methodist Retirement Home is used to supplement the income of the Home for those members who cannot pay their entire cost. If this money were not available, then our Home would be forced to accept only those who can pay their entire expenses. The number of persons of limited income served by our Home is determined by the giving of our Annual Conference."

IV. CHILDREN'S HOME COMMITTEE

1. The committee requests the bishop to appoint Dr. T. Marvin Vick to be the administrator, and the Reverend James M. Waggoner to be chaplain for the 1974-75 Conference Year.
2. We recommend that the Thanksgiving season continue to be reserved as a period of publicizing and promoting the Church's ministry to children through the Methodist Home for Children, and that other causes not be permitted to encroach upon or conflict with the traditional emphasis.

V. LONG RANGE PLANNING COMMITTEE

1. The request came to the division from the Board of Trustees of the Methodist Retirement Home as follows: "That the Annual Conference authorize The Methodist Homes, Inc. to sponsor a Home in Edenton and to seek for sources of funds with construction to begin when funding is available."
2. The above was approved with the following stipulation: "That the Annual Conference

authorize The Methodist Homes, Inc. to sponsor a Home in Edenton and to seek for sources of funding excluding the single figure asking appropriations and/or capital fund drives in the total area of the N.C. Conference, with construction to begin when funding is available."

VI. NOMINATIONS

1. We nominate Mr. Robert L. Denny, Raleigh, N.C., and the Reverend Vassar W. Jones to the Board of the Southeastern Methodist Agency for the Retarded.

INSURANCE COMMITTEE REPORT

Report No. 1

The Insurance programs of this conference provide a valuable service to the ministers and ministers families. These programs also represent significant financial costs to the charge and to the ministers. With an acute awareness of these factors, The Insurance Committee undertakes its duties.

BLUE CROSS BLUE SHIELD HOSPITAL INSURANCE

We recommend that the Hospital Insurance Plan now in effect with North Carolina Blue Cross Blue Shield be continued until the anniversary date for renewal, January 1, 1976. The benefits of this policy continue at the present scale; along with:

1. Major Medical
2. Coverage for students until his 26th birthday or graduation.

We recommend that the premium payments continue under the present arrangement, that is, the local church making each quarterly premium payment in the amount of $107.43 for family, $38.16 for a single person and $75.36 for parent and one child: and that each minister make an additional quarterly premium payment of $22.02 for a family, or $7.65 for a single person, or $15.90 for a married person with one child.

We propose this premium payment schedule because it has enabled our conference to stablize the premium rates. January 1, 1972 we had a *deficit* account of $68,923.15, even though a rate increase of 104% had gone in effect the previous June. As of January 1, 1974 this entire deficit had been liquidated, and there was $7,145.21 held in reserve. If our experience continues in this way, a rate decrease may be in order next year.

GROUP TERM LIFE INSURANCE

We recommend that the pesent Group Term Life Insurance policy with Fidelity and Guaranty Life Insurance Company be continued until the anniversary date for renewal, January 1, 1976. We further recommend that the coverage be the same, and that premiums be paid by the local church.

The average age of our ministers has increased to 49.8 years. This increased average age justifies a rate increase of $2.10 per quarter. Therefore, we recommend that this $2.10 per quarter for the July 1, 1974 and October 1, 1974 be paid by the Insurance Committee from Cash Refund Receipts. Beginning January 1, 1975 the $2.10 quarterly increase be paid by the local church. This will make the quarterly premiums $25.74 for a minister with family and $24.00 for a single minister.

DELINQUENT PREMIUM PAYMENTS

One of the disturbing aspects of our Insurance program has been the delinquency in premium payments; some by ministers and few by churches. The conference treausrer has given an excessive amount of time in an effort to collect these unpaid premiums. The Insurance Committee has authorized the treasurer to enforce the terms of the Insurance Contracts. These terms require that any premiums that are not paid, by the time the payment to the Insurance Company is due—those who are delinquent in their premium payments will have their insurance coverage terminated immediately

The minister of the charge and the District Superintendent must be notified 10 days prior to the termination of the policy, by First Class mail as to the payment delinquency of the charge and/or the minister.

LIABILITY INSURANCE FOR CHURCH GROUPS

The Chanbley Insurance Agency of Raleigh, North Carolina has a blanket liability insurance program that is available on a conference basis, which permits each church in the conference to participate. This policy provides health and accident coverage for any church group that is involved in a church sponsored outing or activity. The master contract for the entire conference is $25.00 per year. For any church planning an outing that will last over 3 days the costs are $ .12 per day, per person; if the activity is less than 3 days, the cost is $ .08 per day, per person. A church participating, sends the list of names of the persons participating in the event and premium payments, *before* the outing begins Participation in this plan is voluntary.

We recommend the implementation of this plan. We recommend that the $25.00 be paid by reserve funds held by The Insurance Committee.

Report No. 2

The Insurance Committee was asked to conduct a study as to the feasibility of providing a Blue Cross Blue Shield Hospital Insurance Program for lay employees of the local church. This study was made with the following results:

530 questionnaires were sent to local churches
381 charges responded to the questionnaire
321 charges had no eligible employees
60 charges had eligible employees
46 charges had eligible employees and were interested in the insurance

Based on these facts, Blue Cross Blue Shield declined to organize a group for lay employees.

Report No. 3

The General Church, has a property insurance policy, which has been publicized throughout the entire United Methodist Church.

The insurance laws of the State of North Carolina prohibit this policy being sold in this state. The Conference Trustees are keeping up with the developments pertaining to this insur-

ance. As soon as this insurance becomes available for our state, each charge will be informed.

REPORT OF DIVISION OF MINISTRY

REPORT I

"The ordained ministry of the United Methodist Church cherishes its origin in the Christian tradition and in the Wesleyan heritage from which it has come. It seeks obedience to the Holy Spirit through cooperative efforts to perfect a ministry for the whole church. It faces the future eager to share new understandings and forms of the ministry which may be revealed." (Para. 304, 1972 *Book of Discipline*)

The Division of Ministry believes its reason for being is to encourage, to guide, and to maintain appropriate standards for ordained ministers and lay pastors as they equip themselves for ministry in various areas of the United Methodist Church. Recognizing the emphasis of our church upon an educated ministry and seeking to encourage ministers to honor this goal, the Division of Ministry recommends to the Annual Conference that the minimum educational requirement for Associate Membership in the North Carolina Annual Conference be an A.B. Degree, or its equivalent, from an accredited college and that this requirement be made for those seeking admission as Associate Members at the 1976 Annual Conference and each subsequent Annual Conference.

We urge each local church to observe Ministry Sunday on September 15 1974 (or the nearest convenient date) to focus attention on the Pastoral Ministry. We encourage each minister to use this occasion and others to share with his people his sense of call to the ministry. If there is joy and excitement in the parish ministry, it ought to be communicated. If there is not, it will be communicated.

We call attention to the Ministerial Education Fund as a special opportunity to assist students preparing for the parish ministry. We urge all churches to keep alive the goal of paying in full their apportionment to the Ministerial Education Fund. Should sufficient funds become available there are some exciting opportunities in the area of Continuing Education

We call to the attention of all clerical members of the Annual Conference, including those under Special Appointment, the importance placed upon attendance at Annual Conference in paragraph 660.6 of the 1972 *Book of Discipline,* part of which reads: "Should any minister in active service absent himself from the session of the Annual Conference without a satisfactory reason for the absence, the matter shall be referred by the conference secretary to the Division of Ministry."

SECTION D. The Conference Board of Pensions has been notified of a revision in the RULES AND REGULATIONS of the General Board of Pensions concerning Disability Legislation. Some of the changes which affect our conference are recorded here.

P. 129 Subject to the provisions of this Section, disability benefits shall be paid to a minister who is granted disability leave, if at the time the disability occurred such minister was serving under appointment with pension credit on the Annual Conference or under special appointment with contributions being made to the Disability and Survivor Benefit Fund as provided under P.225, if medical evidence shall have been secured and reviewed as required in P. 357.3 or .4 of the *Book of Discipline*, and if it appears from such medical reports that his or her health has failed as a result of illness or injury such that the minister is incapacitated for ministerial work and the support of his or her family for a period of at least 180 days.

P. 129-b . . . at the discretion of the Conference Board of Pensions if benefits are to be paid by the Annual Conference, benefits MAY be continued to a minister who received disability benefits during the entire calendar year 1974 under previous regulations even though he or she may not have been under appointment with pension credit on the Annual Conference at the time disability occurred, and the amounts of such benefits MAY be continued on the same basis as those being paid during calendar year 1974.

P. 130 While receiving disability benefits, a minister may at any time be required, by the General Board of Pensions or by the Joint Committee on Disability, to have an examination by a medical doctor approved by the General Board or the Joint Committee and/or to authorize his or her medical doctor or doctors to provide any required information, to the . . . Joint Committee on Disability on a form to be provided by the General Board of Pensions if benefits are being paid by the Annual Conference.

P. 131.b If disability benefits are to be paid by the Annual Conference, the Conference Board of Pensions, after recommendation to it by the Joint Committee on Disability, shall have full authority to determine eligibility for benefits, amounts of such benefits, and dates of their

beginning and discontinuance, provided that the annual disability benefit payable to a minister shall not exceed one-third of the average salary of the conference of which he or she is a member. The Conference Board of Pensions shall report to the General Board of Pensions all disability benefits approved by the conference board, indicating exact amounts and for what specific periods and other information as required by the General Board. It is recommended that benefits for total disability be the equivalent of one-third of the average salary, but in the event years of service are used in the formula for determining the amount, then years with pension credit in other conferences shall be counted the same as years in the conference of which the minister is a member.

P. 132-b If a minister who is receiving disability benefits from the Annual Conference recovers sufficiently to engage in a remunerative occupation, the disability benefits may be reduced or terminated by the Conference Board of Pensions at its discretion.

P. 133 A minister receiving disability benefits during the conference year in which he attains age sixty-five may continue to receive such benefits only through June 30 next following his sixty-fifth birthday if the final day of the regular session of his or her Annual Conference falls in the month of May or June; . . . .

P. 134 While on disability leave, a minister shall receive pension credit during such leave up to a maximum of fifteen years.

P. 135-b At the discretion of the Conference Board of Pensions, any or all provisions of P. 129-133 (except P. 129-a) in Section D of this Chapter may be applied to a lay pastor under appointment who, at the time disability occurs, shall have completed *at least four consecutive years of service with pension credit in one Annual Conference*, and who at the time disability occurs is not a currently participating member of the Ministers Reserve Pension Fund, any benefits so determined to be provided by the Annual Conference whose Board of Pensions determines such benefits.

P. 225-b Subject to the approval of and by special arrangement with the General Board of Pensions in each case, a ministerial member of an Annual Conference who is under appointment without pension credit on the conference or who is in the supernumerary relation may be afforded the disability and survivor benefit protections of the Disability and Survivor Benefit Fund, by an annual contribution to that Fund in an amount equal to 2% of the average salary of the Annual Conference of which the minister is a member, such payment to be made either by such minister, his or her Annual Conference, or the institution or agency to which he or she is appointed according to a schedule of payment to be determined by the General Board of Pensions; . . . .

We also call attention to a recent ruling which in some cases permits Exclusion of Disability Pension from being considered as "Taxable Income". It is suggested that you call this to the attention of your tax consultant, of ruling 105(d) and make use of forms 1040X or for 834 to claim eligible income exclusion on Disability Income.

REPORT II

HOUSING EXCLUSION ALLOWANCE

INTERNAL REVENUE SERVICE DOCUMENT NO. 5045 (10-67) DECLARES:

"Rental Value of Home Furnished a Clergyman, and cost of utilities paid for him, as part of his compensation for carrying out his duties as a clergyman, are not income to him, if he is duly ordained, licensed, or commissioned."

"Rental Allowance to Clergyman, paid as part of his compensation, is not income to the extent he used it, in the year received, to provide a home, or pay utilities for a home furnished him. However, the church or organization which employs him must have officially designated the payment as a rental allowance before the payment was made."

"The above rules are also applicable to retired clergymen where a rent-free home or rental allowance is furnished him in recognition of past services in carrying out his duties as a clergyman."

A REVISED RULING, 63, 156, 163-2 CB 79 STATES:

". . . the rental value of the home furnished to a retired minister as part of his compensation for services is excludable from his gross income under Section 107 (1) of the Code. Also, the rental allowance paid to him as part of his compensation for past services is excludable under Section 107 (2) of the Code, to the extent used by him for expenses directly related to providing a home." (See Code Sec. 107, Reg. 1.107.1 (1103.01)

Therefore the following resolution is presented to the North Carolina Conference of the United Methodist Church, meeting in Fayetteville, North Carolina:

Whereas, The United Methodist Church has a tradition of providing housing (a parsonage) for its ministers, or in instances where no parsonage is owned by the charge, giving the minister a housing allowance, and

Whereas, Retired Ministers of the North Carolina Conference are entitled to the same privileges as those in the Effective Relationship: and

Whereas, the most practical method of providing housing for the Retired Ministers is by means of rental allowance;

Therefore, Be It Resolved, that the amount of $2750.00 per year be set as a fair and reasonable rental allowance for each Retired Minister of this annual conference; that the first $2750.00 paid to a Retired Minister each year by The Board of Pensions of The North Carolina Conference of the United Methodist Church and $2100.00 of this is designated as the payment of this Housing Allowance and $650.00 for Utility Allowance. The Housing Allowance is specifically designated as compensation to the minister for the cost of renting or providing housing for himself and his family and those costs related thereto, pursuant to the Code as stated in Document 5045 (10-67).

The Board of Pensions emphasize that the Retired Minister who uses this Housing Allowance must be able to furnish proof that he made expenditures in the amounts claimed. If the $2750.00 cannot be substantiated as expenditures, then claim should be made only for those amounts which can be verified.

We also remind the minister who uses this allowance, that the amount he claims as a Housing Allowance exclusion must be included as Income in reporting his Social Security. It is possible that reduced Social Security benefits would offset any claims for the Housing Allowance exclusion. Please consult your Social Security Advisor about this matter.

Further, the Board of Pensions absolves itself of any responsibility in the event the Internal Revenue Service disallows any housing allowance claimed.

Norwood L. Jones, *Secretary*

REPORT NO. III
Ministers Retirement Fund Constitution

The annual conference adoption of The Single Figure Askings and the change of the fiscal year affects the Constitution of the Ministers Retirement Fund. Therefore, we recommend the following revisions in the constitution. (See pages 299 and 300 of the *1970 Journal.*)

I. Assessments: This section now reads: "Each charge in the conference shall be required to pay into the Ministers' Retirement Fund annually an amount equal to 1.12% of the Charge Single Figure Asking for each minister under episcopal appointment to that charge."

We recommend this section to be changed so that it reads: "Each charge in the conference shall be required to pay into the Ministers' Retirement Fund annually an amount equal to 1% of the conference average salary as determined by The General Board of Pensions for each minister under episcopal appointment to that charge."

Under paragraph 2 of this section, it reads: "Each minister shall pay into the fund one per cent (1%) of all money he receives each year from the charge he is serving, or conference sources . . . etc."

We recommend this be revised, so that it reads: "Each minister shall pay into the fund one per cent (1%) of all money he receives each year from the charge or charges he is serving and/or conference sources . . . etc."

II. Deadline for Receipt of Payments: This paragraph now reads: "Each charge and each member of the fund shall submit the required payment no later than the last day of the month following the month in which the North Carolina Conference meets. The Treasurer shall notify all members that this payment is due. This notice shall be made not later than 30 days before the Annual Conference session convenes. Payments made after this date will be credited to the charge and the account of the minister making the payment. However, this delayed payment extends the benefit payments for one year, if he has been a member less than 10 years. If the minister has been a member over 10 years, he will collect no dividends for the year or years of the delayed payment(s)."

We recommend this section be revised so that it reads: "The fiscal year of the annual conference shall be the same as that of the annual conference fiscal year; January 1 through December 31. Each member of the fund shall submit the required payment no later than January 31 of each year. The Conference Treasurer shall notify all members that this payment is due. This notice shall not be made later than December 1 of each year. Payments made AFTER January 31, will be credited to the minister making the payment. However, this delayed payment extends the benefit payment for one year, if he has been a member less than ten (10) years. If the minister has been a member over ten (10) years, he will collect no dividends for the year or years of the delayed payments.

Paragraph 2 of the section shows the scale of Benefits to be paid to superannuanted members of the fund.

Show Chart - down to

"If superannuated at the end of ten years of membership - $1,100.

We recommend this chart be extended, so that it reads:

"If superannuated at the end of eleven years of membership-$1200
If superannuated at the end of twelve years of membership-$1300
If superannuated at the end of thirteen years of membership-$1400
If superannuated at the end of fourteen years of membership-$1500

If superannuated at the end of fifteen years or more of membership-$1600."

After ten years of membership, a member is eligible to receive dividends payable to the account. This new scale of benefits is to become effective: January 1, 1975.

BOARD OF PENSIONS RECOMMENDATION CONCERNING PAYMENT TO WIDOWS

We request the North Carolina Conference, meeting in Fayetteville, June 6, 1974, grant the Board of Pensions permission to delay the implementation of Widows benefits as adopted in the Funded Reserve Program Constitution, until further study; and that a new recommendation be made at the 1975 session of the annual conference.

We further recommend that the rate for widows be revised to be at the rate of 75 per cent of the per service year rate, rather than at the 70 per cent rate we are now paying.

Norwood L. Jones, *Secretary*

GROUP C: RESOLUTIONS

COUNCIL ON MINISTRIES

RECOMMENDATION FOR CHARTER

The Charter of the Council on Ministries defines the composition of the membership of the Committee on Council Staff Personnel as "two Board Presidents, two District Superintendents, President of United Methodist Women, one officer of Division of Lay Life and Work, two At Large Members with Council Chairman and Director as ex-officio".

We recommend that the words *"or Division Chairperson"* be added following "board Presidents" so the section will read as follows: "two Board Presidents or Division Chairpersons.

two District Superintendents, President of United Methodist Women, one officer of Division of Lay Life and Work, two At Large Members with Council Chairman and Director as ex-officio".

RESOLUTION FROM THE COMMISSION ON ARCHIVES AND HISTORY

The Commission on Archives and History of the Western North Carolina Conference and of the North Carolina Conference are jointly preparing plans for a celebration of the 200th anniversary of the organization of the Carolina Circuit in 1976.

Duke University has expressed an interest in hosting a joint session of the two Annual Conferences in June, 1976 and will act upon such a proposal if recommended by both Commissions and approved by both Conferences.

"The North Carolina Conference Commission on Archives and History therefore requests the Conference Entertainment Committee and the Annual Conference meeting at Methodist College, June 3-6, 1974 to hold a joint session of the Western North Carolina Conference and the North Carolina Conference in June 1976 at Duke University, and if not feasible, a joint special session of the two Annual Conferences to be held at a time agreeable to all parties at Duke University to celebrate the bicentennial of the Carolina Circuit, and the birth of our nation, and the golden anniversary of the Duke Divinity School."

Dr. Ralph Hardee Rives, *Chairperson*
Rev. James David Jones, *Secretary*

A RESOLUTION FROM THE DIVISION OF EVANGELISM

We recommend that the Conference Division of Evangelism be authorized to create a special Task Force on Black Evangelism, to deal more adequately with the crucial needs of the Black Church, related to declining membership, to increased Black participation in the larger life and work of the Church, and to the recruitment of ministers and church and community workers.

We recommend the re-appointment of the Reverend Tommy Tyson and the Reverend Joseph Kinkle as Conference Evangelists for the 1974-75 Conference year.

M. Dewey Tyson, *Chairperson*
W. C. Feltman, *Secretary*

A RESOLUTION FROM DIVISION OF MISSIONS

WHEREAS, 43% of the membership of the North Carolina Annual Conference is in churches of 300 or less which comprise 79% of all churches in the North Carolina Conference; and

WHEREAS, traditionally and historically, most of these churches, by virtue of small size and relatively weak financial strength, have been grouped into multi-church charges, sometimes without due regard to the efficiency of available resources; and

WHEREAS, there has been in the minds of many clergy and laity a stigma attached to ministerial appointments and to the status of multi-church charges and small membership churches; and

WHEREAS, congregations of small membership are often apprehensive about their self determination and therefore threatened and defensive; and

WHEREAS, it has been demonstrated that inter-congregational cooperation has been successful in providing stronger leadership, membership, finances, and program, and

WHEREAS, The Bishop, Cabinet Members, and other Conference Leadership have expressed interest in and commitment to inter-congregational cooperation;

THEREFORE BE IT RESOLVED:

1. That the North Carolina Conference commit itself to provide a richer Christian experience for every individual and family through participation in a fully programmed

church life. One of the ways this goal may be achieved is through inter-congregational cooperation. This inter-congregational cooperation may be carried out in multiple patterns. These multiple patterns must be determined by the participating congregations on the basis of the need of their members and community. When congregations respond in this manner and participate in cooperative programs in this way they are taking on characteristics of Parish as described in the **Discipline* 106.3. (See below).

2. That the small membership churches be assured of their value and strength in the total ministry of our Conference.
3. That one of the goals of the North Carolina Conference be that the inter-congregational cooperative parish compare favorably with the larger station parish appointments. Realizing that it will take time for this goal to be achieved the Annual Conference must commit itself to provide enabling resources.
4. That an inter-congregational cooperation training experience be held annually for laity and clergy.
5. That it be understood that inter-congregational cooperative activities are not restricted to the small membership church, in the realization that some larger churches may also benefit through cooperative and/or extended ministries.
6. That an inner-board committee be appointed to serve as a trained and enabling group to assist in the development of inter-congregational cooperation. This committee will be amenable to the Town and Country Sub-committee of the Division of Mission and will consist of the following:

   A Cabinet representative, Clergy and Laity with expertise in parish development, Outreach staff person, Town and Country Chairman, representative of the Parish Fellowship, representative of Equitable Salaries, representative of UMW, representative of UMYF, Chairman of the Division of Mission.

Discipline 106.3

A parish may be identified as one or more local churches who, because of geographic location r particular needs, coordinate program and organization to fulfill a ministry directed to all the eople in the general geographic area. It may include local churches of other denominations. lowever, those United Methodist Churches involved in the composition of the parish shall be menable to a Charge Conference, organized according to the Discipline of The United lethodist Church to which minister(s) may be duly appointed or appointable as pastor in harge and associate pastor(s).
